

STATE OF MAINE  
PUBLIC UTILITIES COMMISSION

Docket No. 2003-370

June 26, 2003

BANGOR HYDRO-ELECTRIC COMPANY  
CENTRAL MAINE POWER COMPANY  
Request for Approval of Standard Form  
Contracts (Revisions to Agreement)

ORDER APPROVING  
REVISIONS TO STANDARD  
OFFER STANDARD FORM  
CONTRACT

WELCH, Chairman; NUGENT and DIAMOND, Commissioners

---

On May 21, 2003, Central Maine Power Company (CMP) filed proposed revisions to the Standard Offer Standard Form Contract and to its exhibits. CMP indicated that the proposed revisions are of a housekeeping nature, such as changing dates and providing correct references to NEPOOL requirements.

On May 30, 2003, Bangor Hydro-Electric Company (BHE) filed proposed revisions to its exhibits to the Standard Form Contract. Except for a proposed change to the uncollectible amounts, BHE's revisions are also of a housekeeping nature. BHE proposes to reduce the uncollectible amount for the large class from 0.21% to 0.02% to reflect more recent experience.

I have reviewed the proposed changes to the language of the contract and exhibits and find them to be reasonable. I also conclude that BHE's proposed change to the uncollectible amount for the large class is generally consistent with recent write-off levels for the class. Accordingly, I approve revisions proposed by CMP and BHE.
