Revised 02/2020
10 DAY NOTIFICATION REQUIREMENTS:

Pursuant to 10 M.R.S §8003-G, any change in name, address, email address, criminal convictions, disciplinary actions, or any material change set forth in your original application for licensure must be reported to The Maine Fuel Board within 10 days.

IMPORTANT INFORMATION REGARDING LICENSE DELIVERY:

The Maine Fuel Board does not print licenses. Your license will be sent to you at the email address you provide to us on your application. The license will arrive from email sender address: noreply@maine.gov. The attachment with this email is your license where you may open it and print your license. If you do not locate your license in your inbox, please check your junk/spam folders for this email. Please either save our email address (noreply@maine.gov) in your contacts or as a safe sender to prevent your license from being directed to your junk/spam folders.

LICENSE RENEWAL INFORMATION:

Approximately sixty (60) days prior to the expiration of your license a courtesy renewal reminder will be sent to you by email. It is important that you maintain a current email on file, or you risk not being able to receive the renewal reminder. You do not need to wait for a renewal reminder to renew your license. The online renewal opens sixty days prior to the license expiring and you may renew online. Failure to receive a courtesy renewal reminder notice does not impact your responsibility to renew your license in a timely manner.

MAINE FUEL BOARD LAWS AND RULES:

The Maine Fuel Board cannot provide you with a hard copy of laws and rules. However, all applicable laws and rules are available online, and may be accessed via the websites listed below. You are responsible for knowing and complying with all board laws and rules throughout your licensure. Please note, all laws and rules may be subject to change without notice and it is strongly advised to periodically check for updates.

Maine Fuel Board Laws and Rules:

Title 5, Chapter 375: Maine Administrative Procedure Act:
https://legislature.main.gov/legis/statutes/5/title5ch375sec0.html
APPLICATION PROCESSING TIME:

Your application has a greater chance of being processed expeditiously if it is complete and all supporting documents are included. To ensure that The Maine Fuel Board received your application please visit our website at https://www.pfr.maine.gov/almsonline/almsquery/welcome.aspx?board=4320. After your application has been received your name will appear when you complete a “licensee search” on your name as you entered it on your application. The status will appear as “Pending.” This is not an actual license approval at this point; it is simply a verification that an application has been received and is in the queue for review. When a license is issued the status will change from pending to active.

Please refrain from calling our office to “check” on your application as these calls only serve to slow our ability to review and process applications.

RESPONSIBILITIES OF A SUPERVISING MASTER
PURSUANT TO MAINE FUEL BOARD RULES CHAPTER 3

3.1.2.1 - By signing an application as supervising master oil and/or solid fuel burning technician, the master oil and/or solid fuel burning technician acknowledges employment or supervisory responsibility for the work ethic, performance, and training required of the applicant regardless of the licensing category. It is the duty of the master oil and/or solid fuel burning technician to inspect personally any installation work performed by any licensee for whom the master oil and/or solid fuel burning technician is responsible at the conclusion of the installation.

3.1.2.2 - Whenever the supervising master oil and/or solid fuel burning technician ceases to provide supervision, the supervising master oil and/or solid fuel burning technician must notify the Board, a copy of which shall be kept in both the applicant’s and the supervising master oil and/or solid fuel technician’s file.

3.1.2.3 - Upon request, the supervising master oil and/or solid fuel burning technician must provide a signed affidavit documenting all practical experience performed by an apprentice or journeyman under the master oil and/or solid fuel burning technician’s supervision.

3.1.2.4 - A master oil and/or solid fuel burning technician cannot supervise an apprentice oil and/or solid fuel burning technician or journeyman oil and/or solid fuel burning technician whose license authority exceeds that of the master oil and/or solid fuel burning technician.

3.1.2.5 - A master oil and/or solid fuel burning technician who sells, contracts, dispatches or subcontracts any work or installation to another master oil and/or solid fuel burning technician or other licensee is responsible for the completion of the installation and the work performed. The master oil and/or solid fuel burning technician contracting the work and the licensee performing the work both have equal responsibility to ensure that all work complies with the Board’s rules.
