Changes to Clear Choice Plans

1. Plans were added in 2023 due to the merging of small group and individual market to minimize disruption of plans offered.
2. Two Bronze and three Silver plans were eliminated in 2024 to simplify offerings based on enrollment numbers and AV requirements. Copays for Chiropractic Services, Rehabilitative Occupational, Physical and Speech Therapy were specified.
3. One Bronze and two Silver plans were eliminated in 2025 to continue to simplify offerings.
4. Slight adjustments were made to 2026 plans and standardized CSR deductible plans were added. Minor changes to MOOP and deductible were made due to AV and ACA requirements.

- Note: The analysis that created the above options focused on deductible, coinsurance, and MOOP amounts alone. Although this achieves a close estimate for CSR plan designs, further analysis is needed to determine changes that should be made to other plan characteristics. The Bureau encourages carriers and consumer advocate groups inputs to refine Standardized CSR plan structure for Plan Year 2026.

Naming Conventions

1. Carriers may distinguish individual and small group in that version of the plan name.
2. Clear Choice must specifically state “Clear Choice” and not CC.
3. CSR variation plans must be distinguished.

For example: [Clear Choice Bronze 4500 etc.] [company preferred name/branding][CSR 94/CSR 87/CSR 73/CSR 100/CSR LCS].

4. On-marketplace plan names should not exceed 80 characters. The Marketplace strongly encourages carriers to limit names to 50 or fewer characters for display and consumer comprehension.

Clear Choice Plan Offerings

1. All plans available to individual and small groups do not have to be actively marketed to both individual and small groups.
2. On-exchange at least one Clear Choice Silver plan (lowest cost Silver) and a Gold plan either Clear Choice or alternate.
3. Silver HSA only available Off-Exchange.
4. Clear Choice plans should keep to the stipulated cost share structure, but small modifications will be reviewed during the form/rate submission process with the Bureau.
5. Refer to Rule 851 for more guidance.

Form/Rate Filings

1. Separate filings for individual and small group.
2. Separate HIOS IDs, URRT for individual and small group.
3. Variations in contract terms if reasonably related to the differences in the mode of coverage, and do not affect the plan benefits or premium rates except to the extent expressly permitted by Rule 851 or required by controlling law.
4. Different forms and applications as necessary for individual and small groups.
