

Public Witness Hearing Versant Power Distribution Rate Case Wednesday, May 26, 2021 6:00 PM EDT

Thank you for your interest in testifying in the Public Witness Hearing for Versant Power's Distribution Rate Case.

To give public testimony, please join the meeting audio by dialing **(866)220-2985**.

An operator will answer the call and ask for the **Conference ID number: 8129527**

The operator will then ask the following:

- First and last name and spelling
- City or Town where you live
- Whether you are a customer of Versant Power

Once you have answered these questions, you will be placed on hold and you will hear music until the public hearing begins. Your hold time will vary depending on how early you dial in and how many people are planning to testify. Please be patient and we will get to everyone.

At the beginning of the hearing, callers will be invited to be sworn in as a group, meaning that you promise your testimony will be honest and truthful to the best of your knowledge. You may choose not to be sworn in, in which case what you say will not become part of the official record of the case and may not be

considered by the Commissioners when they decide the case's outcome. Please keep in mind your testimony is considered public and members of the public and/or media may also be listening.

The Chairman will begin the hearing with an introduction, which you will be able to hear but you will be muted.

Once the Commission begins the public testimony you will be instructed to **(Press *1)** to indicate your desire to speak. Speakers will be placed in queue and will be called upon by an operator in the order they enter the queue. Your phone will be muted until it is your turn. Please be sure that your phone is not muted on your end.

The operator will let you know when it's your turn to speak and will introduce you to the Commission. Next, please state your first and last name. If there are many people seeking to testify, time limits may be imposed out of fairness to all. Stay tuned after speaking for any questions the Commission may have for you.

You will lose your place in the queue if you are not present when called and will be removed from the queue.

If you miss your turn when your name is called, you must PRESS *1 on your telephone to re-enter the speaking queue.

If you have any questions or problems, please contact Harry Lanphear at Harry.Lanphear@maine.gov or Susan Faloon at Susan.Faloon@maine.gov.
