### III. PURPOSE

The purpose of this proceeding and the public hearing is for the Superintendent to consider whether Anthem's proposed revised rates meet the requirements that rates not be excessive, inadequate, or unfairly discriminatory as set forth in 24-A M.R.S. § 2736, and otherwise meet the requirements of the Maine Insurance Code and regulations promulgated thereunder.

### IV. PARTIES; INTERVENTION

As the applicant, Anthem is designated as a party to this proceeding. All other persons wishing to intervene as parties in this proceeding shall file their applications in writing with the Superintendent no later than June 23, 2017. If granted party status, an intervenor may immediately commence discovery as provided in Section V below. Accordingly, the earlier a person becomes an intervenor, if the application is granted, the sooner discovery may commence.

Applicants should either hand deliver their intervention applications to the attention of Shari Gregory at the offices of the Bureau of Insurance, 76 Northern Avenue, Gardiner, Maine or mail them to the Superintendent at the following address:

Eric Cioppa, Superintendent  
Attn: Shari Gregory, Docket No. INS-17-1000

#34 State House Station  
Augusta, Maine 04333-0034

The Superintendent will grant late intervention applications only upon a compelling demonstration of good cause. Persons should seek intervention only if they are willing to

undertake the responsibilities placed upon parties to an adjudicatory proceeding under Maine law and Insurance Rule Chapter 350.

An applicant claiming intervention as of right pursuant to 5 M.R.S. § 9054(1) shall include in the application a statement either explaining how the applicant is or may be, or is a member of a class that is or may be, substantially and directly affected by the proceeding or identifying the applicant as an agency of federal, state, or local government. Applications for permissive intervention pursuant to 5 M.R.S. § 9054(2) shall contain a statement explaining and substantiating the applicant's interest in the proceeding.

Any party that opposes an application for intervention shall file a statement in opposition with the Superintendent by June 26, 2017. The Superintendent in his discretion may rule on an intervention application at any time, without waiting for any statements in opposition.

V. DISCOVERY

Upon being designated or granted party status in this proceeding by the Superintendent, a party may immediately commence the issuance of information requests (*i.e.*, discovery). Discovery in this proceeding shall be as provided for by Insurance Rule Chapter 350(10), subject to modification by further order of the Superintendent.

All parties to the proceeding have the right to present evidence and witnesses at the hearing and have the right to be represented by counsel. Failure of any party to appear may result in disposition by default with respect to that party. The Superintendent, however, may set aside a default for good cause.

The Department of Professional and Financial Regulation does not discriminate on the basis of disability in the admission to, access to, or operation of its programs, services, or activities. Individuals in need of auxiliary aid for effective communication at the hearing are invited to make their needs and preference known to Shari Gregory at the Bureau of Insurance, telephone 207-624-8421, sufficiently in advance of the hearing so that appropriate arrangements can be made.
