

How To Reconnect

01

Contact the utility. Find out the minimum amount required to turn the power back on. A payment arrangement may also be an option.

- Central Maine Power: 1-800-686-4044
- Versant Power: 1-855-363-7211

02

Call 2-1-1 to get the phone number for your local Community Action Agency. Ask them about:

- Emergency HEAP funding
- The Low Income Assistance Program (LIAP)
- The Energy Crisis Intervention Program (ECIP)
- Temporary Assistance for Needy Families (TANF)

Note: 2-1-1 may also connect you to other local funding resources, such as local churches, veteran's organizations, and others. These sources may be able to help with other bills as well.

03

Call your city/town and inquire about General Assistance.

04

If there are children involved, the Maine Office for Family Independence may be able to help (Phone: 1-855-797-4357), as well as the McKinney Vento Pilot Program, which is administered through local school districts.
