SUMMARY: This chapter defines the standards for motor vehicle insurance identification cards used as evidence of liability insurance or financial responsibility.

SECTION 1. DEFINITIONS

- 1. "Insurance identification card" is as defined in 29-A M.R.S. §1551(4).
- 2. "Portable electronic device" is as defined in 29-A M.R.S. §1551(11-A).

SECTION 2. PURPOSE

1. The purpose of this Rule is to prescribe, pursuant to 24-A M.R.S. §2412(7), paper and electronic formats and content for the motor vehicle insurance identification card required under Title 29-A as evidence of liability insurance or financial responsibility, and pursuant to 29-A M.R.S. § 1601(10) identification of persons excluded from coverage.

SECTION 3. INSURANCE IDENTIFICATION CARD STANDARDS

- 1. An insurer that delivers, issues for delivery, or renews in this State a policy insuring against liability arising out of the ownership, maintenance, or use of any motor vehicle must provide the named insured with a form of insurance identification card for each vehicle for which the policy provides liability coverage satisfying the requirements of 29-A M.R.S. §1605.
- **2.** An insurance identification card may be provided in the following formats:
 - **A.** An image capable of displaying in a readable manner the information required in paragraphs 0 through 0 below on a portable electronic device as described in 0 below; or

- The card described in Section 5 below. В.
- 3. The following information must appear on an insurance identification card:
 - A. The heading or title "Maine Motor Vehicle Insurance Identification Card";
 - В. A statement that the card should be kept in the insured vehicle and presented upon the demand of a law enforcement officer;
 - C. The name of the insurer:
 - D. The name of the insured:
 - Ε. The policy number;
 - F. The policy effective date and expiration date;
 - G. A statement that the policy provides the minimum liability insurance coverage required by law; and
 - H. A description of the covered vehicle, including its year, make, model, and identification number assigned by the manufacturer. If the policy covers all vehicles owned by the policyholder on a blanket basis, and the policy holder policyholder owns five or more vehicles, the insurer may substitute the phrase "all owned vehicles" for a description of the vehicle; and -
 - I. Except for policies insuring commercial vehicles, the name of each person excluded from coverage by an endorsement to the policy made under 24-A M.R.S. § 2916-B.
- 4. Other information may appear on the front or reverse of an insurance identification card, such as a security watermark, the insurer's logo, the insured's address, or the agent or broker office. Instructions regarding the card may appear on a tear-off, carrier strip, or either face of the card. However, no such other information may obscure in any way the information required in paragraph 0 above.
- 5. An insurer may issue a temporary insurance identification card pending the issuance of a permanent card. A temporary insurance identification card must comply with this Rule and include the word "temporary" in its heading or title.
- 6. An insurance identification card provided for a continuous policy must indicate that the policy is continuous. The insurer must provide the named insured with a new card before each anniversary of a continuous policy.
- 7. The filing requirements of Title 24-A M.R.S. Chapter 27 do not apply to insurance identification cards.

SECTION 4. ELECTRONIC INSURANCE IDENTIFICATION CARDS

Upon receiving the named insured's agreement in compliance with the Maine Uniform Electronic Transactions Act, 10 M.R.S. §§ 9401 – 9420, an insurer may provide the information required by 0 above in an electronic format that is displayable on a portable electronic device. In lieu of the statement required in paragraph 3(3)(B) above, an electronic insurance identification card shall include a statement that the operator of the insured vehicle must be able to display evidence of liability insurance or financial responsibility on the demand of a law enforcement officer.

SECTION 5. PAPER INSURANCE IDENTIFICATION CARDS

- 1. An insurer may provide the information required by Section 3 in paper format that complies with this Section.
 - A. A paper insurance identification card must be at least 2½ inches by 3½ inches. An insurer may provide a paper insurance identification card that is printed on an 8½ inch by 11 inch sheet.
 - В. A paper insurance identification card must display the required information substantially as follows:
