ANTHONY RAYE	ORDER ON BUREAU STAFF'S MOTION TO CLARIFY THE DECISION AND ORDER
Docket No. INS-14-252	

On June 3, 2015, Bureau Staff moved to clarify the May 29, 2015 Decision and Order in three regards. As of June 11, 2015, Mr. Raye had not filed an objection to this motion. Code Me. Rules 02-031-350(7)(C).

First, Staff asked that the Decision's statement that the Superintendent's January 15, 2015 License Revocation Notice, Order, and Opportunity for Hearing "revoked Mr. Raye's resident insurance producer's license" be amended to clarify that the Notice said that his license would be revoked on February 15, 2015 unless he requested a hearing. The Notice speaks for itself, and it is clear from the remainder of the Decision that Mr. Raye's license remained in place until 5:00 p.m. June 5, 2015. I therefore decline to amend the Decision as requested.

Second, Staff asked that the Decision be revised to show that Staff Exhibits 1 -12 were admitted into evidence instead of only Staff Exhibits 1, 2 and 6 - 14. The hearing *Transcript* supports this request, and I therefore amend the Decision as requested.

Third, Staff asked that the Decision's statement that as of March 31, 2015, Mr. Raye was on a waiting list for a substance abuse evaluation be changed to reflect that this list was for mental health treatment. The *Transcript* shows that this is accurate. *Tr.* 28. I therefore amend the Decision as requested.

SO ORDERED.

DATED: June 12, 2015
