| 2022-00101         | Pending |                  | 1 IDEXX Drive PV | Westbrook | ME    | IDEXX OPERATIONS, INC | 0.2               | Solar Photovoltaic | Yes        | Yes         | N/A      |

**NOTES:**

Class I/IA facilities are generally also Class II eligible. Many of the facilities on this list as well as others that are not on this list are Class II eligible.

(1)Where there is a discrepancy between NEPOOL GIS or NARs listing and the MPUC certification, the MPUC certification value is the one listed. Some facilities may not be in operation.
