IN RE:                     )  CONSENT AGREEMENT
JOHN P. HERZOG, D.O.      )
CR 2013-16                )

This document is a Consent Agreement effective when signed by all parties, regarding disciplinary action upon John P. Herzog’s license to practice osteopathic medicine in the State of Maine. The parties to this Consent Agreement are: the Board of Osteopathic Licensure (hereafter “the Board”), John P. Herzog, D.O. (“Dr. Herzog”), and the Office of the Attorney General (“the Attorney General”).

FACTS

1. At all times relevant to this matter, Dr. Herzog was licensed to practice osteopathic medicine in the State of Maine, license number DO 1107, and practiced at Orthopedic Specialists, LLC, in Falmouth, Maine.

2. On or about July 15, 2013, the Board initiated a complaint against Dr. Herzog’s license to practice osteopathic medicine pursuant to 32 M.R.S. § 2591-A based upon an investigation initiated upon receipt of information from a law enforcement agency, and a review of patient records received pursuant to an investigative subpoena. The complaint contained allegations, including that

Dr. Herzog: 1) self-prescribed Zolpidem Tartrate on or about June 21, 2010, in violation of 32 M.R.S. § 2591-A(2)(H) and Board Rules Chapter 16, §§1, 2; and 2) prescribed Ambien, Zolpidem Tartrate, Hydrocodone/Acetaminophen, and Alprazolam to individuals between January 1, 2010, and March 15, 2013, without establishing a physician/patient relationship and/or conducting an examination, and without documenting the controlled substance prescription in the patient record in violation of 32 M.R.S. §§ 2591-A(2)(E)(F). The Board docketed the complaint as CR 2013-16 and sent it to Dr. Herzog for a response.

3. By letter dated December 16, 2013, Dr. Herzog submitted his response to the complaint. In that response, he admitted to self-prescribing Zolpidem Tartrate on June 21, 2010, but stated he was unaware that it violated Board rules. Dr. Herzog denied prescribing to any patients without establishing a patient relationship. He acknowledged a failure to document one of the prescriptions that he issued.

4. Dr. Herzog failed to produce a patient record for Patient 1, who was the son of Dr. Herzog's significant other at the time that prescriptions were written. When interviewed by the Board investigator, Patient 1 told the investigator that he was not and had never been a patient of Dr. Herzog. On four occasions during 2011, Dr. Herzog wrote prescriptions to Patient 1 for Ambien.
5. Patient 2 was also a son of Dr. Herzog's significant other at the time that prescriptions were written. Between October 19, 2010, and October 11, 2012, Dr. Herzog's patient record for Patient 2 failed to document nine prescriptions written to Patient 2 for Ambien or its generic equivalent, Zolpidem Tartrate.

6. Patient 3 was the significant other of Dr. Herzog at the time prescriptions were written. Between September 3, 2010, and February 14, 2013, Dr. Herzog prescribed Patient 3 nine prescriptions for Ambien or its generic equivalent Zolpidem Tartrate, eight prescriptions for Alprazolam, and two prescriptions for Hydrocodone/Acetaminophen 10/325 that were not documented in the patient record for Patient 3 maintained by Dr. Herzog.

7. Patient 4 is a former employee of Dr. Herzog. The patient record of Patient 4 reflects that between January 18, 2010 and October 25, 2011, several prescriptions written by Dr. Herzog for Patient 4 for Ambien or its generic equivalent Zolpidem Tartrate, Lorazepam, and Hydrocodone/Acetaminophen 5/325 were not documented in the patient record for Patient 4.

8. At its meeting on April 10, 2014, the Board reviewed all of the information gathered to date regarding Complaint No. CR 2013-16, and voted to schedule the matter for an adjudicatory hearing.
9. This Consent Agreement has been negotiated by Dr. Herzog, his legal counsel Christopher C. Taintor, Esq., and the assigned legal counsel to the Board in order to resolve CR 2013-16 without an adjudicatory hearing. Absent ratification of this Consent Agreement by a majority vote of the Board, the matter shall proceed to an adjudicatory hearing.

Notwithstanding Dr. Herzog's sole responsibility for any and all costs associated with any treatment and monitoring, the Case Manager shall agree that his/her monitoring and reporting obligations lie exclusively with the Board. Dr. Herzog expressly agrees that the Case Manager's exclusive obligation is to the Board to monitor and report on his compliance with any recommended treatment and monitoring and he waives any rights or privileges that may interfere therewith. The frequency and content of the Case Manager's compliance reporting obligation shall be determined by the parties upon approval of the Case Manager. There shall be an agreement in writing with the Case Manager regarding Dr. Herzog's obligations associated with any treatment and monitoring, which agreement shall include a provision requiring that the Case Manager provide written
notification to the Board within three (3) business days any violation of any term of the agreement by Dr. Herzog, or of any amendment or modification thereto. A copy of the written agreement with the Case Manager shall be provided to the Board. Dr. Herzog shall execute any and all releases necessary to obtain copies of any medical, psychological, substance abuse, counseling or treatment records or evaluations requested by the Board, Board staff, counsel assigned to the Board, or the Case Manager;

12. Dr. Herzog is solely responsible for all costs associated with his compliance with the terms and conditions of this Consent Agreement.

13. This Consent Agreement is not appealable and is effective until
