**Notice of Third Public Meeting on Clear Choice Standardized Plan Designs
October 20, 2020 at 10:00 a.m.**

Public Law Chapter 653 (LD 2007), “An Act to Enact the Made for Maine Health Coverage Act and Improve Health Choices in Maine,” requires the Bureau of Insurance to develop Clear Choice standardized plan designs for the 2022 individual and small group markets.

The statute requires the Bureau to work in consultation with a stakeholder workgroup composed of consumer representatives, carriers, health policy experts, and other interested parties. The Bureau has held two virtual meetings, one on August 12 and one on September 15, 2020, to discuss the standard plan options and gather public comments. Documents and comments submitted to date can be found on the Bureau’s [website](#).

The Bureau will hold the third and likely final virtual public meeting regarding the Clear Choice Standard Plan Designs on Tuesday, October 20th at 10:00am.

To join the meeting:

- You will need to pre-register* using the “Virtual Event Pre-Registration” button on the Bureau’s home page www.maine.gov/insurance.
 - Click on the button then follow the directions to fill out the form.
 - You will receive a Thank You email confirming your pre-registration.
- We will close pre-registration one business day before the meeting and email the virtual event participation information to registered participants.
- Registered participants may join via Microsoft Teams virtual link or by phone.
- If you have questions about the meeting or pre-registration, or trouble connecting, please reach out to Brittnee Greenleaf at Brittnee.L.Greenleaf@maine.gov or at 207-624-8491.

To submit written comments:

- Please email them to Brittnee.L.Greenleaf@maine.gov or mail them to:
Brittnee Greenleaf, Maine Bureau of Insurance, 34 SHS, Augusta, ME 04333
- Written comments will be accepted through close of business on November 6th, 2020.

***NOTE:** If you received an invitation to the meeting addressed to the email that you will use to join, you are already considered pre-registered and do not need to fill out the form on the website. However, in future, we will utilize this pre-registration process for virtual public meetings and hearings.
