INSURANCE INFORMATION FOR OWNED BUILDING

Agency Contact Name:	Your Agency:			
Exact Street Address of premise ':	Agency Contact Name:	Contact Phone:		
Building property name:		Contact Fax:		
Check the type of construction that best describes the building: (1) Combustible (typically wooden buildings) (2) Masonry structures with combustible frames or interiors (4) Masonry structures with masonry or metal framing (5) Buildings with a 1 to 2 hour fire resistive rating (6) Buildings with a 2 or more hour fire resistive rating (6) Buildings with a 2 or more hour fire resistive rating (7) Masonry structures with masonry or metal framing (8) Buildings with a 1 to 2 hour fire resistive rating (8) Buildings with a 2 or more hour fire resistive rating (8) Buildings with a 2 or more hour fire resistive rating (8) Buildings with a 2 or more hour fire resistive rating (8) Buildings with a 2 or more hour fire resistive rating (8) Buildings with a 2 or more hour fire resistive rating (8) Buildings with a 2 or more hour fire resistive rating (8) Buildings with a 2 or more hour fire resistive rating (8) Buildings with a 2 or more hour fire resistive rating (8) Buildings with a 2 or more hour fire resistive rating (8) Buildings with a 2 or more hour fire resistive rating (8) Buildings with a 2 or more hour fire resistive rating (8) Buildings with a 2 or more hour fire resistive rating (8) Buildings with a 2 or more hour fire resistive rating (8) Buildings with a 2 or more hour fire resistive rating (8) Buildings with a 2 or more hour fire resistive rating (8) Buildings with a 2 or more hour fire resistive rating (8) Buildings with a 2 or more hour fire resistive rating (8) Buildings with a 2 or more hour fire resistive rating (8) Buildings with a 2 or more hour fire resistive rating (9) Buildings with a 2 or more hour fire resistive rating (9) Buildings has a central station finite fire resistive rating (9) Building has a central station smoke detection system: yes yes	Exact Street Address of premise ¹ :			
(1) Combustible (typically wooden buildings) (2) Masonry structures with combustible frames or interiors (3) Metal structures (all metal roof, frame and walls) (6) Buildings with a 2 or more hour fire resistive rating (6) Buildings with a 2 or more hour fire resistive rating (7) Buildings with a 2 or more hour fire resistive rating (8) Buildings with a 2 or more hour fire resistive rating (8) Buildings with a 2 or more hour fire resistive rating (8) Buildings with a 2 or more hour fire resistive rating (9) Buildings with a 2 or more hour fire resistive rating (1) Buildings with a 2 or more hour fire resistive rating (1) Buildings with a 2 or more hour fire resistive rating (1) Buildings with a 2 or more hour fire resistive rating (1) Buildings with a 2 or more hour fire resistive rating (1) Buildings with a 2 or more hour fire resistive rating (1) Buildings with a 2 or more hour fire resistive rating (1) Buildings with a 2 or more hour fire resistive rating (1) Buildings with a 2 or more hour fire resistive rating (1) Buildings with a 2 or more hour fire resistive rating (1) Buildings with a 2 or more hour fire resistive rating (1) Buildings with a 2 or more hour fire resistive rating (1) Buildings with a 2 or more hour fire resistive rating (1) Buildings with a 2 or more hour fire resistive rating (1) Building a can be an unfinished basement and attic;	Building property name:	Risk Mgmt Mcode:	or unknown	
Number of floors (do not count unfinished basement and attic) Is there an unfinished basement? Yes No Is there an unfinished attic? Yes No Approximate total area of building - do not include unfinished basement or attic: sq. feet Of the total area, approximate area that your agency occupies: sq. feet Number of clevators in building: Does building have central air conditioning? Yes No Boiler and/or pressure vessels - In this building, how many units require State inspection? Number of boilers requiring inspection: Number of pressure vessels requiring inspection: Are there boilers or heating units in this building that do not require State inspection? Yes No If your agency does not occupy 100% of the useable space in this building, this section must be completed. Building Occupancy Type(s) - check as many as are applicable for this building: Laboratory (5); Maintenance Shop (6); Office (1); Retail (29); Staff Residence (11); Storage (3); Other - Describe: Your agency's occupancy type (check one - only the most prevalent): Auditorium (18); Classroom (2); Day Care (33); Dormitory (10); Gym (12); Laboratory (5); Maintenance Shop (6); Office (1); Retail (29); Staff Residence (11); Storage (3); Other - Describe: Your agency's occupancy type (check one - only the most prevalent): Storage (3); Other - Describe: Building is: 100% Sprinklered Partially Sprinklered - state % Not sprinklered at all Building has a central station smoke detection system: Yes No Building has a central station security system: Yes No Building has a central station security system: Yes No Replacement cost insurance desired: Building: \$ Contents \$ _ Effective Date:	(1) Combustible (typically wooden buildings) (2) Masonry structures with combustible frames or interiors (3) Metal structures (all metal roof, frame and walls) (4) Masonry structures with masonry or metal framing			
Number of boilers requiring inspection: Number of pressure vessels requiring inspection: Are there boilers or heating units in this building that do not require State inspection? Yes No If yes, optional enhanced insurance coverage is available for a small extra premium charge. Are you interested in being contacted by Risk Management about this enhanced coverage? Yes No If your agency does not occupy 100% of the useable space in this building, this section must be completed. Building Occupancy Type(s) - check as many as are applicable for this building: Auditorium (18); Classroom (2); Day Care (33); Dormitory (10); Gym (12); Laboratory (5); Maintenance Shop (6); Offfice (1); Retail (29); Staff Residence (11); Storage (3); Other - Describe: Your agency's occupancy type (check one - only the most prevalent): Auditorium (18); Classroom (2); Day Care (33); Dormitory (10); Gym (12); Laboratory (5); Maintenance Shop (6); Offfice (1); Retail (29); Staff Residence (11); Storage (3); Other - Describe: Building is: 100% Sprinklered Partially Sprinklered state % Not sprinklered at all Building has a central station smoke detection system: Yes No Building has a central station security system: Yes No Replacement cost insurance desired: Building: \$ Contents \$ Effective Date:	Number of floors (do not count unfinished basement and attic) Is there an unfinished basement? \[\textstyle Yes \quid No \] Is there an unfinished attic? \[\textstyle Yes \quid No \] Approximate total area of building - do not include unfinished basement or attic: \quid sq. feet Of the total area, approximate area that your agency occupies: \quid sq. feet			
Building Occupancy Type(s) - check as many as are applicable for this building: Auditorium (18);	Number of boilers requiring inspection: Number of pressure vessels requiring inspection: Are there boilers or heating units in this building that do <u>not</u> require State inspection? Yes No If yes, optional enhanced insurance coverage is available for a small extra premium charge. Are you interested
