**NOTICE REGARDING A FULLY REMOTE BOARD MEETING  
ON FEBRUARY 13, 2025**

In accordance with the "Board Member Remote Participation Policy" (section 2) adopted by the Board on November 9, 2023, I am declaring an emergency or urgent situation exists such that the Board will meet fully remotely on February 13, 2025, to conduct its scheduled meeting of the Board, pursuant to Section 2 of that policy. The emergency or urgent situation arises from the combination of inclement weather likely to impact the safety of morning travel and the necessity for the Board to address time-sensitive matters including investigatory, monitoring, and complaint matters that are scheduled to be addressed at its meeting.

In the event the Governor declares a delayed start or a State government closure on February 13, 2025, the remote meeting of the Board will still proceed as scheduled.

The Board will also continue to provide members of the public a meaningful opportunity to attend the meeting remotely via Zoom:
