

National Incident Management System Overview for Senior Officials (Executives, Elected, and Appointed) opportunity!

IN PERSON CLASS-Thursday – February 13th-5:30-9:00PM

Location: 752 Hight Street, Bath, ME (on the 1st floor, in Commissioners Conference Room)

Sagadahoc County Emergency Management is offering NIMS/ICS 402

Overview for Senior Officials (Executives, Elected, and Appointed) training.

The purpose of this course is to provide a forum for Senior Official discussion regarding the National Incident Management System (NIMS) and the importance of the role of Senior Officials in preparedness. At the end of the course, students will be able to explain NIMS tenants, understand command and coordination entities and responsibilities, and the basic principles of the Incident Command System.

The target audience for this course is all officials with statutory obligations, including senior officials, executives, elected and appointed officials, city/county managers, agency administrators, as well as emergency management officials, Public Information Officers, Public Safety (law enforcement, fire, EMS, public health and public works) personnel, and a jurisdiction's policy and legal advisors.

Taking this course is a part of being NIMS compliant for your town/city/position.

The course is free for participants and no prerequisites are required to attend.

Dinner will NOT be provided.

Please share this course information with any elected officials, policy developers, and/or any other senior officials in your jurisdiction who may benefit from taking this course.
