Dept/Agency: US Dept of Agriculture/Farm Services Administration

Website: <https://www.farmers.gov/cfap>

Eligibility: Farmers and ranchers U.S. and U.S Territories, Tribes

#### Healthier Kids for Our Future

Description: We are looking for programs that attempt to address these, and other gaps, in delivering food and nutritional education to children. The Cigna Foundation is looking for programs that bracket or augment in-school efforts in the following areas:

- Community-based programs that support children and families' access to healthy meals and nutritional education outside the school setting, on weekends and during the summer
- Food and nutritional programs that provide support for expecting mothers and caregivers
- Support for programs that address the needs of pre-school children
- Health provider/clinician efforts that provide nutritional education to patients and/or food as prescription programming
- School-based programs that enhance or augment state and/or federal assistance efforts

Deadline: [September-30-2020](#)

Funding Amount: by project application

Dept/Agency: Cigna Corporation

Website: <https://www.cybergrants.com/cigna/healthierkidsforourfuture/>

Eligibility: Organizations outside the school environment working to address food insecurity.

## GRAMMY Museum - FY21 Grants Program

Description: Grants to organizations and individuals to support efforts that advance the archiving and preservation of the music and recorded sound heritage of North America, and research projects related to the impact of music on the human condition.

- *The Archiving and Preservation Projects* category supports efforts that focus on the archiving and preservation of the music and recorded sound heritage of the Americas through Preservation Implementation grants of up to \$20,000; and Assistance, Assessment, or Consultation grants of up to \$5,000.
- The *Scientific Research Projects* category provides grants of up to \$20,000 for research on the impact of music on the human condition.

**HELPING YOU GET STARTED WITH GRANTS.GOV** – Grants.gov is a centralized location for grant seekers to find and apply for federal funding opportunities. Here is a guide for your use

## GETTING STARTED

### Grants.gov

Grants.gov is a centralized location for grant seekers to find and apply for federal funding opportunities.

An individual or organization must register before applying for a federal grant. Once registered an organization can submit grant applications on behalf of a state government, nonprofit organization or private business.

The Grants.gov Video Series covers the complete Grants.gov application process, from registering and creating a Grants.gov account to finding funding opportunities and completing an application package.

The Grants Community Blog offers information to assist you in the grant seeking and submission process.
