## Notice of Fourth Public Meeting on Clear Choice Standardized Plan Designs

**November 20, 2020 at 9:30 a.m.**

Public Law Chapter 653 (LD 2007), "An Act to Enact the Made for Maine Health Coverage Act and Improve Health Choices in Maine," requires the Bureau of Insurance to develop Clear Choice standardized plan designs for the 2022 individual and small group markets.

The statute requires the Bureau to work in consultation with a stakeholder workgroup composed of consumer representatives, carriers, health policy experts, and other interested parties. The Bureau has already held three virtual meetings to discuss the standard plan options and gather public comments. Documents and comments submitted to date can be found on the Bureau's [website](#).

The Bureau will hold the fourth virtual public meeting regarding the Clear Choice Standard Plan Designs on Friday, November 20<sup>th</sup> at 9:30 a.m. This will be the last stakeholder meeting for the Clear Choice plans before the rule making process starts.
