PREAMBLE

Whereas, the Executive Branch of the State of Maine (hereinafter referred to as "State" or "employer") and the Fraternal Order of Police, Maine State Law Enforcement Supervisor's (hereinafter referred to as FOP/MSLES) desire to establish a constructive, cooperative and harmonious relationship; to avoid any interruption or interference with the operations of the employer; to promote effective service and quality of work life towards the accomplishment of the missions of the State; and to establish an equitable and peaceful procedure for the resolution of differences;

Therefore, this Agreement by and between the parties is entered into as of February 23, 2022.

ARTICLE 1. UNION RECOGNITION

Pursuant to the Maine Labor Relations Board certification dated September 7, 1977, the State recognizes Fraternal Order of Police (FOP/MSLES) as the sole and exclusive representative for the purpose of representation and negotiations with respect to wages, hours of work and other conditions of employment for all employees included in the Supervisory Services Bargaining Unit.

In the event of a dispute between the parties as to future inclusions or exclusions from the unit resulting from the establishment of new or changed classifications or titles, either party to this Agreement may apply to the Maine Labor Relations Board for resolution of the dispute.

Employees who are employed on a seasonal basis, i.e., for regularly recurring seasonal periods of three (3) months or more, shall be covered by the provisions of this Agreement upon the completion of six (6) months employment, subject to any special provisions relating to their employment. In order to qualify, such six (6) months must be worked in not more than three (3) consecutive years and only time in pay status during such seasons shall count. Employment time of persons outside State service who are on acting capacity assignment to a seasonal position, and employment time of persons holding a seasonal intermittent position shall not count towards the completion of such six (6) months.

Part-time employees will be covered by the provisions of this Agreement after completion of six (6) months of service except for the provision for dismissal for just cause. The just cause provision for dismissal shall apply after completion of 1,040 compensated hours exclusive of overtime hours. All benefits provided to part-time employees shall be prorated to the extent required by State law.

Temporary, seasonal and on-call employees, excluded by law from the bargaining unit, include project employees, seasonal employees not covered by the preceding paragraphs, persons from outside State service who are on acting capacity assignment, and intermittent employees. Project employees are employees appointed to a project position which is restricted to a planned work program to be completed within a specified period of time and which is not regularly recurring. Intermittent employees are employees who are appointed for a period of time on a sporadic basis and who work not more than one thousand forty (1,040) hours in any consecutive twelve (12) month period beginning with the date of hire or anniversary of date of hire.

Nothing in this Article shall be interpreted as removing any rights or benefits of temporary, intermittent, project or seasonal employees provided under Title 5, M.R.S.A., Sections 7068 and 7053, Public Law 667, 1978, or any other provision of law or rule.

ARTICLE 2. ACCESS TO EMPLOYEES

FOP/MSLES shall have access to employees covered by this Agreement to carry out its legal responsibilities as a bargaining agent as provided for in this Article.

FOP/MSLES representatives will be granted reasonable access to employees during employees' working hours for the purpose of investigating and processing grievances and for the purposes of administering this Agreement. Such access will be subject to the representative providing the appropriate State representative with advance notice of the

visit. Such access will not disrupt State operations or violate agency security procedures. If access needs to be temporarily delayed for special reasons, those reasons shall be explained to the FOP/MSLES representative.

Any FOP/MSLES representative may have access to employees in this unit for the purpose of explaining FOP/MSLES programs and benefits during employees' non-working time, e.g., breaks, lunch periods and after hours, provided such access does not interfere with State operations. Such access shall be on non-work areas.

The agencies of the State shall inform FOP/MSLES of their new employee orientations and/or new hire paperwork processes and shall invite FOP/MSLES to participate in orientation or new hire meetings through a brief presentation on FOP/MSLES either in person or electronically. Each new employee, including employees who are new to an FOP/MSLES bargaining unit, shall be allowed one (1) hour of paid work time within his or her first six (6) months of employment to meet with a representative of FOP/MSLES for the purpose of explaining FOP/MSLES programs and benefits. This meeting shall be scheduled at a time approved by the employee's supervisor and shall take place in a non-work area.

ARTICLE 3. ACTING CAPACITY

1. Temporary Assignments

When an employee is assigned temporarily by his/her appointing authority to a job for which he/she is qualified in a higher pay grade for a period of five (5) days or his/her regular workweek, whichever is less, the employee shall be paid retroactively from the initial date of the temporary transfer for the duration of the temporary assignment. The employee shall be paid as if he/she has been promoted during such assignment. In no event may an employee acquire any status in a higher classification as a result of his/her temporary assignment. Acting capacity assignments shall not be made on an arbitrary or capricious basis. Employees shall not be rotated in acting capacity in an arbitrary or capricious manner in order to avoid payment of acting capacity pay.

This Article shall not be used in lieu of the proper processing of any request for reclassification or reallocation of a position pursuant to the Personnel Rules and the Reclassifications, or the filling of a vacancy pursuant to the Personnel Rules and the Seniority Article.

2. Seasonal Employees – Off Season Assignments

A seasonal employee who accepts a temporary or acting capacity assignment during his or her off season shall be eligible to accrue vacation, sick leave, and holiday benefits upon appointment to the temporary or acting capacity assignment. In this case, the vacation accrual rate will be consistent with the permanent seasonal position, making any appropriate adjustment for part-time versus full-time hours. Full-time seasonal employees shall accrue no more than the hours of sick leave provided to full-time employees under the Sick Leave article, pro-rated for part-time employees.

ARTICLE 4. APPROVAL OF LEGISLATURE

The parties agree to jointly support any legislative action necessary for the implementation of any cost items in this Agreement. If the Legislature rejects any cost items submitted to it, all cost items shall be returned to the parties for further bargaining.

ARTICLE 5. BEREAVEMENT LEAVE

Each full-time employee covered by this Agreement shall be allowed up to forty (40) hours leave with full pay, for absences resulting from the death of a spouse or significant other, or the death of a child, grandchild, parent or stepparent of either the employee or the employee's spouse or significant other, or the death of the stepchild of the employee. Employees whose regular schedule is more than eighty (80) hours in a biweekly pay period shall be allowed up to one-half of the biweekly schedule (number of biweekly hours X .5) for such paid leave. Part-time employees shall receive paid leave on a prorated basis.

Each full-time employee covered by this Agreement shall be allowed up to twenty-four (24) hours of leave with full pay for absences resulting from the death of other members of the employee's immediate family, as defined below. Employees whose regular schedule is more than eighty (80) hours in a biweekly pay period shall be allowed up to three-tenths of the biweekly schedule (number of biweekly hours X .3) for such paid leave. Part-time employees shall receive paid leave on a prorated basis.

"Other members of the immediate family" shall mean the guardian, brothers, stepbrothers, sisters, stepsisters, wards, and grandparents of the employee.

ARTICLE 6. BULLETIN BOARDS

The State shall continue to provide present bulletin board space for the use of FOP/MSLES at each work location where bulletin boards are presently provided for the purpose of posting bulletins, notices and other materials in conformance with this Article. The posting of any FOP/MSLES materials shall be restricted to such bulletin board space only except that, in each work location where bulletin board space is not provided for FOP/MSLES, the State shall designate an appropriate alternative space where such materials may be posted.

In no instance may FOP/MSLES post any material which is profane, obscene or defamatory to the State, its representatives or any individual, or which constitutes campaign material between competing employee organizations it is determined that the posting of such material would violate any obligation of the State for neutrality. FOP/MSLES is solely responsible for the accuracy and ethical standards of any material posted pursuant to this Article. The State retains the right to remove any materials in violation of this Article.

All posted FOP/MSLES materials shall be signed by an authorized representative of the Association or stamped with an official FOP/MSLES logo.

ARTICLE 7. CHILDBEARING AND ADOPTION LEAVE

Paid parental leave for childbearing and adoption shall be granted to an employee with pay for their regularly scheduled hours during a period of time not to exceed twenty eight (28) calendar days, taken continuously, beginning no later than eight (8) weeks on and directly following the birth or adoption of the child or children.

Additional childbirth or adoption leave shall be granted to an employee without salary for a period not to exceed one (1) year inclusive of any period of disability covered under the Sick Leave Article and the paid parental leave described above. Employees shall have the option of using accumulated compensating time, vacation time and/or personal leave during such period. Employees shall be allowed to retain insurance benefits during such leave. Except during any period covered by the use of compensating time or annual leave, retention of insurance benefits shall be at the employee's expense.

Employees are encouraged to consult with their agency Human Resources office to determine if they are eligible for benefits under the Federal Family and Medical Leave Act

(FMLA). Paid and unpaid leave provided for in this article may run concurrently with leave available under the FMLA.

ARTICLE 8. COMPENSATING TIME

A. Seasonal Employees at ACF, DMR and IF&W

At the end of each season, seasonal employees in the Departments of Agriculture, Conservation and Forestry; the Department of Marine Resources; and the Department of Inland Fisheries and Wildlife will be paid for any compensating time balance.

B. Law Enforcement Employees

Except where operational needs require otherwise, employees shall be entitled to use compensating time at times of their choice.

The following procedure shall be used regarding the maximum accumulation of compensating time:

1. If an employee earns compensating time which puts him/her above the maximum, the state shall pay the excess comp. time down within one month.
2. Upon mutual agreement, an agency may at any time pay an employee up to two hundred forty (240) hours of that employee's accumulated time. Such payment shall be made at the employee's hourly rate of pay in effect at the time of payment.

ARTICLE 9. COMPENSATION

A. General Salary Increase

Effective after the implementation of the State's new payroll system, the State will move to one pay cycle. In order to accomplish this, employees on cycle B will move to cycle A. Information regarding the change to one pay cycle will be communicated with employees in advance.

A. Effective with the pay week commencing closest to March 6, 2022, employees shall be provided an across-the-board-salary increase of two percent (2%) added to the base hourly rate, rounded to the nearest cent. Salary schedules shall be increased accordingly.

B. Effective during an employee's payday closest to March 6, 2022, active employees will receive a two thousand dollar (\$2000) lump sum payment, less applicable taxes and deductions. This lump sum amount will be pro-rated for seasonal and part-time employees. Intermittent employees covered by this Agreement will be eligible on a pro-rated basis based upon hours worked in the twelve months immediately prior to January 1, 2022.

C. Effective with the start of the pay week commencing closest to July 1, 2022, employees shall be provided an across-the-board salary increase of four percent (4%)

added to the base hourly rate, rounded to the nearest cent. Salary schedules shall be increased accordingly.

C. Salary Schedule Progression

Employees shall progress from step to step in salary grade on the basis of satisfactory job performance based upon established standards of performance.

Seasonal employee's initial anniversary date shall be established after being in pay status for two thousand eighty (2,080) hours. Such date shall then be used for annual performance evaluation and step progression consideration.

When an employee's anniversary date falls on any day from the first day of a pay week through Wednesday of the pay week, the employee's merit increase shall be effective as of the first day of the pay week within which the anniversary date falls. Otherwise, the merit increase shall be effective on the first day of the next pay week.

Once the HRMS has the capability and employees of an agency have been notified, merit increases earned as set forth above shall be effective on the employee's anniversary date.

Grievances arising from the denial of merit increases shall not be arbitrable under this Agreement but shall be processed as follows:

1. Within fifteen (15) workdays after an employee is notified that his or her merit increase has been denied, the employee and/or his or her union representative may grieve the denial by notifying the employee's supervisor in writing that the employee wishes to grieve it. That grievance will be heard and decided by the Agency Merit Increase Appeals Board ("Agency Appeals Board").

2. Each Department or Agency shall, jointly with MSLES, form an Agency Appeals Board when needed to hear and decide grievances regarding denial of a merit increase. MSLES and the Department or Agency shall each select one member to serve on the Agency Appeals Board. These two Board members shall mutually agree to a third Board member who shall serve as the Chair of the Board. The Board shall hear and decide the grievance within thirty (30) days of the date it is filed with the supervisor.

3. A decision of an Agency Appeals Board shall be final and binding, subject to appeal to the Director of Human Resources on the following grounds only: that the decision of the Agency Appeals Board was based upon clearly erroneous findings of fact or upon erroneous application of performance standards. An employee and/or his or her union representative may appeal the Board's decision by filing a written notice of appeal with the Director of Human Resources within fifteen (15) workdays of the date the employee and the union receive the decision. The Director of Human Resources shall hear and decide the appeal within thirty (30) days of the date of the appeal.

- c. Employees' workweeks are irregular and work hours cannot be scheduled or determined except by the employee.

2. Employees in a classification which is designated as non-standard shall be compensated at a rate of sixteen percent (16%) above the basic rates in their salary grades, except that any position that is found by the Bureau of Human Resources not to be exempt from the Fair Labor Standards Act for overtime compensation purposes shall not be designated non-standard.

3. The following classes are designated as meeting the above criteria:

Baxter Park Enforcement Ranger
Baxter Park District Ranger

Capitol Police Lieutenant
District Forest Ranger
Fire Investigations Sergeant
Game Warden Lieutenant
Game Warden Pilot Supervisor
Game Warden Sergeant

E. Call Out

Any employee who is eligible for overtime who is called out for work outside of and not continuous with his/her regular hours will be paid a minimum of four (4) hours of the employee's regular rate of pay or hours actually worked at the appropriate rate, whichever is greater. Any additionally call outs occurring within the same four (4) hour period shall be compensated for actual time worked at the appropriate rate. This section shall not apply to an employee who is called in four (4) hours or less prior to the start of his/her workday or shift and who continues to work that day or shift or to an employee held over at the end of their regular workday.

When non-standard law enforcement employees are called out for work on any of the scheduled days off they shall be granted one and one-half (1 ½) hours of compensating time for each hour worked. In lieu of compensating time, upon mutual agreement, employees may be paid one and on-half (1 ½) their regular hourly rate for each hour worked. Unless the employees are to receive pay rather than compensating time, the compensatory time shall be scheduled as soon as practicable and ordinarily will be within thirty (30) days of the day worked unless on an otherwise mutually agreed upon later day, except that the thirty (30) day period maybe extended because of seasonal high workload in the agency in which the employee is employed. If such compensating time off is not granted within six (6) months of the date the employee was scheduled to work his/her day off, the employee shall be paid in lieu of compensating time off.

F. Overtime

1. Excepting employees designated as non-standard, full-time employees in pay ranges 01 through 21 shall be paid one and one-half (1½) times the regular hourly rate of pay after actually working eight (8) hours in any day, or after their regular scheduled hours if greater, or forty (40) hours of actual work in any workweek.

The above provisions shall apply to full-time employees working alternative compressed work weeks but shall not include other alternative work schedules such as flextime schedules, etc. or part-time employees who shall be eligible for overtime after forty (40) hours of actual work in any week. In lieu of premium pay employees may, upon

mutual agreement, take compensating time at the rate of one and one-half (1½) hours of compensating time for each hour of overtime worked.

2. MSLES members who are required to work beyond 5:00 p.m. on the day preceding their scheduled days off shall be paid one and one-half (1 ½) times their regular rate of pay for all hours of work after 5:00 p.m.

3. Employees in pay ranges 22 and above who do not receive any form of overtime compensation shall receive three (3) personal leave days per year with pay, as of January 1 of each year. Employees who leave state service prior to January 30 shall not receive or be paid out any personal leave days. Employees who first become eligible for personal leave days under this Article on or after July 1 of a calendar year shall receive only one and one-half (1½) days for the year, instead of three (3). Except where operational needs require otherwise, these employees shall be entitled to take these personal leave days at times of their choice. At the end of the calendar year, unused personal leave days may be carried over and applied toward the maximum vacation accrual.

4. Employees who are not eligible for overtime under the collective bargaining agreement, but are entitled to premium overtime after forty (40) hours of actual work because they are “non-exempt” under the Fair Labor Standards Act (FLSA), may, in lieu of premium pay, upon mutual agreement, take compensating time at the rate of one and one-half (1½) hours of compensating time for each hour of overtime worked.

5. Compensating time earned by the employees described in Paragraph 4 may be accumulated up to two hundred forty (240) hours. Except where operational needs require otherwise, employees shall be entitled to use compensating time at times of their choice.

6. Any compensating time accrued by such employees will be recorded on official time reports. Such time must be used consistent with this agreement.

7. Time during which an employee is excused from work with pay under the Holidays Article, shall be considered as time worked for the purpose of computing overtime.

8. There shall be no pyramiding or duplication of compensation by reason of overtime or holiday or other premium pay provision of this Agreement. It is understood, however, that with this limitation, the method of payment which gives the greatest amount will be followed.

9. Employees of the Department of Agriculture, Conservation and Forestry, Forest Protection Division, listed below, who are covered by a written cooperative agreement between the federal government and the State of Maine for forest fire and emergency mobilization, shall be paid at one and one-half (1½) times their non-standard hourly rate of pay, if applicable by classification for each hour worked after eight (8) hours in a day or after forty (40) hours in a given week. Such payment is contingent upon the federal government's ability to reimburse the State of Maine for the overtime hours and applies only for work conducted under the applicable agreement, otherwise employees shall be compensated pursuant to the applicable bargaining agreement.

District Forest Ranger
Regional Forest Ranger
Ranger Pilot Supervisor

10. In the Maine Warden Service, once a special detail overtime opportunity has been offered on a state-wide basis and has not been accepted by any Game Warden, it will be offered to available Game Warden Sergeants on a state-wide basis.

G. Shift Differentials

A shift differential of thirty-five cents (\$.35) per hour shall be paid for shifts starting between 2:00 p.m. and 9:59 p.m. for employees regularly assigned to such shifts.

H. Double Shift Premium

An employee required to work two (2) shifts in a twenty-four (24) hour period will be paid an additional eight dollars (\$8.00) for the additional shift. This provision does not apply to employees who voluntarily work such shifts for their own convenience. The State retains the right to establish schedules which minimize the payment of the premiums provided under this provision.

I. Standby

1. Any employee who supervises employees eligible for and receiving standby pay who is specifically directed to stand by in a specific location or locations, and who is available for immediate recall duty, shall be paid at sixteen percent (16%) of his/her regular hourly rate for each hour he/she remains in standby status. Such standby pay shall not be paid for any period during the time not available when called.

2. Employees in classifications who now receive standby pay shall not lose it as a result of this provision.

J. Divers' Stipend

Those employees who are members of the SCUBA diving teams engaging in law enforcement and search and recovery dive operations shall receive an annual stipend of fifteen hundred dollars (\$1,500.00). This stipend shall be paid to employees on a semiannual basis, with half paid in January and half paid in July to eligible employees, including employees on initial probation, on the payroll at the time of the payment.

All qualified employees assigned to SCUBA diving activities shall, when actually diving in the water, including training activities, be compensated at the rate of ten dollars (\$10.00) an hour in addition to their regular hourly rate of pay. Employees shall be compensated for a minimum of one (1) hour of such work regardless of the length of the diving assignment for any assignment less than one (1) hour.

K. Longevity

1. Employees with ten (10) years but less than fifteen (15) years of continuous State service shall receive longevity pay of a total of twenty cents (\$.20) per hour to the base upon eligibility.

2. Employees with fifteen (15) years but less than twenty (20) years of continuous State service shall receive longevity pay of a total of thirty cents (\$.30) per hour

3. Employees with twenty (20) years but less than twenty-five (25) years of continuous State service shall receive longevity pay of a total of forty cents (\$.40) per hour to the base upon eligibility.

4. Employees with twenty-five (25) years or more of continuous State service shall receive longevity pay of a total of sixty cents (\$.60) to the base upon eligibility.

5. Continuous State service is defined as continuous employment, including all authorized leaves of absences since the last date of hire into a status-granting position.

L. Weekend Differential

Capitol Security Police Sergeants in the Department of Public Safety shall be eligible for a weekend differential of sixty cents (\$.60) per hour to the base for shifts beginning between 10:00 p.m. Friday and 9:59 p.m. Sunday.

M. Institutional Stipend

Employees assigned to work in Correctional and Mental Health Institutions will receive an Institutional Stipend of sixty cents (\$.60) per hour to the base.

N. Educational Incentive Stipend

All recognized MSLES members shall be eligible for an educational incentive stipend included in the regular hourly rate based upon the highest educational level attained beyond high school as follows:

Associate Degree	\$.24 per hour
Baccalaureate Degree	\$.36 per hour or \$.12 per hour after Associate Degree
Master's Degree or above	\$.48 per hour or \$.12 per hour after Baccalaureate Degree

Payment shall begin after the employee provides notice and proof of attainment of the degree.

O. Availability Pay

1. It is expected that Maine State Police Lieutenants will be called out during off duty times and will extend their shifts when required to perform duties associated with their assignments. Because of this need to be flexible, Availability Pay of two dollars and forty cents (\$2.40) per hour was added to each step of the appropriate salary schedule in January 2018.

2. It is expected that the Marine Patrol Pilot Supervisor, Game Warden Pilot Supervisor, and the Ranger Pilot Supervisor will be called out during off-duty times in order to perform duties associated with his/her assignment. Because the Marine Patrol

Pilot Supervisor, Game Warden Pilot Supervisor, and Ranger Pilot Supervisor will answer his/her telephone during off-duty weekends and will be available to respond to emergencies and operational need when possible, one dollar and twenty-five cents (\$1.25) per hour was added to each step of the appropriate salary schedule in January 2018.

P. Special Unit Pay

When on duty, Maine State Police Lieutenants will receive fifteen dollars (\$15.00) an hour for underwater recovery and tact team responses. Special Unit Pay applies to the Tact Team which includes the State Police Bomb Squad, Crisis Negotiation Team, and the State Police K-9 Unit, when tracking a criminal suspect or who are bomb dog handlers, when on a bomb call.

1. Definitions and Scope

1.1 Employees shall have the right to present grievances in accordance with the procedures prescribed in this Article.

1.2 For purposes of this Agreement, a grievance is a dispute concerning the interpretation or application of the terms or provisions of this Agreement. It is intended that this shall not mean administrative matters under the Retirement System and the Group Health Insurance Program.

2. Procedure

2.1 Step 1: Within twenty-one (21) calendar days workdays after the act or omission which gives rise to the grievance or an employee becomes aware or should have reasonably become aware that he/she has a grievance, the employee and/or his/her representative shall present the grievance in writing to his/her department or agency head. The writing shall state the nature of the grievance and the remedial action requested. The department or agency head or his/her representative may meet with the employee and/or his/her representative and shall provide the employee and his/her representative with his/her decision in writing within twenty-one calendar days of receipt of the grievance at this Step 2.

2.2 Step 2: If the grievance is not resolved at Step 1, within fourteen (14) calendar days after receipt of the written decision of the department or agency head the employee and/or his/her representative may appeal to the State Chief Counsel Office of Employee Relations by filing with him/her a written notice of appeal, together with copies of the written grievance and the Step 1 decision. The Chief Counsel Office of Employee Relations or his/her representative may meet with the employee and/or his/her representative and shall provide the employee and/or his/her representative with a written decision within twenty-one (21) calendar days of receipt of the appeal; or, if a meeting is held, within fourteen (14) calendar days after the conclusion of such meeting.

2.3 Step 3:

(a) If the grievance has not been satisfactorily resolved at Step 2, then FOP/MSLES may submit the grievance to arbitration by submitting a request for arbitration to the Chief Counsel Office of Employee Relations as well as a statement of the grievance specifying the Article, section or clause of the contract alleged to have been violated, along with the concise statement of facts surrounding the issue and the remedial action requested. The request for arbitration shall be received by the Chief Counsel Office of Employee Relations through personal service, fax, email or by mailing by registered or certified mail within fifteen (15) workdays of the receipt of the Step 3 decision.

(b) Upon receipt by the Chief Counsel Office of Employee Relations of a request for arbitration, the parties shall attempt to mutually agree upon an arbitrator. If unable to agree upon an arbitrator within five (5) workdays of receipt of the request for arbitration, the arbitrator shall be selected through the Labor Relations Connection ("LRC") in accordance with the LRC rules then in effect.

The request for arbitration along with a request for a list of arbitrators must be received by LRC within six (6) weeks of the Office of Employee Relations' receipt of the request for arbitration, in order for the LRC administration fees to be shared equally by the parties. If such request is not received by LRC by the expiration of the six (6) weeks but is received within twelve (12) weeks, FOP/MSLES shall pay the entire LRC administration fee. If a request has not been received by LRC within twelve (12) weeks of the Office of Employee Relations' receipt of the request for arbitration, FOP/MSLES will be deemed to have waived its right to appeal the Step 2 decision to arbitration.

(c) The decision of the arbitrator shall be binding consistent with applicable law and this Agreement. The arbitrator shall have no authority to add to, subtract from or modify any provisions of this Agreement. The arbitrator shall have no authority to award interest on any award. All costs of arbitration, including fees and expenses of the arbitrator, shall be divided equally between the parties, except as provided in section 2.3(b) of this Article, and except that each party shall bear the costs of preparing and presenting its own case.

(d) The arbitrator shall fix the time and place of the hearing, taking into consideration the convenience of the parties. The arbitrator shall be requested to issue a written decision within thirty (30) days after completion of the proceedings. The arbitrator shall be bound by the rules of the LRC which are applicable to labor relations arbitrations and which are in effect at the time of the arbitration. In the event of a disagreement regarding the arbitrability of an issue, the arbitrator shall make a preliminary determination as to whether the issue is arbitrable. Once a determination is made that such a dispute is arbitrable, the arbitrator shall then proceed to determine the merits of the dispute.

(e) In grievances involving discharge of an employee and/or discipline which has led to a discharge, the arbitration hearing shall be held within twelve (12) months of the submission of the demand for arbitration, unless the parties mutually agree to waive this requirement. Subsequent hearing dates, if necessary, shall be held at the earliest date(s) offered by the assigned arbitrator and which is mutually acceptable to the parties. The parties agree that in the event of a conflict in the scheduling of grievance arbitrations, grievances involving discharge and/or discipline which has led to a discharge shall have priority over all other pending grievance arbitration matters between the parties.

3. General Provisions

3.1 The State shall not deny any employee FOP/MSLES representation at any stage of the grievance procedure and FOP/MSLES shall have the exclusive right to represent employees in any grievance.

When an employee elects to pursue a grievance at Steps 1, 2 without representation, FOP/MSLES shall have the right to be present at any grievance step meeting and shall receive copies of written determinations, if any, at all stages. No resolution of a grievance shall be inconsistent with the provisions of this Agreement.

3.2 All of the time limits contained in this Article may be extended by mutual agreement of the parties and such extensions shall, in order to be effective, be confirmed in writing. The parties may mutually agree to bypass steps of the grievance procedure.

3.3 In no event can a grievance be taken to the next or any succeeding step of this procedure unless the employee and/or his/her representative meets the time limits or extensions thereof. Failure to the State and its representatives to adhere to the prescribed time limits or extensions thereof shall constitute a waiver of the applicable step and the employee and/or FOP/MSLES may proceed to the next step.

3.4 Grievances resolved at Steps 1 or 2 shall not constitute a precedent unless a specific agreement to that effect is made by the Chief Counsel Office of Employee Relations or his/her designee and FOP/MSLES.

3.5 Any grievance involving two (2) or more employees within the bargaining unit within the same department or agency may be processed jointly and shall be initiated with the most immediate common supervisor of the employees involved.

3.6 An aggrieved employee and/or his/her representative shall have the right to inspect and to obtain copies of any records, documents and other materials relevant to the grievance and in the possession of the State. The State shall have the right to inspect and to obtain copies of any records, documents and other materials relevant to the grievance and in the possession of the Union.

Relevant records and documents may be provided electronically.

3.7 An aggrieved employee and any employee's witnesses as may be reasonable shall not suffer any loss of pay and shall not be required to charge leave credits as a result of processing grievances during such employee's or witnesses' regularly scheduled working hours, provided, however, that when such activities extend beyond such employee's or witnesses' scheduled working hours such time shall not be considered as time worked. Such release time shall include up to a total of one (1) hour, per grievance meeting, to meet with an FOP/MSLES representative before and /or after a grievance meeting under this Article, but shall not be construed to include preparation of paper work, record-keeping, conferences among Association officials or preparation for representation at a grievance hearing, except as provided above.

3.8 The settlement or an award upon a grievance may or may not be retroactive as the equities of each case demand.

ARTICLE 30. HEALTH AND SAFETY

1. The State will take appropriate action to assure compliance with all of applicable laws concerning the health and safety of employees in its endeavors to provide and maintain safe working conditions. FOP/MSLES agrees to support any programs required to meet the health and safety needs of employees.

An employee may request his/her department to provide safety related equipment, clothing, devices or tools as may be required to maintain a safe working environment. Such requests, if denied, may be appealed, upon notice to the department, to the Labor/Management Committee on Safety of State Buildings, which decision shall be final and binding on the parties. In this regard, formal votes required by the Committee shall be cast as one (1) vote by labor and one (1) vote by management.

2. No employee shall be required to operate any vehicle or equipment, which he or she reasonably believes to be in an unsafe condition. In any such circumstance, the employee shall bring the matter to the attention of his/her supervisor for proper inspection and/or repair. Once the vehicle or equipment is deemed safe by the supervisor, operation shall continue.

ARTICLE 31. HEALTH INSURANCE

The State shall provide health plan coverage for employees pursuant to Title 5 §285. The State shall pay sixty percent (60%) of the cost of dependent premium for each eligible employee who selects dependent coverage.

Part-time and seasonal employees hired into permanent full-time positions will be allowed to apply for health insurance within 60 days of the permanent appointment with no evidence of insurability.

2. Any holiday falling on Saturday shall be observed on the preceding Friday and any holiday falling on Sunday shall be observed on the following Monday. Employees who work the calendar date and who are off on the observed date shall be paid the appropriate

holiday rate for the calendar date only. Employees who are off on the calendar date and who work on the observed date shall be paid the appropriate holiday rate for the observed date only. Employees who work both the calendar date and the observed date shall be paid the appropriate holiday rate for the observed day only. A reasonable attempt shall be made not to schedule an employee for both the calendar date and the observed date of a holiday. Employees who are not scheduled to work either the calendar or the observed day of the holiday shall be given either another day off within the same workweek or a day's pay at the option of the agency.

3. In addition to pay for holidays, those employees who are currently eligible for premium overtime pay shall be entitled to one and one-half (1½) times their regular hourly rate for time worked on holidays. In lieu of premium pay, eligible employees may, upon mutual agreement, take compensating time at the rate of one and one-half (1½) hours of compensating time for each hour of holiday worked. Employees not eligible for premium pay shall be paid or, upon mutual agreement, be given compensating time off at an hour for hour basis. Compensating time shall be used pursuant to the provisions of the Compensating Time Article.

4. When a non-standard law enforcement employee is required to work on a holiday, he/she will be given one and one-half (1½) times their hourly rate of pay for each hour worked. In lieu of pay, upon mutual agreement, employees will be given one and one-half (1½) hours of compensating time for each hour worked. Such time shall be accrued and used in accordance with the Compensating Time Article.

5. Holiday Pay for Part-Time Employees

Holiday pay for part-time employees will be prorated. Paid holiday hours are determined by dividing the number of authorized hours by forty (40) and multiplying by eight (8). Holiday hours to be paid are subtracted from the authorized position hours.

ARTICLE 33. HOURS AND WORK SCHEDULES

1. The basic department, agency or other operational unit work schedules and practices, including work schedules or practices peculiar to particular classes, in effect on the effective date of this Agreement, shall not be changed without the employer informing FOP/MSLES in advance and negotiating the impact of such changes, if requested, on the affected employees. Negotiations shall occur no longer than a thirty (30) day period prior to the implementation of the change. If the parties have not reached agreement within the thirty (30) day period, the obligation to bargain shall continue.

2. To the extent practicable, employees shall be scheduled in a manner that will not result in split shifts, split days off or frequent changes in work schedules. Every practical effort will be made to equitably treat employees whose jobs require that they work irregular or frequently changed hours, shifts or workweeks.

3. It is recognized that involuntary work schedule changes may have an adverse impact on employees, and the employer recognizes its obligation to avoid or minimize such adverse impact to the extent practicable. An employee will be given at least fourteen (14)

calendar days' notice prior to the effective date of the change in his/her individual schedule unless emergency or unforeseen developments preclude the possibility of such notice.

4. All time during which an employee is required to be on active duty shall be considered hours worked.

However, if conditions warrant, an employee occasionally may have to work beyond 5:00 p.m. on the day preceding the scheduled day/days off.

An employee will not be permanently reassigned or transferred for disciplinary, arbitrary or capricious reasons. Unless specific requirements dictate otherwise, transfers and reassignments shall be on a voluntary basis from among qualified employees. The most senior employee who is qualified to perform the duties of the position shall be entitled to the transfer or reassignment. If there are no qualified volunteers, the least senior qualified employee shall be transferred. In the event the least senior qualified employee has children of elementary or secondary school age, he/she shall be exempted from this provision in the event no schools are available in the new assignment area or if suitable educational arrangements for such children cannot be mutually agreed to.

Lists of employees by seniority in their current classifications within an organizational unit shall be posted on the appropriate State bulletin boards on April 1, or if April 1 is not a work day then on the first following work day, of each year and shall be provided to FOP/MSLES simultaneously. An email will also go out to agency employees

notifying them of the posted seniority lists. These lists shall be updated from time to time as necessary.

4. An employee shall lose his/her seniority if he/she:
 - (a) voluntarily resigns;
 - (b) is discharged for just cause;
 - (c) is laid off and not recalled for work within three (3) years from the date of layoff;
 - (d) fails to return to work or supply a satisfactory reason for not reporting within five (5) workdays of being recalled to work from layoff. Written notice of recall shall be sent by regular mail to the employee's last known address.
5. Layoffs and recalls to work for a period of three (3) working days or less are temporary and not subject to the provisions of this Article.

B. Layoffs

When an appointing authority determines that a reduction in force is necessary, implementation of that reduction in force will proceed as follows:

- (1) The appointing authority determines which positions, in each organizational unit and unit division, are to be abolished or funding eliminated.

- (2) The least senior employee(s) in the affected classification and unit division will be laid off. More senior employees who occupy positions that are abolished or for which funding is eliminated will be reassigned to vacancies created by these layoffs or to other available vacancies in the class and unit division. These employees will be offered their choice of vacancies into which they may be reassigned in order of seniority, provided they are qualified to perform the duties of the position they select.

- (3) If no option exists in (2), in lieu of layoff a displaced employee may accept, in order of seniority, reassignment to an available vacant position in his or her last previously held classification, regardless of changes to range, title, and/or bargaining unit of the classification since the employee left the classification, in the same unit division, provided the employee is qualified to perform the duties of the position.

- (4) If no option exists in (3) above, in lieu of layoff a displaced employee may displace, in order of seniority, the least senior employee in his or her last previously held classification, regardless of changes to range, title, and/or bargaining unit of the classification, since the employee left the classification, in the same unit division, provided he or she has greater seniority than the employee being displaced and is qualified to perform the duties of the position. The employee may also accept reassignment, in order of seniority, to an available vacancy in classifications that are lower related to the employee's current classification in the same unit division, provided the employee is qualified to perform the duties of the position.

Any employee displaced pursuant to this provision shall have like reassignment and displacement rights.

No classified employee may displace any unclassified employee. No unclassified employee may displace any classified employee except to the classification in the other service that was the last previously held.

The State and FOP/MSLES shall negotiate to establish appropriate organizational units and unit divisions. Either party may request a review of an organizational unit or unit division on a departmental basis. In the event that the parties are unable to agree to appropriate organizational units and unit divisions either party may submit the dispute at any time thereafter for a binding determination to a qualified arbitrator mutually agreed upon by the parties or selected through the American Arbitration Association or the Labor Relations Connection in accordance with the rules and procedures of that Association.

No employee other than a permanent employee, including permanent seasonal employees, shall be used to perform work in a class in the unit division while a permanent employee who is qualified to do the work is on layoff unless the laid off employee refuses the work.

C. Recalls

A recall register shall be established for each class by organizational unit or unit division, as appropriate, from which any employee has been laid off, transferred or demoted in lieu of layoff. An employee who is notified of layoff will be placed on the recall register, immediately upon receipt of written notice to the Bureau of Human Resources from the employee in the manner prescribed by the Bureau, for the class from which he or she was laid off and, when applicable, his or her last previously held classification. Any vacancy occurring in that class, or the class last previously held shall be offered first to the employee on the recall register. Recalls to work shall be made as follows:

- (1) To the most senior employee in the unit division who possesses the minimum qualifications to perform the duties of the position;
- (2) To the most senior employee in the organizational unit who possesses the minimum qualifications to perform the duties of the position;
- (3) To the most senior employee statewide who possesses the minimum qualifications to perform the duties of the position.

Employees who refuse recall to the same classification, or to the last previously held classification, for a unit division, organizational unit, or on a statewide basis, from which he or she was laid off or to which they have recall rights shall be removed from the appropriate recall register.

D. Filling of Vacancies

In the event of a vacancy in a direct hire position, positions shall be filled on the basis of: first, ability and qualifications to perform the duties of the classification and second, where the "first" is equal among two or more employees, seniority will govern.

All job vacancies shall be posted in the applicable department, agency, organizational unit or unit division for ten (10) workdays. Notice of vacancies shall include the full particulars of the positions, including a job description, job location, pay rate, required qualifications and requirements for applying. Any employee wishing to be considered for the applicable position shall file a written, dated application with his/her appointing authority or designee within the posting period. Employees in a department or agency who are in the same classification who apply for transfer into a vacancy shall be

offered the opportunity to interview for such vacancy. Job posting notices shall indicate the name and title of the person to whom applications should be submitted. Seasonal and part-time employees shall have the right to apply for full-time vacancies and shall be given consideration in accordance with their abilities, qualifications and seniority.

Upon promotion an employee shall be entitled to return to his/her former position voluntarily within thirty (30) days of promotion; otherwise voluntary demotion rules will apply. If an employee exercises these return rights, the State at its discretion may hire consistent with the other terms of this article, from the previous group of applicants rather than repost the position. Employees promoted under the provisions of this Article will be in a probationary status for a period of six (6) months from the effective date of the promotion. Such probationary period may be extended for just cause for an additional six (6) months. During such period the employee may be removed from the position promoted to for failure to fulfill the duties of the position. In such case he/she shall be returned to his/her former position if the employee so desires. An employee filling a position created by the promotion shall be likewise entitled to return to his/her former position.

No grievance may be filed by or on behalf of a candidate with less seniority than the selected candidate, if the grievance alleges that the senior candidate was selected in violation of the provisions of this Article.

E. Promotions, Demotions and Transfers

An employee who promotes to a position in a higher pay grade shall have his/her rate of pay adjusted to the lowest rate in the new grade which is at least five percent (5%) higher than the rate in the class from which promoted. The percentage will be calculated as five percent (5%) of the base rate plus the following pay premiums, when applicable: scheduled overtime (when part of an employee's negotiated work schedule; if an employee promotes into a position with more scheduled overtime than the promoted-from position, the extra scheduled hours shall not count towards the five percent (5%) pay increase; for example, when an employee promotes from a position with 2.5 hours of negotiated scheduled overtime to a position with 4.0 hours of negotiated scheduled overtime, calculations will be based on 2.5 hours of scheduled overtime for both positions); medication administration stipend; appropriate state-paid retirement differential. Notwithstanding the foregoing, the Director of the Bureau of Human Resources may consider exceptions pursuant to Civil Service Rules.

An employee who demotes to a lower pay grade shall have his/her rate of pay adjusted to the highest rate in the new pay grade which is lower than the rate of the class from which the employee left, considering the same pay components listed above.

When an employee transfers (remains in the same pay grade) and remains within the same or equivalent salary schedule, his/her rate of pay will remain the same.

When an employee transfers (remains in the same pay grade), but moves from one salary schedule to another dissimilar salary schedule, his/her rate of pay will be adjusted to the closest step in the new salary schedule that does not result in a loss of pay, considering the same pay components listed above.

When an employee transfers (remains in the same pay grade) from any other bargaining unit to the Supervisory Services bargaining unit, his/her rate of pay will be adjusted to one step higher than the closest step in the new salary schedule that does not result in a loss of pay, considering the same pay components listed above.

Determining the appropriate salary step upon promotion, demotion, or transfer may not result in a salary that is greater than the maximum or less than the minimum rates established in the salary schedule for the new classification.

An employee who transfers to another position must remain in that position a minimum of six (6) months before he/she is eligible to apply for another transfer. This requirement does not apply to seasonal employees.

Notwithstanding the above, Maine Sergeants promoted to Maine Lieutenants shall be placed at salary step 8.

F. Permanent Seasonal Employees

The provisions of this Article shall apply to seasonal employees covered by this Agreement but in a separate seniority, layoff, reassignment, displacement and recall track, for their respective seasons, except that for seasonal positions of fifteen (15) weeks or less in the Department of Agriculture, Conservation and Forestry the exercise of all rights are limited to the unit division. Permanent employees laid off from their permanent position shall be entitled to return to previously held permanent seasonal positions. For purposes of this Article, when a seasonal employee moves from the seasonal track to the year-round track, seniority calculations shall be converted to reflect actual time worked in the seasonal position. Seniority credits for the purpose of this conversion shall be calculated in weekly increments. Any time worked within a given week shall be recognized as a full week.

Once a permanent seasonal employee who accepts a second seasonal position during his or her off season passes probation in the second seasonal position, performance review and salary review dates shall revert to those tied to the initial permanent seasonal position. Such employee shall have his/her seniority, adjusted service, and longevity dates tied to the initial permanent seasonal position, with credit for time in the second seasonal position.

G. Part-Time Employees

Separate track seniority systems for layoff, reassignment, displacement and recall purposes shall be implemented for full-time and part-time employees. Full-time employees will only be given options in full-time positions. Part-time employees will only be given options in part-time positions.

Full-time positions shall be defined as any position regularly scheduled for forty (40) or more hours per week.

If an employee is the least senior employee in his or her classification and unit division, he or she shall be given the options prescribed in section B of this Article in the other track, provided the employee has previously held that classification in the other track with the agency.

For purposes of this Article, when a part-time employee moves from the part-time track to the full-time track, seniority calculations shall be converted to reflect actual time worked in the part-time position. Seniority credits for the purpose of this conversion shall be calculated according to the employees scheduled workweek. Any time worked within a given week shall be recognized as a scheduled workweek.

Recall rights shall be limited to the track from which the employee is initially laid off, displaced, reassigned or demoted in lieu of layoff.

H. Positions Outside Bargaining Unit

An employee in the bargaining unit as of the effective date of this Agreement in a position in a class covered by this Agreement but who becomes excluded pursuant to Section 979-A(6)(C) of the State Employees Labor Relations Act and an employee who by way of a promotion through a normal career ladder is in a classified position excluded from the bargaining unit pursuant to Section 979-A(6)(B) or Section 979-A(6)(D) of the State Employees Labor Relations Act and any other employee promoted through a normal career ladder to a position outside of the bargaining unit shall have the same layoff, seniority, displacement, recall and other rights under this Article for return to a position in the bargaining unit as a covered employee would have if the exercise of those rights is occasioned by a layoff.

Employees covered by previous FOP/MSLES Agreements in any status described above shall continue to have such rights for return to a position in the bargaining unit as described above.

Otherwise, employees excluded from bargaining units pursuant to the State Employees Labor Relations Act shall have no rights under this Article within the bargaining unit.

I. Health Insurance Coverage for Laid Off Employees

The State agrees to provide laid off employees with group health insurance at the employee's expense for one (1) year provided that the employee is unemployed. Premiums are to be paid directly to the insurance carrier. Failure to make payments would result in cancellation of insurance with no conversion privileges.

J. Short-Term Seasonal Positions

Short-term seasonal position vacancies of fifteen (15) weeks or less duration shall not require posting as a method of filling the vacancy.

ARTICLE 54. SEVERABILITY

In the event that any Article, section or portion of this Agreement is found to be invalid or unenforceable by final decision of a tribunal of competent jurisdiction, or shall have the effect of a loss to the State of funds or property or services made available through federal law, then such specific Article, section or portion specified in such decision or which is in

such conflict or having such effect, shall be of no force and effect. Upon the issuance of such decision, if either party requests, the parties shall negotiate a substitute for such specific Article, section or portion thereof, provided that the remainder of this Agreement shall continue in full force and effect. The parties agree to use their best efforts to contest any such loss of federal funds which may be threatened.

ARTICLE 55. SHIFT ASSIGNMENTS

When an opening occurs in a shift assignment in an appropriate work group at a location, preference shall be given to employees within the classification who possess the training, ability and any required special qualifications to perform the work required, on the basis of seniority. In the event that no employee desires a shift assignment, employees shall be selected in order of inverse seniority.

This provision shall not apply to necessary training assignments. This provision shall not in itself alter the practice of rotating shifts where such practice presently exists. No employee, who has a regular shift assignment on the effective date of the Agreement, shall be involuntarily displaced from such shift assignment as a result of this Article.

ARTICLE 56. SICK LEAVE

1. Sick leave credit shall be earned at the rate of one (1) day per calendar month of service. The current practices concerning the earning of sick leave credits shall be continued. Sick leave shall be earned from the employee's date of employment. Sick leave credit shall be earned for any month in which the employee has been in pay status for ten (10) or more workdays or eighty (80) hours. A part-time employee shall earn sick leave in the same proportion as his/her part-time service bears to full-time service. An employee may accumulate unused sick leave up to a maximum of one hundred and twenty (120) days. Employees currently with lapsed sick leave credits shall have such lapsed sick leave added to their accumulated sick leave up to the maximum allowable accumulation of one hundred and twenty (120) days. However, the amount of unused sick leave accruals which can be credited towards State service for retirement purposes shall be ninety (90) days. When the maximum limitation has been accumulated, days that would normally thereafter be earned shall lapse but shall be recorded by the appointing authority. Any employee who has such lapsed sick leave to his/her credit may apply to the Director of Human Resources to have the sick leave restored in the event of an extended illness. The Director of Human Resources at his/her discretion may authorize restoration of all or any part of the lapsed sick leave after thorough investigation, including complete medical reports of the illness requiring the continued absence of the employee.

2. Sick leave may be used for illness, necessary medical or dental care, or other disability of the employee or a member of the employee's immediate family which requires the attention or presence of the employee. Immediate family as used in this Article shall mean the spouse or significant other, the parents of the spouse or significant other, the children of the spouse or significant other, the parents, stepparents, guardian, children, stepchildren, brothers, stepbrothers, sisters, stepsisters, wards, grandparents and grandchildren of the employee. For the purposes of this Article, "significant other"

means that a relationship exists between two people, neither of whom is married, that is intended to remain indefinitely and where there is joint responsibility for each other's common welfare, there are significant shared financial obligations, and they must be living together in a shared primary residence. This relationship must have existed for at least six (6) continuous months before benefits under this Article may be provided.

Employees are encouraged to consult with their agency/department Personnel Officer to determine if they are eligible for benefits available under the Federal Family and Medical Leave Act. A medical examination or doctor's certificate may be required on account of use of sick leave for five (5) or more consecutive workdays, or because of repeated absences on days preceding or days following a holiday or weekend. When a medical examination or doctor's certificate is required on account of use of sick leave in excess of five (5) consecutive workdays, the State shall pay the difference between the cost of obtaining such certificate and the amount covered by insurance.

3. Notifications of absence under the provisions of this Article shall be given as soon as possible on the first day of absence or as soon thereafter as circumstances permit.

4. Upon application of an employee, a leave of absence without pay may be granted by an appointing authority for a period of disability because of sickness or injury. If the appointing authority denies the requested leave, it shall state its reason in writing. The appointing authority may, from time to time, require that the employee submit a certificate from the attending physician or a designated physician. If a certificate from a physician other than the attending physician is required, the State shall pay the difference between the cost of obtaining such certificate and the amount covered by insurance.

5. An employee who is transferred to the jurisdiction of another appointing authority or who accepts employment under the jurisdiction of a new appointing authority without interruption of service to the State shall retain his/her accumulated unused sick leave credits.

6. A former State employee who is reappointed within four (4) years of his/her separation may have his/her previously accumulated and unused balance of sick leave revived and placed to his/her credit upon approval of the new appointing authority.

7. Any employee returning from layoff, including seasonal employees covered by this Agreement, shall have the unused sick leave accrued as of the time of layoff restored upon his/her reinstatement.

8. A seasonal employee who accepts another seasonal position during his or her off season may use sick leave accrued in either position, regardless of which position the employee is serving in at the time of the use.

[Effective upon implementation of an Automated System]

ARTICLE 56. SICK LEAVE

1. Sick leave credit shall be earned at the rate of 3.7 hours per completed two-week pay period of service. The current practices concerning the earning of sick leave credits shall be continued only for those employees regularly scheduled to work in excess of forty (40) hours per week and only for as long as they are so scheduled. Sick leave shall be earned from the employee's date of employment. Sick leave credit shall be earned for

any pay period in which the employee has been in pay status for five (5) or more workdays or forty (40) hours. A part-time or intermittent employee shall earn sick leave as follows: a part-time or intermittent employee shall earn .04625 hours of sick leave for each hour in pay status per two-week pay period. For part-time employees, "hours in pay status" shall be an employee's regularly scheduled budget authorized hours. An employee may accumulate unused sick leave up to a maximum of nine hundred sixty (960) hours. However, the amount of unused sick leave accruals which can be credited towards State service for retirement purposes shall be seven hundred twenty (720) hours. For part-time or intermittent employees, the maximum accumulation of sick leave and the amount of unused sick leave which can be credited toward State service for retirement purposes shall be a percentage of nine hundred sixty (960) hours and seven hundred twenty (720) hours, respectively, equal to ten percent (10%) for each eight (8) hours in pay status per two-week pay period. When the maximum limitation has been accumulated, days that would normally thereafter be earned shall lapse but shall be recorded by the appointing authority. Any employee who has such lapsed sick leave to his/her credit may apply to the Director of Human Resources to have the sick leave restored in the event of an extended illness. The Director of Human Resources at his/her discretion may authorize restoration of all or any part of the lapsed sick leave after thorough investigation, including complete medical reports of the illness requiring the continued absence of the employee.

2. Sick leave may be used for illness, necessary medical or dental care, or other disability of the employee or a member of the employee's immediate family which requires the attention or presence of the employee. Immediate family as used in this Article shall mean the spouse or significant other, the parents of the spouse or significant other, the children of the spouse or significant other, the parents, stepparents, guardian, children, stepchildren, brothers, stepbrothers, sisters, stepsisters, wards, grandparents and grandchildren of the employee. For the purposes of this Article, "significant other" means that a relationship exists between two people, neither of whom is married, that is intended to remain indefinitely and where there is joint responsibility for each other's common welfare, there are significant shared financial obligations, and they must be living together in a shared primary residence. This relationship must have existed for at least six (6) continuous months before benefits under this Article may be provided.

Employees are encouraged to consult with their agency/department Personnel Officer to determine if they are eligible for benefits available under the Federal Family and Medical Leave Act. A medical examination or doctor's certificate may be required on account of use of sick leave for five (5) or more consecutive workdays, or because of repeated absences on days preceding or days following a holiday or weekend. When a medical examination or doctor's certificate is required on account of use of sick leave in excess of five (5) consecutive workdays, the State shall pay the difference between the cost of obtaining such certificate and the amount covered by insurance.

3. Notifications of absence under the provisions of this Article shall be given as soon as possible on the first day of absence or as soon thereafter as circumstances permit.

4. Upon application of an employee, a leave of absence without pay may be granted by an appointing authority for a period of disability because of sickness or injury. If the appointing authority denies the requested leave, it shall state its reason in writing. The appointing authority may, from time to time, require that the employee submit a certificate

from the attending physician or a designated physician. If a certificate from a physician other than the attending physician is required, the State shall pay the difference between the cost of obtaining such certificate and the amount covered by insurance.

5. An employee who is transferred to the jurisdiction of another appointing authority or who accepts employment under the jurisdiction of a new appointing authority without interruption of service to the State shall retain his/her accumulated unused sick leave credits.

6. A former State employee who is reappointed within four (4) years of his/her separation may have his/her previously accumulated and unused balance of sick leave revived and placed to his/her credit upon approval of the new appointing authority.

7. Any employee returning from layoff, including seasonal employees covered by this Agreement, shall have the unused sick leave accrued as of the time of layoff restored upon his/her reinstatement.

ARTICLE 57. STATE VEHICLES AND EQUIPMENT

1. No employee shall be required to operate any State vehicle or equipment which is unsafe. An employee shall not be subject to any penalty or disciplinary action because of failure or refusal to operate or handle any equipment which he/she reasonably believes to be in unsafe condition. In any such circumstance an employee shall call the matter to the attention of his/her supervisor for proper action.

2. Other than motor vehicles, and except where employees have traditionally supplied their own tools, all employees shall be provided such equipment and tools as are reasonably necessary for their jobs.,

3. Effective the signing of this Agreement, the State agrees to insure or indemnify each bargaining unit member for personal liability up to a total amount of three hundred thousand dollars (\$300,000) per occurrence for the personal use of a State vehicle which is authorized by this Article. The State also agrees to provide comprehensive coverage, with a fifty dollar (\$50.00) deductible, and collision coverage, with a one hundred dollar (\$100.00) deductible, for the personal use of a State vehicle which is authorized by this Article.

(b) Whenever a State vehicle is used by a member during a non-duty status, the member must assume an "on duty" status for the communication and operational purposes.

(c) Expenses incurred for gasoline, oil and other costs as the result of using a State vehicle under this section shall be borne by the member involved.

(d) The use of State vehicles within the provisions of this section shall be restricted to occasions that involve necessary personal business or emergencies. Such use shall be kept at an absolute minimum.

6. Employees of the Warden Service in the Department of Inland Fisheries and Wildlife shall not be subject to the provisions of this Article on the use of vehicles while on duty status or when not on scheduled duty status, but instead shall continue to be subject to the provisions of Inland Fisheries and Wildlife Policy #33 - Personal Use of State Owned Vehicles and Equipment.

7. In addition to present practice, Forest Rangers with assigned State vehicles may use such vehicles for transportation to work from their residences and return.

8. The State agrees to reimburse each Maine State Police Lieutenants five dollars (\$5.00) per week towards the cost of keeping his/her assigned state vehicle clean and presentable to the public. 3. FOP/MSLES is solely responsible for processing any change to membership status.

4. FOP/MSLES shall promptly notify the State of any validly executed membership application or request to drop membership.

New employees eligible upon completion of six (6) months service may also have such payroll deduction during their initial six (6) month period. The employee's written authorization for payroll deductions shall contain the employee's name, agency in which employed, and work location. Employees who are regularly assigned to workweeks that exceed forty (40) hours shall accrue vacation credits on a prorated basis. This does not apply to employees who are designated as non-standard.

Part-time employees shall earn vacation credits at the higher rates after having worked for the State for the required number of calendar years specified above, such credit to be earned in the same proportion as their part-time service bears to full-time service. Seasonal employees shall earn vacation credits at the higher rates after having worked for the State on a seasonal basis during the required number of calendar years specified above regardless of the number of hours or days worked during those calendar years. Other practices concerning the earning of vacation credits shall be continued.

2. Except where operational needs require otherwise, employees shall be entitled to use vacation leave credits at times of their choice. Requests for use of vacation leave credits shall not be unreasonably denied. In scheduling vacations, choice of time shall be governed by seniority. All eligible employees within each appropriate work group desiring vacations for periods of a week or more during the months of June, July and August will choose such vacation periods prior to May 1. In the event of conflict among employees in scheduling such vacation leave, seniority shall govern. Later requests for vacation during June, July and August can be granted subject to operational needs.

3. Except in cases of extreme emergency, no employee shall be required to work during vacation.

4. Time during which an employee is excused from work because of holidays or other leave with pay shall be considered as time worked for the purpose of computing vacation leave credit.

5. Employees with less than fifteen (15) years of continuous State service shall be entitled to accumulate thirty-two and one-half (32½) days of unused vacation leave and shall be compensated for accumulated vacation leave credits upon termination of State service. Employees with fifteen (15) years or more of continuous State service shall be entitled to accumulate forty-two and one-half (42½) days of unused vacation leave, for which

they shall be paid upon separation. However, a maximum of thirty (30) days pay of unused vacation shall be credited towards an employee's average final compensation upon retirement.

6. An employee who is transferred to another appointing authority without interruption of his/her services to the State shall be entitled to transfer his/her unused vacation credits or be paid for all or part of such credits and transfer the remainder.

7. Seasonal employees shall be entitled to carry over from one season to the next accumulated vacation credits up to the amount of one season's accumulation. The maximum which may be carried over is one-half (½) the regular maximum allowable accumulation. The State retains the right to determine the length of seasons.

8. A seasonal employee who accepts another seasonal position during his or her off season shall earn vacation at the rate that is higher between the two seasonal positions. Vacation time earned while serving in either position may be used for either position.

The maximum which may be carried over is one-half ($\frac{1}{2}$) the regular maximum allowable accumulation. The State retains the right to determine the length of seasons.

9. A seasonal employee who accepts another seasonal position during his or her off season shall earn vacation at the rate that is higher between the two seasonal positions. Vacation time earned while serving in either position may be used for either position.

ARTICLE 62. WITHDRAWAL OF RESIGNATION

An employee may resign in good standing by giving written notice to his/her appointing authority at least seven (7) calendar days in advance of the effective date of his/her resignation. Such an employee may, with the approval of his/her appointing authority, withdraw his/her resignation up to ten (10) calendar days after the effective date. Such approval shall not be unreasonably denied. An employee who fails to give written notice to his/her appointing authority at least seven (7) calendar days in advance of the effective date of his/her resignation may not withdraw that resignation.

ARTICLE 63. WORK CLOTHING

The State shall continue to furnish foul weather gear and work clothing. The State shall be responsible for continuing to provide laundering of work clothing where such service is being provided as of the effective date of this Agreement.

ARTICLE 64. WORK RULES

The State may change or adopt work rules during the term of this agreement but such changed or adopted work rules shall not be inconsistent with the terms and provisions of this Agreement. Whenever such work rules are to be changed or adopted, they shall be posted on bulletin boards in the appropriate organizational units for seven (7) days before they are to become effective. Simultaneously with such posting a copy of same shall be forwarded to FOP/MSLES. Upon request by FOP/MSLES the State will meet and consult with FOP/MSLES on the proposed changed or new rules.

ARTICLE 65. WORK STOPPAGE AND SLOWDOWN

Employees within the bargaining unit, FOP/MSLES and its officers at all levels, agree that they will not instigate, promote, sponsor, condone or engage in any work stoppage, sympathy work stoppage or slowdown.

"Work stoppage" means a concerted failure by employees to report for duty, a concerted absence of employees from work, a concerted stoppage of work or a concerted slowdown in the full and faithful performance of duties by a group of employees.

The officers of FOP/MSLES, at all levels individually and collectively, agree that it is their continuing obligation and responsibility to maintain compliance with this Article, including the remaining at work during any interruption or slowdown of work which may take place.

ARTICLE 66. WORKERS' COMPENSATION

The State shall make every possible effort to promptly pay all compensation awards in accordance with the decisions of the Workers' Compensation Commission. Upon each award of the Workers' Compensation Commission, interest shall be assessed from the date on which the petition is filed at a rate of six percent (6%) per year, provided that if the prevailing party at any time requests and obtains a continuance for a period in excess of thirty (30) days interest will be suspended for the duration of the continuance. From and after the date of the decree, interest shall be allowed at the rate of ten percent (10%) per year.

Where an employee has been unable to work for one (1) year, the employee may be terminated from his or her position. Such termination shall not be considered disciplinary in any way. If the employee later becomes capable of performing the job duties of the position from which he/she was terminated, the employee may return to that position if it is vacant. If that position is filled, unfunded, or no longer exists, then the employee shall be entitled to be placed in a vacant position, or the next available position if no such vacancy exists in the same classification within the department or agency and for which the employee is qualified, and shall be treated as if on layoff status.

Prior to possible termination after one (1) year on compensation, an employee will receive at least a ninety (90) day notification of the termination process and, at the same time, will be requested to provide an updated, current medical report which assesses his/her ability or tolerance to return to his/her last position. Should the medical report indicate potential fitness to return to work in the position formerly held within six (6) months of the employee's one (1) year date on workers' compensation, the termination date will be projected ahead to the specified date in the medical report, but in no case, for a period of more than six (6) months on a "one time only basis". The termination date will then become the date established beyond the one (1) year anniversary and will become the automatic date of termination unless the employee returns to work able to perform the duties of the job. However, reasonable accommodations will be made for employees who are disabled.

If an employee who is terminated pursuant to this Article is eligible for and makes application for disability retirement, the State shall continue to provide the employee's group health insurance and shall continue to pay the cost of the employee's coverage, as well as sixty percent (60%) of the dependent coverage, until the employee receives his/her first disability retirement check or until six (6) months after the termination, whichever occurs first.

In the event that any employee who has been terminated pursuant to this Article regains a work capacity and returns to work, the employee shall not lose the benefit of any

prior years of State service immediately preceding his/her termination, for purposes of seniority, vacation accrual rate, restoration of sick leave credits, and longevity pay.

ARTICLE 67. TERM OF AGREEMENT

This Agreement shall be effective from, unless otherwise specifically provided herein. Either party shall give sixty (60) days' written notice of a desire to negotiate a new collective bargaining agreement or to modify this Agreement.

Provided, however, that the terms and conditions of this Agreement shall remain in full force and effect after the expiration date of this Agreement and during the period of collective bargaining negotiations for a new Agreement, until such time as a new Agreement is arrived at, except that if either party desires to terminate the Agreement after the Agreement's expiration date, it may provide written notice to the other party following the expiration date and not less than sixty (60) days prior to the desired termination date.
