

NATIONAL REGISTER ELIGIBILITY ASSESSMENT

In order to review the property in question for possible nomination to the National Register of Historic Places, the following information is requested. This form is for staff review purposes only and does not imply the initiation of the nomination process. Please note that our evaluation of this property may depend solely on the information you submit, therefore your answers should be as accurate and as complete as possible.

APPLICANT and OWNER INFORMATION:

1. Name, address, phone number and e-mail of applicant:

Check one with reference to land and buildings:

- I am the sole owner of this property.
- There are multiple legal owners of this property. Number of owners: _____
- I have a leasehold interest in this property.
- I do not own this property but have an interest in assessing its eligibility.

2. Name, address, phone number and e-mail of property owner. (Please provide name, address, phone number and e-mail of each legal property owner. Use extra sheets if necessary.)

3. Is this eligibility assessment connected with a Section 106 Review? yes no

4. Is this eligibility assessment connected with a potential state or federal rehabilitation tax credit project? yes no

5a. Is this eligibility assessment for a complex or a potential historic district? yes no

5b. Is this eligibility assessment for a resource in an already established historic district? If yes, what is the name of the district?

PROPERTY INFORMATION

6. Current Name of Property:

7. Historic Name of Property:

8. Property Address: (Use extra sheets if necessary.)

911 Street Address _____

Town/City _____ County _____ Zip Code _____

Tax Map Reference: _____

9. Please indicate the number of the following resource types that exist on the property:

buildings _____ sites (i.e. park, or cemetery) _____

objects (i.e. sculpture, monument) _____ structures (i.e. bridge, dam) _____

RESOURCE INFORMATION

Please answer questions 10 – 17b for each substantial building, site, object or structure on the property, including recent or modern buildings. This page should be photocopied as necessary. Please answer each question as completely as possible and use extra sheets if necessary. You may exclude sheds, or small outbuildings.

10. Resource type: building site object structure

11. Resource name: (example "Main House," "Barn 1," "Mill 3," "Baker's Store")

12. Is this resource in use? yes no

13. Date of original construction. _____ . Is this date documented or estimated? _____ .

14. Name of architect(s) or builder(s), if known.

15. What alterations or additions have been made since the resource was built?

Please check one or more boxes as applicable.

- additions
- removal of porches
- replacement doors and/or windows
- moved from its original location. (If moved, why, from where and when?)
- replacement siding or re-siding
- removal of decorative details
- interior remodeling or updating

16. On an attachment or below, please describe any changes checked above, and provide the dates of major alterations or additions.

17a. On an attachment or below please describe the historic function or use of this resource.

17b. On an attachment or below please describe the current function or use of this resource.

HISTORY AND SIGNIFICANCE

18. Please summarize the history of the property. Use extra sheets. Please attach copies of any additional historical or architectural information that will enable us to evaluate the significance of this property. For example, this information may include, but may not be limited to, newspaper articles, data from local histories, town or family records, copies of historic photographs, chain of title, plans or maps.

19. Why do you think this property should be listed in the National Register of Historic Places? Please review the Criteria for Evaluation (attached), and indicate under which criteria/on you feel this property is significant, and why. Use extra sheets.

20. PHOTOGRAPHS

Submit recent photographs of the property that show all exterior sides of all the buildings and structures, views of the overall property and all associated outbuildings, and views of important interior features. For agricultural properties include images of any fields, stone walls, orchards, wind rows or other features. Make sure the photographs show the relationship of the buildings to each other and to the surrounding landscapes. The photographs will not be returned, but will become a permanent part of our records. Photographs should be submitted in hard copy. Do not submit photographs on disk, CD, or by e-mail.

21. MAPS AND PLANS

Submit a sketch map of the property. Include and label all the buildings, structures, sites or objects on the property, as well as adjoining streets and other major features. The photographs should be keyed to the sketch map. An aerial image may form the base for the sketch map if the image is of good quality.

Please also include a sketch floor plan showing the layout of interior spaces for major buildings or structures on the property.

22. SURVEY FORMS

For agricultural properties, or any property with a barn, please complete the enclosed Farmstead Survey form and /or Barn Survey form as fully as possible.
