**NOTICE OF SUSPENSION**

**SUSPENSION OF LICENSE**

On August 13, 2020, the Board of Osteopathic Licensure reviewed reports of concern regarding Dr. RICHARD FEIN (hereafter "Dr. Fein") from a neuropsychologist regarding the licensee's failing health. In that report, the evaluating physician noted having advised the licensee that he should cease practicing, including prescribing. The report noted that a physician friend had also advised the licensee he should cease practicing. A current Prescription Monitoring Program report indicated that the licensee has been prescribing as recently as the last week.

Following review, the Board deemed that Dr. FEIN has engaged in conduct that constitutes unprofessional conduct pursuant to 32 M.R.S. § 2591-A(2)(F) and in violation of Board Rule Chapter 12 (copies of both are attached). Therefore, the Board hereby ORDERS THE IMMEDIATE SUSPENSION OF THE LICENSE OF DR. FEIN TO PRACTICE OSTEOPATHIC MEDICINE WHICH INCLUDES PRESCRIBING.

This suspension is issued pursuant to 5 M.R.S. §10004(3). The license of Dr. FEIN is suspended immediately today for a 30-day period ending on September 12, 2020 at 11:59 p.m., pending further board action at an adjudicatory hearing.

Dr. FEIN must immediately cease practicing osteopathic medicine and arrange for the care of patients by another medical provider. Dr. FEIN is not authorized to act as supervising physician for any physician extender.
