3. The firefighter agrees to use the knowledge and skills gained in training paid in part by the City for the benefit of the City.
4. Approved courses in the amount of $\$ 100.00$ or greater may be pre-paid by the City. Upon successful completion of a course with a passing grade or certificate of completion, the City will reimburse the individual firefighter for the balance due of the approved tuition expenses, which are not covered by scholarships, or other educational financial assistance. If the firefighter receives pre-payment for the course and he/she does not pass or receive a certification/license of completion, he/she will reimburse the City for the cost of the course.

The City will pay the full cost of all pre-approved EMS related courses, case reviews, seminars and skill labs. The City agrees to fund paramedic training for at least one employee per year, as needed. If a firefighter does not obtain the license or pass the course, case review, seminar or skill lab, after the City has paid the cost of the course, the firefighter/EMT will reimburse the cost incurred by the City at the full rate up to a maximum of $\$ 30,000$. As of October 16, 2012, if the firefighter has successfully completed an EMS upgrade, through the reimbursement of the city, the firefighter will be required to maintain the license for a minimum of three years. Should the firefighter separate prior to completing eighteen months of service at the new license level the firefighter will reimburse the city a prorated amount of the tuition with a maximum reimbursement of $\$ 30,000$. The breakdown of the proration will be as follows:

- Firefighters that separate between six and twelve months after completion of the course will be required to repay fifty percent of the cost of tuition and books
- Firefighters that separate between twelve months and eighteen months will be required to repay twenty-five percent of the tuition and books

After maintaining the license upgrade beyond the three-year minimum, the firefighter will be required to provide a three (3) month notice of intent to have the license lapse.
5. The City will reimburse costs of textbooks for pre-approved courses up to $50 \%$ or $\$ 50.00$ whichever is greater. Approval for reimbursement for textbooks is dependent upon the constraints on funds in the Fire Department training account.

Whenever possible, if more than one firefighter on duty is attending the same class, the Battalion Chief or the Acting Battalion Chief will assign these personnel to the same piece of apparatus in order to limit the number of units on delayed response. Reassignments will be made in such a way as to keep Rescue in service and in normal response whenever possible. The following conditions will be required in order to utilize on duty participation for class:

1. On-duty attendance to class must be pre-approved by the Fire Chief.
2. The Chief has the right to limit the number of on-duty personnel attending class.

Compensatory time shall only be taken in 12 or more hour increments which begin or end at 07:00.

Any on-duty firefighter returning to the fire station and completing his/her duties prior to 7:15 a.m. after answering a call received before the completion of his/her work shift at 7:00 a.m. shall receive no extra compensation. If he/she returns and completes his/her duties after 7:15 a.m. he/she shall be paid for one-half (1/2) hour at his/her overtime rate. If after 7:30 a.m. and before 8:00 a.m. he/she shall be paid for one (1) hour at his/her overtime rate; if after 8:00 a.m., at his/her overtime rate for all time worked after 7:00 a.m. as set forth in the attached schedule.

This will occur only during the sixth, fourteenth and twentieth years of service.

Vacation hours will continue to accrue during sick leave absences, while on on-the-jobinjury, or any other paid absences authorized by the Chief or Deputy Chief.

Except for the first month of service and the last month of service, vacation hours for each month shall be awarded on the last day of each calendar month and then added to the firefighter's current balance. The month in which employment begins shall be counted as a month of service if the date of hire occurs before the $16^{\text {th }}$ of that month. The month in which employment terminates shall count as a month of service if the date of resignation is after the $15^{\text {th }}$ day of the month. The Fire Department administration will post a report detailing each firefighter's total accumulation of vacation hours. Firefighters may take vacation time at any

point throughout the year, but on January first of any year, all vacation balances will not be in a negative number. It must be zero or greater. It will be the responsibility of the Deputy Chief to make sure no one uses more time than they should.

Unless otherwise specified in this Article, vacation leave will be taken in increments of one-week periods (blocks). For vacation leave purposes, a one-week period is defined as commencing on Sunday at 7:00 hours and ending on the following Saturday (at the end of the shift 07:00 hours).

Vacation leave will be deducted on an hour for hour basis with a minimum of a twentyfour (24) hour time period (continuous block of time). Thus, if two duty days fall within the vacation week, then forty-eight (48) hours will be deducted from the firefighter's total hours accumulated. Also, if only one duty day falls within the vacation week, then twenty-four (24) hours will be deducted from the firefighter's total vacation hours.

## Section 2 - Vacation Selection

Vacations shall be chosen by firefighters on the basis of total years of service in the department without regard for time served in a specific rank. A maximum of two firefighters per battalion can be on vacation at the same time.

Vacation period selections for the upcoming calendar year shall commence with the initial department wide process conducted in the first full week of November starting on Monday and ending on Thursday of the present year. The Battalion Chief will notify all upcoming year shift members in writing of the date and time for vacation selection at least two (2) weeks prior to actual picking date. During this period of time all vacation weeks will be picked. Firefighters may decline to select any or all of their vacation periods during this process. Any firefighter who declines to select their vacation period(s) during this process forfeits his selection and may not select his/her vacation periods until the vacation process is completed. The firefighter who declines to select their vacation period(s) must notify the Deputy Chief, or in his absence, the Chief, of his decision.

For purposes of record keeping, the firefighter's declination(s) shall be noted (and initialed) in the appropriate block(s) on the cover sheet attached to his/her battalion's schedule.

The selection of vacation periods earned for the upcoming calendar year shall take priority over all other earned periods of time off (including vacation periods carried over from

## CITY OF AUBURN

## Auburn Firefighters Association Local No. 797

the previous year). During the month of November each firefighter, based on seniority, shall have the opportunity in a department wide process to:

1. Select/decline their first two seven (7) day vacation blocks (to be completed during the first full week of November on their duty day starting Monday). If an employee is not present during this time frame, he/she needs to leave a list with the Battalion Chief of the dates he/she wishes to take, as well as a phone number, so the Battalion Chief can contact the employee if the dates he/she has asked for are not available. If the employee does not conform to this, he/she will forfeit their vacation selection and not be allowed to pick their vacation until after November 21st. Any employee who passes on their picks at this point or any other point in the vacation selection process will not be allowed to pick the remaining vacation time until after November 21st.
2. After seven (7) years of service, select/decline their third seven (7) calendar day vacation block upon the battalion's completion of step 1 (to be completed on the first duty day of that week), and then,
3. After fifteen (15) years of service, select/decline their fourth seven (7) calendar day vacation block upon the battalion's completion of step 2. (Selection of fourth week block will be completed on the first duty day in the first week of November.)
4. After twenty-one (21) years of service, select/decline their fifth seven (7) calendar day vacation block upon the battalion's completion of step 3. (Selection of fifth week block will be completed on the first duty day in the first week of November.)

If firefighters are changing battalion, they shall select vacations dates with the battalion they will be working with in the upcoming year.

Upon completion of the November selection process, the battalion cover sheet and vacation selection process shall be forwarded to the Deputy Chief and a copy posted on-line. Following the completion of the November selection process, the firefighters may randomly substitute/exchange up to two vacation block weeks (48 on-duty hours per week) for up to four individual vacation days (twenty-four hour on-duty shifts). The selection of individual vacation days shall commence no sooner than $11 / 21$. All requests for earned time off including carried over vacation periods, etc. for the upcoming calendar year shall not be accepted nor submitted prior to 07:00 hours on 11/21. All time off requests will be submitted using SOP N-103. The requests shall be forwarded to a Battalion Chief in written form including the date of the request,

## CITY OF AUBURN

## Auburn Firefighters Association <br> Local No. 797

time of day the request was submitted (hours: minutes), and the signature of the BC or his replacement.

## Section 3 - Vacation Changes

Any firefighter having declined to select a vacation period during the November process shall be allowed to select any unclaimed vacation period (less than two firefighters on vacation) for that calendar year. The request shall be forwarded to the Battalion Chief in written form including the date of the request, time of day the request was submitted (hours: minutes), and signature of the BC or his replacement. A firefighter's change of a previously selected vacation period will not be allowed if it causes replacement hiring to maintain the minimum staffing level per battalion on a day when a floating holiday has already been confirmed. A firefighter who requests vacation time that includes a day already approved as a floating holiday and that would cause replacement hiring to maintain minimum staffing level per battalion on that day will be responsible to find a swap or have to forego the change in vacation.

Firefighters shall be entitled to unlimited changes in previously selected vacations provided that notice of such change is approved by the Battalion Chief, and all other conditions for vacation changes are met. Approval or denial of the requested change shall be in written form. Such approval by a Battalion Chief shall not be unreasonably withheld.

A firefighter may accumulate an absolute maximum of 350 hours at the end of any calendar year. If the hours exceed 350 hours, all unused hours will be forfeited, except if a firefighter is unable to take vacation due to an on-the-job-injury or extended sick leave. If a firefighter is unable to take vacation due to an OJI or extended sick leave, he/she can exceed the cap by 192 hours.

## Section 4 - Floating Holidays

Each firefighter is entitled to choose and take off one floating holiday per calendar year. From 07:00 hours on the Friday after vacation selection through 11/20, firefighters shall either pick or pass on selecting their floating holidays. All requests shall include a single date selection and will be submitted to the Battalion Chief's office in e-mail form. Firefighters may choose a day on which their battalion would thereby be reduced below the apparatus staffing level except due to prior scheduled vacations or floating holidays. Within twenty-four (24) hours of the request, the Battalion Chief shall notify the requesting firefighter that his/her floating holiday date is confirmed, approved pending the battalion's return above the apparatus staffing level, or that it is denied because of prior scheduled vacation or floating holidays. A floating holiday that

## CITY OF AUBURN

## Auburn Firefighters Association Local No. 797

is approved pending the battalion's return above the apparatus staffing level will be a placeholder only. The firefighter shall ensure that his/her holiday has been confirmed at least one shift before his/her selected date.

If selecting a holiday after $11 / 20$, no firefighter may choose a holiday on a day on which his/her battalion would thereby be reduced below the apparatus staffing level (because of prior scheduled vacations, existing extended sick leave, on-the-job injuries, or other cause known at the time notice is given). Within twenty-four (24) hours of the request, the Battalion Chief shall notify the requesting firefighter that his/her floating holiday date is confirmed, or that it is denied because it would cause a reduction in force below the staffing level per apparatus.

The purpose of this provision is to allow the firefighter choosing a floating holiday to make advance plans for the enjoyment of that holiday, while minimizing the occasion on which the City will incur extra cost for replacement to maintain apparatus staffing.

Floating holidays may not be carried over from one year to another without the approval of the Chief. The Chief will consider any extenuating circumstances when approving or denying the carryover of floating holidays.

## ARTICLE XI - Sick Leave

## Section 1 - Use of Sick Leave

It is the expectation of the City of Auburn and I.A.F.F., Local 797 that firefighters will be available for duty. However, it is recognized from time to time, a firefighter will be absent due to illness. Therefore, firefighters shall accrue sick leave at a rate of thirteen (13) hours for each calendar month of service to be used for the firefighter's personal illness or for a member of the firefighter's "immediate family". For purposes of this article, "immediate family" is defined as a spouse, significant other, child, or parent. A firefighter absent because of any one or more of the foregoing reasons shall cause such fact to be reported to the officer in charge immediately. A firefighter shall also be entitled to sick leave when his/her disability arises out of or in the course of actual gainful employment outside the Fire Department, except when he/she is receiving worker's compensation for injury or illness. A firefighter on sick leave shall call in when he/she is able to return to duty.

Actual hours of sick leave used shall be charged against a firefighter for each workday that he/she is absent from duty for any of the reasons set out in the first paragraph of this Article.

## CITY OF AUBURN

## Auburn Firefighters Association <br> Local No. 797

## Section 2 - Return to Work/Fitness for Duty

Any firefighter who is unable to work for eight (8) consecutive calendar days (counted beginning with the date of absence shown on the "Report of Absence" Report ) or more due to personal injury or illness shall deliver a doctor's certificate before returning to work stating that the firefighter is fit for duty. The expenses, if any, for obtaining the doctor's certificate shall be borne by the City, including reimbursement to the firefighter within one (1) week of submission of a request for reimbursement with attached receipt. The officer on duty may require him/her to report to work if it is his/her regularly scheduled workday. Such returning firefighters shall be charged for sick leave on a pro-rated basis, and his/her replacement, if any, shall be paid on a pro-rated basis.

## Section 3 - Sick Leave Authentication

The Fire Chief, or his designee will review the sick leave records to determine if there is a potential pattern of sick leave abuse. Such patterns might include but are not limited to the following be:

1. The firefighter uses sick days as soon as they are credited to him/her
2. High usage of sick leave for the firefighter or his immediate family without corresponding documentation as to the reasons for sick leave
3. Use of sick leave the shift before or the shift after scheduled vacation, floating holidays or swaps
4. Use of sick leave on the days for which leave had been previously requested, but denied
5. Use of sick leave on a particular day of the week
6. Use of sick leave which corresponds to an undesirable work assignment
7. Use of sick leave for a full 24 -hour shift when the firefighter could have reported back to work for a partial shift
8. Use of sick time for reasons other than as defined explicitly in Article XI Section 1

If the Fire Chief or his/her designee notes an occurrence of sick leave use as described above, the principles of "progressive discipline" will be in order recognizing that the gravity and severity of the sick leave abuse may influence what discipline is issued.

If the Employer has reason to discipline an Employee, it shall be done in a manner that will not embarrass the employee before other Employees or the public.

## Section 4 - Wellness Incentive Days

Firefighters who participate in the City of Auburn Wellness Incentive Program and who have earned a Wellness Day Off may request the Wellness Day off by submitting the request 96 hours in advance to his/her Battalion Chief. It is the responsibility of the firefighter to call into the Battalion Chief no earlier than 6:00 a.m. to determine if his/her shift is within the apparatus staffing for the day. If the shift does not have to hire extra personnel, the firefighter may have the shift off without being charged against his/her accrued sick or vacation leave. If the apparatus is at minimum staffing, the firefighter may not use his/her Wellness Incentive Day on that day.

Section 5 - Sick Bank

The City Manager may from time to time authorize a sick bank for individual employees on a case-by-case basis if they meet certain criteria. If a firefighter voluntarily participates in a City-wide sick bank, the hours donated will be deducted from the firefighter's accumulated sick and/or vacation leave.

## ARTICLE XII - Grievance Procedure

## Section 1 - Grievance Procedure

A grievance shall be defined as any dispute or disagreement raised by an employee in the bargaining unit or the City involving interpretation or application of the specific provisions of this collective bargaining agreement. Grievances, when presented by the Union to the City or by the City to the Union shall state in writing what provision of the collective bargaining agreement has been violated, and how the agreement has been violated, and shall state what the requested remedy is. ## Section 4 - Extensions of Time Limits

Time limits provided herein may be extended by written agreement of the parties. Request for extension shall not unreasonably be withheld.

## ARTICLE XIII - Leaves

The Auburn Fire Department and the City of Auburn have a proprietary interest in ensuring the safety and security of its staff, citizens, and visitors. To that end it is the goal of both stakeholders to limit the amount of time that firefighters are away from their apparatus or stations. Evidence has proven that the earlier a sufficient number of trained responders arrive to manage an incident, regardless of nature, the faster the incident will be controlled increasing the chances of a positive outcome.

## Section 1 - Funeral Leave

Leave of absence without loss of pay and without loss of sick leave shall be granted to any firefighter for five (5) consecutive calendar days because of death of a spouse or child and three (3) consecutive calendar days because of a death in the immediate family, plus any actual travel time reasonably required to return from out-of-state. Immediate family shall be defined to include mother, stepmother, father, stepfather, brother, stepbrother, sister, stepsister, father-inlaw, mother-in-law, son-in-law, daughter-in-law, sister-in-law, brother-in-law, grandparents, spouse's grandparents, grandchildren, and any other person living in the firefighter's household. Such leave shall commence not later than the date of interment. Any additional time needed

## CITY OF AUBURN

## Auburn Firefighters Association Local No. 797

after the expiration of the five (5) day period in the case of a spouse or child or three (3) day period in the case of other immediate family members shall be charged against the firefighter's sick leave. If the firefighter is unable to return to duty at the end of the five (5) or three (3) day period, he/she shall so notify the Battalion Chief on duty at Central Fire Station by the fifth or third day.

A firefighter may also be granted leave to attend the funerals of the persons not mentioned in the Article at the discretion of the Chief. If the firefighter takes more than six (6) hours for the funeral for an individual not specifically mentioned in the list above, the entire time will be charged against the firefighter's accrued sick leave.

## Section 2 - Emergency Leave

Any firefighter shall be permitted to leave immediately (without loss of pay) and without replacement on account of any emergency concerning his/her home or his/her family upon giving notice to the Battalion Chief or officer in charge, provided that he/she report within an hour after taking leave the amount of time that will be required to attend the emergency. Any time away from work in excess of one (1) hour will be charged to sick leave.

## Section 3 - Incidental Leaves

Incidental Leave is an unplanned leave for taking care of non-emergency personal business, such as going to the bank to cash a check. It is not meant for a long-term absence of more than 15 to 30 minutes or for planned events. These are reasonable conditions to be imposed on incidental leave to accomplish the needed task. The Battalion Chief and the Acting Battalion Chief may approve incidental leave and have the right to impose other restrictions on this leave or may allow for longer leave if the reason makes sense. For normal incidental leave 15 to 30 minutes will be the time limits to shoot for.

Emergency leave is for an emergency, and not a leave to be used for in a planned event. Emergency leave is for those unplanned events that need your immediate attention such as an emergency concerning your family or your home.

Section 4 - Association Meetings and Seminar Leave
A firefighter shall be granted leave of absence without loss of pay to attend meetings or seminars approved by the Association provided, however, that such leave shall not exceed an accumulated total of three (3) on-duty working days, and provided further, that the City shall not

## CITY OF AUBURN

## Auburn Firefighters Association

## Local No. 797

be required to grant such leave if a replacement would have to be obtained in accordance with the staffing requirements established in Article XV, Section 1 of this Agreement.

Leave will be granted for the firefighter for the meeting and any reasonable travel time. The firefighter will be expected to return to work following the leave. Multi-day/overnight leave will be granted as necessary. The maximum number of days approved shall not exceed twelve (12) on-duty days per calendar year. If approved, association leave shall be interpreted the same as Floating Holidays when approving other time off.

## Section 5 - Leave of Absence

An Employee may be granted a leave of absence without pay by the City Manager on the recommendation of the Fire Chief with such leave not to exceed one (1) year in length. A request for absence will not be unreasonably withheld if there is no undue hardship within the department. The granting of the leave shall protect the Employee's existing continuous service for the leave period but shall not count as service time for Maine State Retirement, nor shall vacation or sick leave accrue during the absence, nor will the Employee receive pay for municipal holidays or any other benefits such as health insurance. The Employer may hire a replacement for the vacant position, if the employee desires to return to work, the employee must notify the Fire Chief in writing. The Employee will be required to maintain all certifications for the position and to take a pre-employment medical exam, substance abuse test, physical agility test to determine if he/she is physically fit to perform the essential job functions, and criminal background. The Employee will only be offered reinstatement if a position is available and if the request is made within the granted leave period.

## ARTICLE XIV - Exchange of Shifts and Transfers

## Section 1 - Exchange of Shifts

Firefighters shall be permitted to exchange work shifts provided that exchanges of shifts shall not occur in which it would allow an individual to accept and get paid for overtime and then trade that shift. Further provisions include:

1. Their replacements are qualified to perform their duties.
2. Exchanges may be made for the purpose of engaging in gainful employment so long as such gainful employment involves activities directly related to the firefighter's job duties and/or professional development. Such an exchange must be pre-approved in writing by the Chief or his/her designee. Approved exchanges for gainful employment shall not count towards the bank referenced below.

## CITY OF AUBURN

## Auburn Firefighters Association <br> Local No. 797

3. An employee whose loaned time off is being repaid may perform such work as he/she usually performs when not on duty with the Fire Department.
4. Exchanges being made for the purpose of satisfying military service requirements or approved education and training, shall not be counted towards the bank referenced in number five below for either the firefighter initiating or fulfilling "pay-back" the swap
5. Each firefighter shall have a bank of 288 hours from which he/she may draw for exchange of shifts in excess of twelve (12) hours. Swaps of twelve (12) hours or less do not count toward the swap bank. Swaps referenced in \#7 below may also not count at the discretion of the Chief or his/her designee.
6. No more than three (3) firefighters on any work shift may be granted such exchanges except that, in the discretion of the Battalion Chief, additional exchanges may be permitted provided their replacements are qualified and no weakening in the department's firefighting capacity will result.
7. A firefighter may not be allowed to participate in 24-hour exchanges of shifts which would cause him to be off-duty for more than four consecutive work cycles (a work cycle is defined as one 24-hour period on-duty followed by three 24 hour periods off-duty) unless approved by the Chief or his/her designee. Situations qualifying for such approval include but shall not be limited to military leave, educational endeavors, and extended illness/injury.
8. The Battalion Chief may approve swaps according to these guidelines except as noted elsewhere in this article.
9. Swaps shall be repaid on an hour-for-hour basis within one year of the swap being initiated. With the exception of IAFF Local 797 union business, no other arrangements or considerations shall be made between the swapping parties.
10. If an individual is hired for 12 or more hours of overtime, they may allow another individual to work up to six (6) sequential hours of that shift. The hired individual will be checked off according to the overtime hiring rules and each party will be compensated at time and one half for the actual hours they worked.

This exchange of twenty-four (24) hour shift limitation shall not affect vacation or other off-duty time provided for in this agreement and is not intended to prevent individuals from

## CITY OF AUBURN

## Auburn Firefighters Association <br> Local No. 797

coordinating exchanges of shift with vacations or other off-duty time provided for in this agreement.

The limitation on the number of allowable exchanges of twenty-four-hour shifts shall not affect occasions when the firefighter requests a swap for the purposes of attending a job-related seminar, course or other educational program, provided that the firefighter has the proper documentation as to the nature and schedule of the seminar, course, etc., and has received prior approval from the Chief or his designee.

If a firefighter who is due to work the shift of another on account of an exchange becomes ill or is injured off the job more than 24 hours prior to the time he/she is due to report for that shift, it is that firefighter's responsibility to find a replacement so that the exchange does not cost the City additional money in the form of overtime for a replacement. If a firefighter who is due to work the shift of another is injured on the job more than seventy-two (72) hours prior to the time he/she is due to report for duty, it is that firefighter's responsibility to find a replacement so that the exchange does not cost the City additional money in the form of overtime for a replacement. If such a replacement is not found, the firefighter shall be responsible for reimbursing the City in the amount of the difference between what his regular pay would have been for that shift and the amount actually paid to the person who replaced him/her.

## Section 2 - Transfers, Permanent Positions, Bidding, EMT Assignments

1. Vacancies: When a permanent vacancy occurs in a position, transfers will be governed by the provisions of this article. As used in this article a "vacancy" shall mean a position not occupied due to death, retirement, transfer, resignation, dismissal, promotion of an incumbent or an unfilled newly created position. When a vacancy occurs, rank for rank picking by seniority will be done within the battalion that has the vacancy. Only the affected rank will pick. If the selection creates a non-EMS unit, refer to Section 2-5.
2. Establishing Permanent Positions: On the first Wednesday of every other October commencing in 2002, each member will be given the opportunity to pick his permanent assignment from any of the remaining positions in his rank. An Executive Committee member will assist the Deputy Chief in the administration of this transfer process. The most senior Battalion Chief will pick first having four (4) choices. The next senior Battalion Chief will have three (3) choices, etc., until all Battalion Chiefs have picked. The next picking will be done by the Captains, Lieutenants and the Privates observing the same procedure.

## CITY OF AUBURN

## Auburn Firefighters Association <br> Local No. 797

Positions above and beyond those required for the in-service apparatus shall be known as Float positions. An in-service apparatus is one that will be staffed 24 hours a day, 7 days a week and is subject to positional picking process. Employees assigned to Float positions may be assigned to work on any apparatus, at any time, based on the needs of the department. This may include but is not limited to, being assigned to backfill so others can participate in training or meetings, staffing department details, storm coverage, or staffing additional apparatus during peak times or during events. In these instances, the Battalions Chief will consider seniority, when circumstances permit, by giving the more senior float the option of offered assignments. Float positions may also be used at the discretion of the Battalion Chief, to relieve individuals on apparatus assignment on a temporary basis when deemed necessary. This shall not be used to move an employee off their assigned apparatus position against their will. The Deputy Chief will monitor float assignments to ensure no one Float is being unfairly burdened.
Unless needed elsewhere, when at full staff levels, additional personnel will be assigned to the aerial or an engine. Due to the nature of the position, those in the Float position will not have consistent contact with any one officer. Therefore, the Captain of the platoon shall be identified as their officer.

After all members have picked according to the provisions of this section they will be in their permanent positions. If a member is not available to make this selection, a prioritized list of selections must be left in writing with the Deputy Chief. All transfers will take effect on the first Sunday in January.

Any employee who holds an EMS position under this Article, shall maintain his/her EMS license required for his/her permanent position.
3. Bidding: Every year (except when establishing permanent positions) during the last two weeks in September any member who would like to change his position shall put it in writing in a sealed envelope and submit it to the Deputy Chief. Those positions will be put into a pool and are the only positions up for bid. All bids will be awarded in order of seniority according to rank. Members who have not submitted their position to the pool will not be allowed to bid. Posting date will be October 1st and will include all available positions and personnel by rank and seniority. Bidding will be done during the first two weeks in October.
4. Seniority: Transfers shall be rank for rank and seniority is defined as time in rank. "Time-inrank" seniority is defined as the length of continuous service in their present rank from the date of promotion, less any adjustments due to approved leaves of absence without pay (unless otherwise agreed by the City Manager).

In the case of an officer who has been reduced in rank, that officer's time-in-rank seniority shall be considered to be the length of continuous service in that particular rank including the time the officer was in the rank from which he was reduced. The person who got bumped has the right to go to the firefighter on the battalion that he is most senior to and bump him, that following suit until everyone has a position. If he chooses, he can go to the vacant spot held by the State of Maine licensed EMS provider that is moving. If the senior State of Maine licensed EMS provider of the same rank does not want to move, the next senior State of Maine licensed EMS provider of the same rank on the battalion will be asked to go to that position continuing the same procedure as described above. The Chief will take into consideration other types of negative impacts the firefighter may have when filling the temporary vacancy. The firefighter who is assigned to fill the temporary vacancy will go back to his previous assignment when the absent firefighter returns to the department or the vacancy becomes permanent. Such changes may include, but are not limited to, mandatory second opinions for elective surgery, pre-admission and continuing admission review, prohibition on weekend admission except in emergency situations, and mandatory out-patient elective surgery for certain designated surgical procedures.

In recognition of the essential job functions, which require the firefighter to be in good physical condition, the City and the firefighter have mutual interest in the firefighter's overall health and well-being. Firefighters are strongly encouraged to have regular exams on a schedule set forth by their primary care physician and to discuss with their primary care physician the physical demands of their profession. The Health and Safety Team will continue to consider and make recommendations on safety issues.

## Section 12 - Vaccination Requirements

In accordance with Maine EMS rules Chapter 21 "Immunization Requirements", the city must require that a Covered Emergency Medical Services Person provide to the City, a Certificate of Immunization or documentation of an Exemption pertaining to COVID 19 and Influenza. The intent of this article is to ensure that both the City and the employees remain in compliance with this Maine EMS Mandate.

Per Maine EMS, "Covered Emergency Medical Services Person" means an advanced emergency medical services person, a basic emergency medical services person or any person licensed by this board who routinely provides Direct Patient Care. For the purposes of this definition, EMS students that provide Direct Patient Care are Covered Emergency Medical Services Persons.

Employees that meet the definition of "Covered Emergency Medical Service Person" are required to meet the vaccination requirements and to provide proof to the Deputy Chief, of such vaccinations or an exemption as described in the rule.

Compliance with the vaccination rule is a condition of employment. An employee found to be in non-compliance with this rule will be given a one time, thirty (30) day period, to come into compliance. During this 30 -day period the firefighter will be required to find voluntary alternate ride assignments if currently assigned to a rescue. The department expects all licensed uniformed firefighters to provide patient care. Failure to come into compliance may result in termination.

Firefighters required to receive vaccination or boosters off duty will be compensated at the firefighter's overtime rate.

If an employee should experience any signs or symptoms that prevent them from working within 72 hours of receiving a vaccination or booster shot, on or off duty, the firefighter shall be allotted administrative leave until signs and symptoms cease.
As with any workplace injury, the employee may report suspected illness or injury resulting from vaccination. Such report will be processed through the normal Workers Compensation Claims process.

Any firefighter that elects to separate from the department rather than meet the COVID and Influenza vaccination requirements as defined by the rule, will be allotted all benefits of separation under Article XVII-Separation from the Department.

If upon implementation of this vaccination requirement, any current employee elects not to receive the vaccinations to become compliant with the rule, and is separated from the Fire

Department, for one year the employee will be considered for any city position that the employee may be eligible for.

## ARTICLE XVII - Separation from Department

## Section 1 - Retirement

The members of the Auburn Fire Department participate in the Maine Public Employees Retirement System Consolidation Plan -- Special Plan II. Effective 7/1/14, the City will implement MePERS Special Plan 3C (two-thirds pension at 25 years with no minimum age) for those firefighters who have less than 25 years of service with the Department. Firefighters with 25 years of service or more at the time of implementation of Special Plan 3C will not be eligible for Special Plan 3C.

The City will implement a In Service Retirement Program for Firefighters who reach 25 years of service in the MePERS on 7/1/14 or later. Participants in the In-Service Retirement Program will retire in order to draw his/her pension and will remain employed for up to five additional years or upon reaching thirty (30) years of service as defined by MePERS.

At the completion of the Firefighter's twenty fourth ( $\left.24^{\text {th }}\right)$ year as determined by MePERS, the Firefighter will declare his/her intention to participate in the In-Service Retirement Program when eligible and will state his/her intentions to the Fire Chief or his/her designee. The Firefighter may opt into the In-Service Retirement Program at any time after attaining 25 years of service, however, may participate in the plan until he/she reaches 30 years of total service.

The firefighter in the In-Service Retirement Program will cash out all accrued vacation time and all accrued sick time as per this article. Firefighters may reserve 48 hours of sick leave from being cashed out. This sick time may be retained and used as a starting sick leave balance upon participation in the In-Service Retirement Program. Firefighters must state in writing to the Office Manager that they want to reserve this sick time from being cashed out prior to the final submission of the termination forms and cash-out is submitted to the Finance Department. The Firefighter understands that any sick leave hours held in reserve and not cashed out may negatively affect his/her pension through Maine Public Employees Retirement System. It is his/her responsibility to thoroughly understand any potential impacts. During the five years that the firefighter works under the In-Service Retirement Program, the firefighter will accrue vacation and sick time, but will be entitled to cash-out only accrued but unused vacation leave. Firefighters who retire and participate in the In-Service Program who have more than 1440 hours of accrued sick leave at retirement will put the excess hours over 1440 into a "lapsed sick leave" account. The use of the lapsed sick leave account is for the sole purpose of covering the

## CITY OF AUBURN

## Auburn Firefighters Association <br> Local No. 797

firefighter's extended absences of more than 3 weeks and for conditions that would be covered by the City's Family and Medical Leave policy. The lapsed sick leave account is for the firefighter's own personal absence as a result of illness or accident and is not intended to be transferred to a sick bank for any other firefighter or City employee.

The City will share the savings generated from not making employer contributions to MePERS with the Firefighter on the In-Service Retirement Program on a $50 / 50$ basis, with the savings for the firefighter to be paid to a supplemental retirement fund or a Retirement Health Savings Account.

## Section 2 - Vacation Cash-out

If a firefighter separates from the department with accrued and unused vacation hours, he/she will be entitled to "cash out" the unused vacation hours according to the following parameters:

1. Up to 350 hours.
2. Up to 480 hours if on OJI or extended sick leave.

Upon separation, if the firefighter's vacation bank is in the negative, the hours will be deducted from the firefighter's last paycheck.

For purposes of "cashing out" unused vacation time, each period/week of vacation time shall be calculated as being equivalent to forty-two hours at the firefighters' regular rate of pay. A vacation hour is equivalent to .875 pay hours ( 48 times .875 equals 42 hours at regular rate of pay.

## Section 3 - Cash out of Accrued Sick Leave

With the exception of a voluntary election for those firefighters participating in the InService Retirement Program, one-half (1/2) of the accumulated sick leave, subject to a maximum of 720 hours, shall be paid the firefighter upon involuntary separation or retirement, resignation with ten (10) years or more of service with the City of Auburn. In the event of a non-workrelated death of a firefighter, $50 \%$ of the accrued sick leave up to a maximum of 720 hours will be_paid to the firefighter's beneficiaries. In the event that a firefighter dies in the line of duty, $100 \%$ of the firefighter's accumulated sick leave will be paid to the firefighter's beneficiary. The City's obligations in this regard shall be satisfied by payment, in the discretion of the Manager, to

the deceased's estate, his/her administrator or executor, or his/her widow/widower or children, or other person(s) designated in writing by the deceased.

## Section 4 - Compensatory Time

Any accrued but unused compensatory time will be paid to the firefighter upon separation from the department.

## Section 5 - Uniform Reimbursement

The balance in the uniform reimbursement account will be paid in cash in the event of the firefighter's separation from service (retirement, resignation etc.). Any cash payment from this account will be taxed. All firefighters retiring or entering the DROP Program during the term of this contract shall receive the accrued balance of the clothing allowance. All others will have two (2) years (until June 30, 2016) to spend down the balance to meet the two-year maximum balance.

Upon termination of employment, the department member shall reimburse the City for that portion of the clothing allowance paid but not earned. The earned portion of clothing allowance shall consist of the number of months in the final year of employment that a person has been on duty. In this instance, "on duty" refers to separation date from the department.

## Section 6 - Lay-offs

Lay-off - In the event it becomes necessary for the City to lay-off firefighters for any reason(s), the firefighters shall be laid off in the inverse order of seniority by rank. Any officer selected to be laid off may elect to accept a reduction in rank in which case the least senior member of the Department in the next lowest rank shall be laid off or reduced in rank if a lower rank is available. Any officer electing to accept a reduction in rank in lieu of a proposed lay-off must be qualified as determined by the Fire Chief to assume the duties of the new position. If there is a conflict between seniority during a lay-off and assignment of paramedics in accordance to Section 2-5 EMT Assignments, Section 2-5 of the contract shall have precedence.

In the event the Department must make deep personnel cuts which result in lay-off of $50 \%$ of the firefighters, the Fire Chief will have complete discretion as to who will be laid off as long as he/she can demonstrate the reasons for his/her selections. Continuous time in the Department will be given the utmost consideration when these selections are made.

## CITY OF AUBURN

Auburn Firefighters Association
Local No. 797
If possible, the City will provide a two-week notice to the firefighters affected by the layoffs.

Recall - The firefighters who are laid off shall be placed on a recall list for a period of two years. Firefighters who are reduced in rank will be placed on a reinstatement list. If there is a recall, firefighters who are on the recall list shall be recalled or reinstated to their original rank in the inverse order of their lay-off or reduction in rank provided that they are presently qualified to perform the duties as determined by the Chief. The firefighters will be required maintain all certifications for the position and to take a pre-employment medical exam, substance abuse test and physical agility test to determine if he/she is physically fit to perform the essential job functions of the job. It is the responsibility of the firefighter to provide the Fire Department and the Human Resources Department with a current address and telephone number. Notice of recall will be sent to the firefighter by certified mail. The firefighter has ten (10) working days to respond to the recall notice.

No new firefighters will be hired within this one-year period unless all the laid-off firefighters have been afforded the recall.

## ARTICLE XVIII - Miscellaneous Provisions

## Section 1 - Uniform Reimbursement Policy

The City will establish a reimbursable uniform account similar to the Wellness Account. An amount equal to the following amounts will be credited to the firefighter on July $1^{\text {st }}$ of each year:

$$
\begin{aligned}
& \text { Probationary and Permanent Firefighter - } \$ 485 \text {. } \\
& \text { Captain -- } \$ 510.00 \\
& \text { Battalion Chief -- } \$ 510.00
\end{aligned}
$$

In addition to the above, the City will purchase full dress uniforms for those members of the department required to wear such uniforms at any time. The City will reimburse the firefighter $\$ 100.00$ toward the purchase of a new uniform jacket on a one-time basis only.
a. Procedures for submitting bills: The firefighter will purchase the uniforms as per the attached list and then submit the receipts to the AFD administrative office personnel. The administrative personnel will forward the receipts to the Finance Department for reimbursement to the firefighter.

# CITY OF AUBURN 

## Auburn Firefighters Association <br> Local No. 797

b. Accrual: The entire uniform credit does not have to be drawn down completely each year. Effective 6/30/16, the Firefighter may carryover the value of one year's uniform allowance from one fiscal year to next in order to purchase more expensive uniform items, but in no case may the firefighter's balance in the uniform reimbursement account exceed two years of allowance, except as specifically provided in Article XVII Separation from Department Section 5 Uniform Reimbursement. In April, the City will notify the firefighters of the current balance in the account on order that they may draw down the balance below the maximum two-year allowance. In this way, the firefighter may use the accrual from more than one year to make large infrequent uniform purchases such as structural firefighting boots. The Labor Management Committee will monitor the usage of the uniform reimbursement account. If it appears that firefighters are not drawing down the balance in the accounts over a two to three year period, then the Labor Management Committee will consider the implementation of caps on the maximum amount that can be carried over from one year to the following year (uniform accrual).
c. List of approved uniform items: The firefighter may submit receipts for reimbursement for uniform clothing as specified in the uniform policy in the AFD Employee Handbook. Items purchased through the uniform reimbursement account must meet IRS regulations in order to be tax exempt. This list is subject to change if the Department uniform policy changes.

## Section 2 - Laundry Service

Effective 7/1/14 the City will discontinue contracted laundry service and firefighter will launder department bed linens, towels, and uniforms at the stations. Firefighters will receive $\$ 100$ per firefighter per year to be used toward the purchase of personal bed linens and towels and laundry cleaning supplies. The City will continue to provide and maintain a washer and dryer at each station. The Fire Chief through Labor/Management will establish policy on items to be purchased with this account and the method of purchasing these items.

## Section 3 - Use of Wireless Internet

The City agrees to provide internet access/service in all AFD stations for use by bargaining unit employees consistent with the City's Computer Use and Support Policy.

## Section 4 - Association Meetings

The Auburn Firefighters Association shall be permitted to hold regularly scheduled meetings at the Central Fire Station, but substation firefighters shall not be called in by the

In addition to the above, the Association shall be granted the right to hold additional meetings at Central Station where such are required solely for the purpose of submitting a proposed collective bargaining agreement to the membership for ratification and to include all units at such meetings. The Chief shall be notified of any such special meetings in advance.

## Section 5 - Discipline

Employees shall only be disciplined or discharged for just cause. The employer shall have the authority to bypass any step in the discipline process that is warranted by the severity of the infraction.
a. Oral reprimand requires a written record of the oral warning given and the reason(s) therefore. Any documented oral reprimand inserted in the Employee's personnel file shall be removed after a six (6) month period.
b. Written warning requires written notification, indicating the violation, reason(s) therefore, to the employee with a copy given to the Union President. Any written warning inserted in the Employee's personnel file shall be removed after a two (2) year period with no subsequent offenses.
c. Written reprimand requires written notification indicating the violation, reason(s) therefore, to the employee with a copy given to the Union President. A written reprimand which has not previously been the subject of a hearing shall not be placed in a member's personnel file unless the member is first given the opportunity to see a copy of the reprimand. Within five (5) days thereafter, the member may file a written reply. If the Chief thereafter places the written reprimand in the member's personnel file, he/she shall also include the reply. Two years after the incident, a firefighter may submit a request to the Chief that single incidents be purged from his/her file, such request to be determined by a three-member committee composed of: The City Manager or designee, the Chief of the Fire Department, and the Association President or designee (who shall serve on the committee only at the request of the individual).
d. Suspension/Demotion requires written notification, indicating the violation, reason(s) and dates of suspension, demotion, probation, to the employee with a copy given to the Union President.
e. Discharge requires written notification, indicating the violation, reason(s) and dates of suspension, demotion, probation, to the employee with a copy given to the Union President.

If the Employer has reason to reprimand an Employee, it shall be done in a manner that will not embarrass the employee before other Employees or the public. Any disciplinary action

or measure will be governed according to Fire Department Rules and Regulations. Such discipline may be processed as a grievance through the regular grievance procedure.

## Section 6 - Indemnity

## Section 7 - Residence of Firefighters

Firefighters may live in any location. The lack of a residency requirement may be reevaluated in terms of impact on the department.

## Section 8 - Jury Duty and Court Appearances

Requirements of jury duty for firefighters shall be as outlined in the Administrative Manual of the City of Auburn, however, if the firefighter is excused by the court for any reason, he/she shall be required to return promptly thereafter unless the time of release is less than one hour of the time the firefighter tour of duty is scheduled to end.

Fire Department personnel covered by this Agreement required to make an off-duty attendance at court for purposes directly related to their work as Auburn Firefighters shall receive a minimum of three (3) hours pay at his/her regular base hourly rate for each such attendance or time and one-half $(11 / 2)$ his/her regular base hourly rate for all hours in attendance, whichever is greater. Any compensation (from other than the City) received by firefighters for attendance at any court or official hearing while on duty or if called while offduty for a work-related matter shall be paid to the City.

## Appendix A - Health Promotion Program

After the initial consultation, each member will receive at least one additional face-toface meeting annually. Such meetings will be primarily designed to be on the job site for the employees and in a private setting. Depending on the results of the health risk analysis and the goals of the member, additional meetings will be scheduled. Should a face-to-face consultation not be practical, phone and email may be acceptable alternatives.

## CITY OF AUBURN

## Auburn Firefighters Association <br> Local No. 797

The City, after consultation with the Health Care Provider and the City Wellness Team, will, at a minimum, provide monthly health related programs and topics that relate to the challenges that are facing the members. The City will continue to seek creative and meaningful ways to reward and recognize employees making progress in obtaining their individual health care goals.

## Health Care Advisory Team

The City's Wellness Team will meet regularly to assist in recommending health-related programs, adjustments to the percentage distribution and any wellness issues or concerns that may arise. There will be at least one fire fighter on the team. Though the Team may recommend changes or adjustments to the program, the City will make the final determination to either accept or reject such recommendations. Lastly, since communications is such an integral part of any successful program, the Team will serve as an information conduit to City employees to assist in keeping them apprised of ongoing health care issues.

## Health Care Management Proposal

Except as stated in Article XVII Section 1 Separation From Department, the insurance proposal is as follows: Employees' portion of health insurance premium increases from $15 \%$ to $25 \%$, effective January 1, 2021. The program's implementation date is July 1, 2021. During the first year of the program employees need only agree to participate in the program to obtain the $10 \%$ health insurance premium savings. After January 1, 2022, employees are expected to meet the specific goals by utilizing their 'best efforts' as established by the Health Care Educators to obtain the full $10 \%$ savings.

- Health Promotion Program and Health Insurance Cost Share

The employee cost share for firefighters who do not participate in the Health Promotion Program will be $25 \%$. Employees who are participating in the Health Promotion Program are expected to meet the specific goals by utilizing their 'best efforts'. The program has two goals: First, to improve the health of each employee through risk assessment and education; second, to reduce the long-term cost of health insurance for each employee and the City. As such, an employee who makes a 'best effort' but falls short of fully meeting their goals will not be penalized, providing, however, that the following three criteria are met:
a. the employee has participated in the Health Risk Assessment;
b. has made reasonable progress and improvement since the last measurement;

## CITY OF AUBURN

## Auburn Firefighters Association Local No. 797

c. has been recommended by their health care provider/educator as having made their "best effort'.

The City will meet and discuss with the Union in all cases it deems an employee to not have met this standard. Each case shall be decided on an individual basis and shall not be used as a reference in any way for any other employee.
