

MAINE PUBLIC UTILITIES COMMISSION

FILING INSTRUCTIONS FOR ANNUAL FINANCIAL PUC REPORTS

The Commission uses an electronic Case Management System (CMS) for all filings including annual reports. **Annual Revenues must be submitted by April 1, 2023. Extensions until May 1, 2023 may be granted to file the completed report; requests for extensions should be sent by email to Lucretia.Smith@maine.gov no later than March 29, 2023. Paper copies of the annual report should not be sent to the Commission.**

The reports are not web based but in Excel format -- the report templates, as well as a copy of these instructions and the cover letter sent are available on the Commission's web site at: <https://www.maine.gov/mpuc/online-services/annual-financial-reports-templates>. **The reports must be filed in Excel format.** Please include the utility name as part of the file name to help those who may open multiple reports – (i.e. ABC Utility 2022 Annual PUC Report)

A. Registration (if you have already registered, go to Step B – Submitting Annual Report

In order to file the annual report in CMS, the person actually submitting the report must become a registered user in our system. You may register at: <https://mpuc-cms.maine.gov/CQM.Custom.WebUI/Registration/UserRegistrationForm.aspx>

• Fill in the fields noting the following guidelines:

- Required fields are denoted by red asterisks.
 - User IDs must be at least 8 characters long and cannot have spaces
 - Passwords must be at least 8 characters long and must include numbers, at least one Upper Case Letter, and at least one special character
 - The first Company/Organization field is the company you work for – for example ABC Consulting which may not be the company you represent for PUC purposes
 - The Representing Company/Organization field is for the company for which you are submitting an annual report. To populate your profile with the company or companies that you represent, click the “Add” hyperlink. The window allows you to add criteria to shorten the list to select from, such as utility type, the first few letters of the company name, etc. Check the box next to the company you wish to add and click on the select button.
 - You may add more than one company or organization. You may return to the screen in the future to add more companies/organizations or to remove them.
- After submitting your registration, you will receive an email notification with a hyperlink and instructions. If you do not receive this email, please check your junk mail for an email from MPUC-CMSnotification. You must go to the hyperlinked page and confirm your registration. If clicking on the hyperlink does not work in your email system, copy and paste it into your browser’s URL field to go to the confirmation screen. You are now registered to submit documents into CMS.

C. Troubleshooting

- In some cases, a small window will open up in back of the larger browser window – if you click on "Attach document" and nothing seems to happen, minimize the larger screen or look to the bottom of your screen to see if there is another window opened
- If the utility company is not in the list for you to choose from check your profile to ensure that you have included that Company as one you are representing
