MGT-317 Disaster Management for Public Services

Date: 1-2 October 2025

Time: 0800-1700

Location: Cumberland County EMA Office, 22 High St., Windham, ME. 04062

Disaster Management for Public Services brings together planning and management officials who are expected to identify and mitigate hazards, and who plan and manage disaster response and recovery efforts or have emergency management roles within their jurisdictions. Public service stakeholders can extend their knowledge and skills for protecting their communities and critical infrastructure from potential or actual threats. During this course, participants work together in multidisciplinary teams to apply the course information with their professional experience in a variety of hands-on, small group activities, and disaster scenarios.

This course is offered free of charge.
