This is critical to insuring that each page of your application is intact with the correlating application and will help us with expediting your application review. All pages requiring initials must be returned to our office as part of your complete application.

The Maine Board of Pharmacy requires that all supporting documents and fees be submitted with the filing of your application. **Your application will be considered incomplete and will be returned if supporting documents and/or fees are omitted.** Documents that have been modified or altered (including the use of any white out substance) in any way will not be accepted.

**PROCESSING TIME:**

- Your application has greater chance of being processed expeditiously if it is complete and all supporting documents are attached. Action on this application is posted to the web in real time. Please visit our website if you wish to monitor progress. If the status appears as Pending, this means that your application was received by this office and it is pending or under review. Once reviewed and if everything about your application is complete and complies with requirements, the license will be issued and the status will show as ACTIVE. If incomplete and a letter is being sent to you, the letter will be available for you to see online.

- Please refrain from calling our office to “check” on your application as these calls only serve to slow our ability to review and process applications. Information regarding the status of applications may be found at the Office of Professional and Occupational Regulation’s website www.maine.gov/professionallicensing. We appreciate your thoughtful attention to this request.

- Once your license is issued it is immediately visible online with an “active” status. Licenses are printed off site and require at least 14 business days for delivery.
