INTRODUCTION

The statutory mission of the Maine Bureau of Financial Institutions (Bureau), as set forth in 9-B M.R.S. § 111, is to ensure the strength, stability and efficiency of the financial institutions it regulates, encourage the development and expansion of financial services, ensure reasonable and orderly competition, protect consumers against unfair practices, provide consumer education, and encourage the development of economically sound credit practices.

In 2025, the Bureau provided regulatory supervision to 38 state-chartered financial institutions, including 16 banks, 12 credit unions, and ten limited purpose banks consisting of nine nondepository trust companies and one merchant bank. As of June 30, 2025, assets held by Maine state-chartered institutions supervised by the Bureau totaled approximately \$39.57 billion. Maine state-chartered banks (including limited purpose banks) recorded \$35.64 billion in assets, representing a year-over-year increase of \$1.86 billion, or 5.5%. Maine state-chartered credit unions recorded \$3.93 billion in assets, representing a year-over-year increase of \$212.7 million, or 5.7%. Maine state-chartered limited purpose banks recorded \$126.4 billion in assets under management, representing a year-over-year increase of \$4.7 billion, or 3.9%.

The Bureau's two distinct divisions are responsible for the administration of the Maine Consumer Credit Code (Title 9-A) and the Maine Banking Code (Title 9-B). The Research, Administration, and Legal Affairs Division issues regulatory guidance, promulgates rules, responds to consumer complaints, reviews and processes applications to charter new financial institutions or merge existing institutions, and interacts with the Maine Legislature during legislative sessions. The Supervision and Examination Division conducts periodic on-site examinations of each state-chartered financial institution to evaluate financial strength, risk management processes, and compliance with state and federal laws and regulations. Bureau examiners conduct on-site and remote safety and soundness, compliance, trust, information technology, Bank Secrecy Act / Anti Money Laundering, and holding company examinations.

During the twelve-month period from November 1, 2024 to October 31, 2025, the Bureau received and processed seven applications and notifications. Among these

applications and notifications, four were related to branching activity, including the establishment by Maine state-chartered financial institutions of two new branches located in Maine, and one branch located in New Hampshire. As well as two new branches in Maine opened by out-of-state institutions. Other applications and notifications processed included one merger application, from a state-chartered bank and one name change of a Maine state-chartered financial institution.

The Bureau dedicates resources to consumer outreach and complaint mediation. During the fiscal year ending 2025, the Bureau's Consumer Outreach Specialist responded to 429 consumer complaints and inquiries, of which 226 required Bureau intervention. Complaints involved deposit account activities, fee disputes, consumer loans and credit cards. In addition to responding to consumer complaints, the Bureau actively monitors the latest scam and data breach activity, informing consumers and financial institutions of the illicit activity when appropriate through targeted email distribution lists and press releases.

The following report contains summary financial data for financial institutions doing business in Maine. It includes information on assets, deposits/shares, and loans, as well as office and branch location information. While this Annual Report should be helpful as a point-in-time resource for data on financial institutions, the Bureau's website (<http://www.maine.gov/pfr/financialinstitutions/>) continues to provide access to both current and archived information.

SECTION I APPLICATION ACTIVITY

Pursuant to Maine law, potential organizers must file an application to charter a new institution and existing financial institutions must file an application or provide notice to the Bureau prior to branching, merging, acquiring other organizations, or engaging in certain other business activities.

Over the twelve-month period from November 1, 2024, to October 31, 2025, application activity for Maine's state-chartered financial institutions focused primarily on branching activity, accounting for four of the seven applications and notifications processed. Maine's state-chartered financial institutions established three new branches, which occurred in the following locations: Lewiston, Saco, and in the state of New Hampshire. Two branches were opened by financial institutions not chartered by the state of Maine in the following locations: Portland and Kennebunk. There was one notification of office relocation, which occurred in the town of Concord, New Hampshire.

One application was processed for mergers and acquisitions. Bar Harbor Bank and Trust, Bar Harbor, Maine merged with Woodsville Guaranty Savings Bank, a New Hampshire chartered stock bank with Bar Harbor Bank and Trust continuing as the surviving institution. After the merger, Bar Harbor Bank & Trust operates an additional nine branches in New Hampshire.

Five County Credit Union changed their name to Ancorum Credit Union, effective August 11, 2025.

SECTION II
CONSUMER OUTREACH PROGRAM

Since 1987, the Bureau has maintained a Consumer Outreach Program with a designated Outreach Specialist on staff. The Outreach Specialist is available to answer questions related to the business of financial institutions, mediate complaints against financial institutions, participate in training programs, and make referrals to other regulatory agencies.

The Consumer Outreach Specialist maintains the consumer resources found on the Bureau’s website. Where, consumers can find links to a variety of financial topics, answers to frequently asked questions, and lists of the financial institutions doing business in the State. Consumers may also file complaints through the website, which are either handled by the Consumer Outreach Specialist or referred to the appropriate federal supervisory authority. If a consumer issue pertains to a nationally-chartered bank or federally-chartered credit union, a referral is made to the Consumer Financial Protection Bureau (CFPB) or the National Credit Union Administration (NCUA).

During the fiscal year ending June 30, 2025, the Bureau responded to 429 consumer complaints and inquiries. Of these, 226 required Bureau intervention. The Bureau is most successful when intervening in disputes involving its state-chartered financial institutions, though consumers of nationally-chartered institutions are nonetheless encouraged to contact the Consumer Outreach Specialist who can provide valuable information and discuss possible outcomes.
