Re: Termination of Consent Agreement

Dear Doctor Schiff:

At its meeting today, the Board of Osteopathic Licensure reviewed the terms of your Consent Agreement and the reports received, as usual.

Following their review, the Board voted to terminate your Consent Agreement, effective immediately.

This will confirm that the Consent Agreement you entered into with the Maine Board of Osteopathic Licensure is terminated effective Thursday, October 10, 2013. All requirements have been met.

On behalf of the Board, thank you for your compliance efforts. Each of us congratulates you on the work you have done and we wish you the best for the future.

Please don't hesitate to contact me with any questions you may have.

Sincerely,
