The report by Gorman models outcomes for the individual and small group markets in Maine under various scenarios.

Meeting details:

- A link to the virtual meeting will be published on the Bureau's **home page** at 12:45 p.m. on September 3rd.
 - The link will take you to a virtual lobby, and Bureau staff will admit you to the hearing.
 - The link will be available for approximately 10 minutes after the Superintendent starts the meeting so that interested persons will have an opportunity to check their connections and still attend if there are problems.
- Attendees' microphones will be muted. Anyone who wishes to speak should use the "raise your hand" function.
- The meeting will also have a telephone connection.
- Anyone who does have a problem connecting the meeting should contact Brittnee Greenleaf at 207-624-8491.
