

6. Because of the acuteness and complexity of her presenting clinical features, Dr. Blaik saw L.B. for as long as two and one half hours during her once per week session, which L.B. acknowledged to have occurred.

7. When Dr. Blaik billed for L.B.'s longer sessions, he incorrectly documented that he had seen L.B. on two to three different dates, even if sessions did not occur on those dates.

8. Dr. Blaik now realizes that it was wrong to bill for sessions on dates when he did not actually see L.B., although the total amount of time per week spent with L.B. was the same.

9. Dr. Blaik has paid back to Cigna all of the money he was paid for the sessions on dates when he did not see L.B., for a total of \$24,725.00.

10. Dr. Blaik has also retained an outside consultant to advise him on developing a system so such billing issues do not recur.

11. The Board concludes that the above facts are grounds for discipline pursuant to 32 M.R.S. § 2591-A (2)(A) and (F).

Absent Dr. Blaik's acceptance of this consent agreement by dating and signing it and returning it to Susan E. Strout, Executive Secretary, Maine Board of Osteopathic Licensure, 142 State House Station, Augusta, Maine 04333-0142 by January 20, 2012, this matter will be set for an adjudicatory hearing.

II. SANCTIONS
