### **32 §3402. EMPLOYEES**

State plumbing inspectors appointed under this section have powers throughout the several counties of the State similar to those sheriffs have in their respective counties, relating to enforcement of this chapter and rules adopted under this chapter. These powers are limited to the power to issue citations, the power to serve summonses, to conduct investigations and to order corrections of violations by licensees in accordance with the specific statutory authority set forth in this chapter. If any state plumbing inspector finds any plumbing installation in any building or structure which does not comply with the adopted state plumbing code that inspector shall, with the consent of the local plumbing inspector, order that the installation be removed or remedied and that order must be complied with immediately by the owner or occupant of the premises or building or the installer of the plumbing in violation. If any state plumbing inspector finds any plumbing installation in any building or structure which creates a danger to other property or to the public, the inspector may forbid use of the building or structure by serving a written order upon the owner and the occupant, if any, to vacate within a reasonable period of time to be stated in the order. [1991, c. 509, §23 (AMD).]

Any person ordered by a state plumbing inspector to correct a plumbing deficiency or to vacate a building or structure may, within 7 days, appeal to the Plumbers' Examining Board, which shall within a reasonable time review the order and file its decision on the appeal. The decision of the board must be complied with within the time that is fixed in the decision. If any person, firm or corporation fails or refuses to carry out any such order of any state plumbing inspector or decision of the board, a court may order appropriate relief. Any person ordered by the board to correct a plumbing

deficiency or to vacate a building or structure may appeal the order to the Superior Court pursuant to the Maine Rules of Civil Procedure, Rule 80B, by filing a petition for review within 48 hours of receipt of the order. The order by the Plumbers' Examining Board may not be stayed unless by order of the Superior Court for good cause. [1999, c. 386, Pt. L, §3 (AMD).]

Upon the failure of any person to carry out the final order, the Plumbers' Examining Board may petition the Superior Court for the county in which the premises or building is located from an injunction to enforce that order. If the court determines upon hearing the petition that a lawful final order was issued, it shall order compliance. [1989, c. 483, Pt. A, §51 (NEW).]

In addition to any other powers, state plumbing inspectors shall have the right of entry during usual business hours to inspect any and all buildings and premises in the performance of their duties. They may enter any building only with the permission of the owner, occupant or person having control of the building or pursuant to an order of court. [1989, c. 483, Pt. A, §51 (AMD).]

Notwithstanding the Maine Administrative Procedure Act, the adoption of a national or international published plumbing code as a new plumbing code for the State constitutes a major substantive rule and must receive affirmative action by the Legislature before adoption. Subsequent technical amendments to any national or international published plumbing code that may be adopted pursuant to this section are routine technical rules as defined in Title 5, chapter 375, subchapter II-A.

Enforcement of the rules is the joint responsibility of the municipalities and the board. The board or a municipality may seek to enjoin violations of the rules or municipal ordinances. In the prosecution of a violation by a municipality, the court shall award reasonable attorney's fees to a municipality if that municipality is the prevailing party, unless the court finds that special circumstances make the award of fees unjust.

### **10 §8003. DEPARTMENTAL ORGANIZATION; DUTIES**

**1. Division of Administrative Services.** There is created a Division of Administrative Services, which is a division within the department under the commissioner's office, to provide assistance to the commissioner and to the agencies within and affiliated with the department in civil service matters, budgeting and financial matters, purchasing, and clerical and support services, and to perform other duties the commissioner designates. The commissioner may employ a Director of Administrative Services and clerical and technical assistants necessary to discharge the duties of the division and shall outline their duties and fix their compensation, subject to the Civil Service Law.

A. Within the Division of Administrative Services, there is a computer services section. It is the responsibility of the computer services section to provide technical

assistance to the Office of Licensing and Registration to process and issue original and renewal licenses for the department and for bureaus, offices, boards and commissions within the department as the commissioner directs. The licenses may be processed and issued only upon authorization of the appropriate bureau, office, board or commission or upon the authorization of the commissioner in the case of licenses granted directly by the department. The computer services section shall maintain a central register containing the name and address of each person or firm licensed by profession, occupation or industry and such other information as the commissioner may direct for administration, information or planning purposes. The commissioner, with the advice of the respective bureaus, offices, boards and commissions, may determine the type and form of licenses issued by all agencies within the department. The computer services section shall perform such other administrative services for the agencies within the department as the commissioner directs. [1995, c. 502, Pt. H, §10 (AMD).]

[ 1995, c. 502, Pt. H, §10 (AMD) .]

## **2. Office of Licensing and Registration.**

[ 1999, c. 687, Pt. C, §5 (RP) .]

**2-A. Office of Licensing and Registration.** There is created an Office of Licensing and Registration, referred to in this subsection as the "office," composed of the boards, commissions and regulatory functions set forth in section 8001, subsection 38. The commissioner may appoint a Director of the Office of Licensing and Registration and those clerical and technical assistants who are necessary to discharge the duties of the office and shall outline their duties and fix their compensation, subject to the Civil Service Law. Notwithstanding any other provision of law granting authority to a board or commission, the Director of the Office of Licensing and Registration has the following superseding powers, duties and functions:

A. To administer the office and maximize and direct the use of personnel and financial resources to regulate professionals in the best interest of the public; [1999, c. 687, Pt. C, §6 (NEW).]

B. To prepare and administer, with the advice of the boards and commissions, budgets necessary to carry out the regulatory purposes of the boards and commissions. The Director of the Office of Licensing and Registration shall maintain one office budget that includes a separate account for each board or commission. The Director of the Office of Licensing and Registration has the authority to disapprove expenditures by boards and commissions that are not necessary to protect the public health and welfare or that would seriously jeopardize a board's or commission's fiscal well-being; [1999, c. 687, Pt. C, §6 (NEW).]

C. To provide all staffing necessary and appropriate to administer the office and carry out the statutory missions of the boards, commissions and regulatory functions. All clerks, technical support staff and supervisors must be assigned to the office and allocated by the director to perform functions on behalf of the various

boards, commissions and regulatory functions according to need; [1999, c. 687, Pt. C, §6 (NEW).]

D. To establish by rule and after reasonable notice to the affected board all fees necessary and appropriate for all boards, commissions and regulatory functions within the office, subject to any fee cap established by statute and applicable to that board, commission or regulatory function. The Director of the Office of Licensing and Registration shall set the criteria for all fees. The criteria must include, but are not limited to, the costs, statutory requirements, enforcement requirements and fees and expenses of each board, commission or regulatory function. Rules adopted pursuant to this paragraph are routine technical rules pursuant to Title 5, chapter 375, subchapter II-A; [2001, c. 323, §9 (AMD).]

E. To establish by rule, such processes and procedures necessary to administer the various boards, commissions and regulatory functions of the office, including, but not limited to, a uniform complaint procedure, a uniform procedure regarding protested checks, a uniform policy regarding the treatment of late renewals and a uniform procedure for substantiating continuing education requirements. Rules adopted pursuant to this paragraph are routine technical rules pursuant to Title 5, chapter 375, subchapter II-A; [1999, c. 687, Pt. C, §6 (NEW).]

F. To keep records of public meetings, proceedings and actions and to make those records available to the public at cost upon request, unless otherwise prohibited by state or federal law; [1999, c. 687, Pt. C, §6 (NEW).]

G. To enter into contracts to ensure the provision of goods and services necessary to perform regulatory functions and to fulfill statutory responsibilities. This authority includes the ability to employ and engage experts, professionals or other personnel of other state or federal regulatory agencies as necessary to assist the office in carrying out its regulatory functions and to contract office staff to other state and federal regulatory agencies to assist those agencies in carrying out their regulatory functions; [1999, c. 687, Pt. C, §6 (NEW).]

H. To perform licensing functions for other state agencies on a fee-for-service basis; [1999, c. 687, Pt. C, §6 (NEW).]

I. To enter into cooperative agreements with other state, federal or foreign regulatory agencies to facilitate the regulatory functions of the office, including, but not limited to, information sharing, coordination of examinations or inspections and joint examinations or inspections. Any information furnished pursuant to this paragraph by or to the office that has been designated confidential by the agency furnishing the information remains confidential and the property of the agency furnishing the information and may not be disclosed by the recipient of the information unless disclosure has been authorized by the agency that furnished the information; [1999, c. 687, Pt. C, §6 (NEW).]

J. To direct staff to review and approve applications for licensure or renewal in accordance with criteria established in statute or in rules adopted by a board or commission. Licensing decisions made by staff may be appealed to the full board or commission; [1999, c. 687, Pt. C, §6 (NEW).]

K. To prepare and submit to the commissioner an annual report of the office's operations, activities and goals; and [1999, c. 687, Pt. C, §6 (NEW).]

L. To study jurisdictional overlap between the department's boards and commissions and other state agencies for purposes of streamlining and consolidating related legal authorities and administrative processes. [1999, c. 687, Pt. C, §6 (NEW).]

[ 2001, c. 323, §9 (AMD) .]

**3. License defined.** For purposes of this section, the term "license" means a license, certification, registration, permit, approval or other similar document evidencing admission to or granting authority to engage in a profession, occupation, business or industry but does not mean a registration, permit, approval or similar document evidencing the granting of authority to engage in the business of banking pursuant to Title 9-B.

[ 1991, c. 509, §1 (AMD) .]

**4. Licensing periods; renewal dates.** The commissioner may establish expiration or renewal dates and establish whether licenses are issued annually or biennially for all licenses authorized to be issued by bureaus, offices, boards and commissions within the department, notwithstanding any other provisions of law. If an expiration or renewal date established by the commissioner has the effect of shortening the term of a license currently in effect, the bureau, office, board or commission, or the department in the case of a license that it issues directly, shall credit the fee paid, on a prorated basis, for the unexpired term of the current license toward the renewal fee of the renewal license. If a license is not renewed on the new expiration or renewal date established by the commissioner, the license remains in effect through its original term, unless suspended or revoked sooner under laws or regulations of the respective bureau, office, board or commission. Should a licensee seek to renew the license at the end of the original term, the law or regulations established by the respective bureau, office, board or commission for late renewals or reregistrations apply. For the purpose of implementing and administering biennial licensing, the commissioner may permit bureaus, offices, boards and commissions within the department to issue licenses and establish renewal fees for less than a 2-year term. This section may not change the term or fee for one-time licenses, except as specifically stated.

[ 1999, c. 386, Pt. B, §3 (AMD) .]

**4-A. Disclosure and recording of social security numbers.** An individual who applies for a license shall provide that individual's social security number on the application, which must be recorded.

[ 1997, c. 537, §3 (NEW); 1997, c. 537, §62 (AFF) .]

**5. Authority of bureaus, offices, boards or commissions.** In addition to authority otherwise conferred, unless expressly precluded by language of denial in its own

governing law, each bureau, office, licensing board and commission within or affiliated with the department may take one or more of the following actions, except that this subsection does not apply to the Bureau of Financial Institutions or the Office of Licensing and Registration, including the licensing boards and commissions and regulatory functions within the Office of Licensing and Registration.

A. [1989, c. 450, §6 (RP).]

A-1. For each violation of applicable laws, rules or conditions of licensure or registration, the bureau, office, board or commission may take one or more of the following actions:

(1) Issue warnings, censures or reprimands to a licensee or registrant. Each warning, censure and reprimand issued must be based upon violations of different applicable laws, rules or conditions of licensure or must be based upon separate instances of actionable conduct or activity;

(2) Suspend a license or registration for up to 90 days for each violation of applicable laws, rules and conditions of licensure or registration or for instance of actionable conduct or activity. Suspensions may be set to run concurrently or consecutively. Execution of all or any portion of a term of suspension may be stayed pending successful completion of conditions of probation, although the suspension remains part of the licensee's or registrant's record;

(2-A) Revoke a license or registration;

(3) Impose civil penalties of up to \$1,500 for each violation of applicable laws, rules and conditions of licensure or registration or for instances of actionable conduct or activity; and

(4) Impose conditions of probation upon an applicant, licensee or registrant. Probation may run for such time period as the bureau, office, board or commission determines appropriate. Probation may include conditions such as: additional continuing education; medical, psychiatric or mental health consultations or evaluations; mandatory professional or occupational supervision of the applicant, licensee or registrant; and other conditions as the bureau, office, board or commission determines appropriate. Costs incurred in the performance of terms of probation are borne by the applicant, licensee or registrant. Failure to comply with the conditions of probation is a ground for disciplinary action against a licensee or registrant. [2001, c. 167, §1 (AMD).]

B. The bureau, office, board or commission may execute a consent agreement that resolves a complaint or investigation without further proceedings. Consent agreements may be entered into only with the consent of: the applicant, licensee or registrant; the bureau, office, board or commission; and the Department of the Attorney General. Any remedy, penalty or fine that is otherwise available by law, even if only in the jurisdiction of the Superior Court, may be achieved by consent agreement, including long-term suspension and permanent revocation of a professional or occupational license or registration. A consent agreement is not subject to review or appeal, and may be modified only by a writing executed by all parties to the original consent agreement. A consent agreement is enforceable by

an action in Superior Court. [2001, c. 167, §1 (AMD).]

C. The bureau, office, board or commission may:

- (1) Require all applicants for license or registration renewal to have responded under oath to all inquiries set forth on renewal forms;
- (2) Except as provided in Title 37-B, section 390-A, require applicants for license or registration renewal to present proof of satisfactory completion of continuing professional or occupational education in accordance with each bureau's, office's, board's or commission's rules. Failure to comply with the continuing education rules may, in the bureau's, office's, board's or commission's discretion, result in a decision to deny license or registration renewal or may result in a decision to enter into a consent agreement and probation setting forth terms and conditions to correct the licensee's or registrant's failure to complete continuing education. Terms and conditions of a consent agreement may include requiring completion of increased hours of continuing education, civil penalties, suspension and other terms as the bureau, office, board, commission, the licensee or registrant and the Department of the Attorney General determine appropriate. Notwithstanding any contrary provision set forth in a bureau's, office's, board's or commission's governing law, continuing education requirements may coincide with the license or registration renewal period;
- (3) Refuse to renew a license or registration or deny a license when the bureau, office, board or commission finds a licensee or registrant to be in noncompliance with a bureau, office, board or commission order or consent agreement;
- (4) Allow licensees or registrants to hold inactive status licenses or registrations in accordance with each bureau's, office's, board's or commission's rules. The fee for an inactive license or registration may not exceed the statutory fee cap established for the bureau's, office's, board's or commission's license or registration renewal set forth in its governing law; or
- (5) Delegate to staff the authority to review and approve applications for licensure pursuant to procedures and criteria established by rule. Rules developed pursuant to this subparagraph are routine technical rules as described in Title 5, chapter 375, subchapter 2-A. [2005, c. 111, §1 (AMD).]

D. The bureau, office, board or commission may require surrender of licenses and registrations. In order for a licensee's or registrant's surrender of a license or registration to be effective, a surrender must first be accepted by vote of the bureau, office, board or commission. Bureaus, offices, boards and commissions may refuse to accept surrender of licenses and registrations if the licensee or registrant is under investigation or is the subject of a pending complaint or proceeding, unless a consent agreement is first entered into pursuant to this chapter. [1995, c. 502, Pt. H, §10 (AMD).]

E. The bureau, office, board or commission may issue letters of guidance or concern to a licensee or registrant. Letters of guidance or concern may be used to educate, reinforce knowledge regarding legal or professional obligations and express concern over action or inaction by the licensee or registrant that does not

rise to the level of misconduct sufficient to merit disciplinary action. The issuance of a letter of guidance or concern is not a formal proceeding and does not constitute an adverse disciplinary action of any form. Notwithstanding any other provision of law, letters of guidance or concern are not confidential. The bureau, office, board or commission may place letters of guidance or concern, together with any underlying complaint, report and investigation materials, in a licensee's or registrant's file for a specified amount of time, not to exceed 10 years. Any letters, complaints and materials placed on file may be accessed and considered by the bureau, office, board or commission in any subsequent action commenced against the licensee or registrant within the specified time frame. Complaints, reports and investigation materials placed on file are only confidential to the extent that confidentiality is required pursuant to Title 24, chapter 21, the Maine Health Security Act. [1999, c. 386, Pt. B, §5 (AMD).]

F. A bureau, office, board or commission may establish, by rule, procedures for licensees in another state to be licensed in this State by written agreement with another state, by entering into written licensing compacts with other states or by any other method of license recognition considered appropriate that ensures the health, safety and welfare of the public. Rules adopted pursuant to this paragraph are routine technical rules pursuant to Title 5, chapter 375, subchapter 2-A. [2007, c. 402, Pt. C, §2 (AMD).]

G. Notwithstanding any other provision of law, any bureau, office, board or commission within or affiliated with the department may issue a temporary license for a period of 6 months and waive all licensing requirements, except for fees, to any applicant upon a showing of current, valid licensure in that profession in another state. [2005, c. 474, §1 (NEW).]

The jurisdiction to suspend and revoke occupational and professional licenses conferred by this subsection is concurrent with that of the District Court. Civil penalties must be paid to the Treasurer of State.

Any nonconsensual disciplinary action taken under authority of this subsection may be imposed only after a hearing conforming to the requirements of Title 5, chapter 375, subchapter 4, and, except for revocation actions, is subject to judicial review exclusively in the Superior Court in accordance with Title 5, chapter 375, subchapter 7.

Any nonconsensual revocation of an occupational or professional license taken under authority of this subsection is subject to, upon appeal within the time frames provided in Title 5, section 11002, subsection 3, de novo judicial review exclusively in District Court. Rules adopted to govern judicial appeals from agency action apply to cases brought under this section.

[ 2007, c. 402, Pt. C, §2 (AMD) .]

**5-A. Authority of Office of Licensing and Registration.** In addition to authority otherwise conferred, unless expressly precluded by language of denial in its own governing law, the Office of Licensing and Registration, referred to in this subsection as "the office," including the licensing boards and commissions and regulatory functions

within the office, have the following authority.

A. The office, board or commission may deny or refuse to renew a license, may suspend or revoke a license and may impose other discipline as authorized in this subsection for any of the following reasons:

- (1) The practice of fraud, deceit or misrepresentation in obtaining a license from a bureau, office, board or commission, or in connection with services rendered while engaged in the occupation or profession for which the person is licensed;
- (2) Any gross negligence, incompetence, misconduct or violation of an applicable code of ethics or standard of practice while engaged in the occupation or profession for which the person is licensed;
- (3) Conviction of a crime to the extent permitted by Title 5, chapter 341;
- (4) Any violation of the governing law of an office, board or commission;
- (5) Any violation of the rules of an office, board or commission;
- (6) Engaging in any activity requiring a license under the governing law of an office, board or commission that is beyond the scope of acts authorized by the license held;
- (7) Continuing to act in a capacity requiring a license under the governing law of an office, board or commission after expiration, suspension or revocation of that license;
- (8) Aiding or abetting unlicensed practice by a person who is not licensed as required by the governing law of an office, board or commission;
- (9) Noncompliance with an order or consent agreement of an office, board or commission;
- (10) Failure to produce any requested documents in the licensee's possession or under the licensee's control concerning a pending complaint or proceeding or any matter under investigation; or
- (11) Any violation of a requirement imposed pursuant to section 8003-G. [2009, c. 112, Pt. B, §4 (AMD).]

B. The office, board or commission may impose the following forms of discipline upon a licensee or applicant for licensure:

- (1) Denial or refusal to renew a license, or issuance of a license in conjunction with the imposition of other discipline;
- (2) Issuance of warning, censure or reprimand. Each warning, censure or reprimand issued must be based upon violation of a single applicable law, rules or condition of licensure or must be based upon a single instance of actionable conduct or activity;
- (3) Suspension of a license for up to 90 days for each violation of applicable laws, rules or conditions of licensure or for each instance of actionable conduct or activity. Suspensions may be set to run concurrently or consecutively. Execution of all or any portion of a term of suspension may be stayed pending

successful completion of conditions of probation, although the suspension remains part of the licensee's record;

(4) Revocation of a license;

(5) Imposition of civil penalties of up to \$1,500, or such greater amount as may be authorized by statute, for each violation of applicable laws, rules or conditions of licensure or for each instance of actionable conduct or activity; or

(6) Imposition of conditions of probation upon an applicant or licensee. Probation may run for such time period as the office, board or commission determines appropriate. Probation may include conditions such as: additional continuing education; medical, psychiatric or mental health consultations or evaluations; mandatory professional or occupational supervision of the applicant or licensee; practice restrictions; and other conditions as the office, board or commission determines appropriate. Costs incurred in the performance of terms of probation are borne by the applicant or licensee. Failure to comply with the conditions of probation is a ground for disciplinary action against a licensee. [2009, c. 112, Pt. B, §4 (AMD).]

C. The office, board or commission may execute a consent agreement that resolves a complaint or investigation without further proceedings. Consent agreements may be entered into only with the consent of the applicant or licensee; the office, board or commission; and the Department of the Attorney General. Any remedy, penalty or fine that is otherwise available by law, even if only in the jurisdiction of the Superior Court, may be achieved by consent agreement, including long-term suspension and permanent revocation of a professional or occupational license. A consent agreement is not subject to review or appeal and may be modified only by a writing executed by all parties to the original consent agreement. A consent agreement is enforceable by an action in Superior Court. [2007, c. 402, Pt. C, §3 (NEW).]

D. The office, board or commission may:

(3) Except as provided in Title 37-B, section 390-A, adopt rules requiring continuing professional or occupational education and require applicants for license renewal to present proof of satisfactory completion of continuing professional or occupational education in accordance with such rules. Failure to comply with the continuing education rules is punishable by nonrenewal of the license and other discipline authorized by this subsection. Notwithstanding any contrary provision set forth in the governing law of an office, board or commission, continuing education requirements may coincide with the license renewal period. Rules adopted pursuant to this subparagraph are routine technical rules as described in Title 5, chapter 375, subchapter 2-A;

(4) Issue continuing education deferments in cases of undue hardship;

(5) Grant inactive status licenses to licensees in accordance with rules that may be adopted by each office, board or commission. The fee for an inactive status license may not exceed the statutory fee cap for license renewal set forth in the governing law of the office, board or commission. Licensees in inactive status are required to pay license renewal fees for renewal of an inactive status license

and may be required to pay a reinstatement fee as set by the Director of the Office of Licensing and Registration if the license is reactivated on a date other than the ordinary renewal date of the license. Any rules of an office, board or commission regulating inactive status licensure must describe the obligations of an inactive status licensee with respect to any ongoing continuing education requirement in effect for licensees of the office, board or commission and must set forth any requirements for reinstatement to active status, which requirements may include continuing education. Rules adopted pursuant to this subparagraph are routine technical rules as described in Title 5, chapter 375, subchapter 2-A; and

(6) Delegate to staff the authority to review and approve applications for licensure pursuant to procedures and criteria established by rule. Rules adopted pursuant to this subparagraph are routine technical rules as described in Title 5, chapter 375, subchapter 2-A. [2007, c. 621, §3 (AMD).]

E. The office, board or commission may require surrender of licenses. In order for a licensee's surrender of a license to be effective, a surrender must first be accepted by vote of the office, board or commission. The office, board or commission may refuse to accept surrender of a license if the licensee is under investigation or is the subject of a pending complaint or proceeding, unless a consent agreement is first entered into pursuant to this subsection. The consent agreement may include terms and conditions for reinstatement. [2007, c. 402, Pt. C, §3 (NEW).]

F. The office, board or commission may issue a letter of guidance or concern to a licensee. A letter of guidance or concern may be used to educate, reinforce knowledge regarding legal or professional obligations or express concern over action or inaction by the licensee that does not rise to the level of misconduct sufficient to merit disciplinary action. The issuance of a letter of guidance or concern is not a formal proceeding and does not constitute an adverse disciplinary action of any form. Notwithstanding any other provision of law, letters of guidance or concern are not confidential. The office, board or commission may place letters of guidance or concern, together with any underlying complaint, report and investigation materials, in a licensee's file for a specified period of time, not to exceed 10 years. Any letters, complaints and materials placed on file may be accessed and considered by the office, board or commission in any subsequent action commenced against the licensee within the specified time frame. Complaints, reports and investigation materials placed on file are confidential only to the extent that confidentiality is required pursuant to Title 24, chapter 21. [2007, c. 402, Pt. C, §3 (NEW).]

G. The office, board or commission may establish, by rule, procedures for licensees in another state to be licensed in this State by written agreement with another state, by entering into written licensing compacts with other states or by any other method of license recognition considered appropriate that ensures the health, safety and welfare of the public. Rules adopted pursuant to this paragraph are routine technical rules pursuant to Title 5, chapter 375, subchapter 2-A. [2007, c. 402, Pt. C, §3 (NEW).]

The jurisdiction to impose discipline against occupational and professional licenses conferred by this subsection is concurrent with that of the District Court. Civil penalties must be paid to the Treasurer of State.

Any nonconsensual disciplinary action taken under authority of this subsection other than denial or nonrenewal of a license may be imposed only after a hearing conforming to the requirements of Title 5, chapter 375, subchapter 4 and is subject to judicial review exclusively in the Superior Court in accordance with Title 5, chapter 375, subchapter 7.

The office, board or commission shall hold a hearing conforming to the requirements of Title 5, chapter 375, subchapter 4 at the written request of any person who is denied an initial or renewal license without a hearing for any reason other than failure to pay a fee, provided that the request for hearing is received by the office, board or commission within 30 days of the applicant's receipt of written notice of the denial of the application, the reasons for the denial and the applicant's right to request a hearing.

The office, board or commission may subpoena witnesses, records and documents in any adjudicatory hearing it conducts.

### 10 §8003-B. CONFIDENTIALITY OF INVESTIGATIVE RECORDS

**1. During investigation.** Unless otherwise provided by Title 24, chapter 21, all complaints and investigative records of the licensing boards and commissions within or affiliated with the Department of Professional and Financial Regulation are confidential during the pendency of an investigation. Those records become public records upon the conclusion of an investigation unless confidentiality is required by some other provision of law. For purposes of this section, an investigation is concluded when:

- A. A notice of an adjudicatory hearing under Title 5, chapter 375, subchapter IV has been issued; [1989, c. 173, (NEW).]
- B. [1999, c. 687, Pt. C, §10 (RP).]
- C. A consent agreement has been executed; or [1989, c. 173, (NEW).]
- D. A letter of dismissal has been issued or the investigation has otherwise been closed. [1989, c. 173, (NEW).]

[ 1999, c. 687, Pt. C, §10 (AMD) .]

**2. Exceptions.** Notwithstanding subsection 1, during the pendency of an investigation, a complaint or investigative record may be disclosed:

- A. To department employees designated by the commissioner; [1989, c. 173, (NEW).]
- B. To designated complaint officers of the appropriate board or commission; [1989, c. 173, (NEW).]
- C. By a department employee or complaint officer designated by the commissioner when, and to the extent, deemed necessary to facilitate the investigation; [1989, c. 173, (NEW).]
- D. To other state or federal agencies when the files contain evidence of possible violations of laws enforced by those agencies; [1989, c. 173, (NEW).]
- E. When, and to the extent, deemed necessary by the commissioner to avoid

imminent and serious harm. The authority of the commissioner to make such a disclosure shall not be delegated; [1989, c. 173, (NEW).]

F. Pursuant to rules which shall be promulgated by the department, when it is determined that confidentiality is no longer warranted due to general public knowledge of the circumstances surrounding the complaint or investigation and when the investigation would not be prejudiced by the disclosure; and [1989, c. 173, (NEW).]

G. To the person investigated on request. The commissioner may refuse to disclose part or all of any investigative information, including the fact of an investigation, when the commissioner determines that disclosure would prejudice the investigation. The authority of the commissioner to make such a determination shall not be delegated. [1989, c. 173, (NEW).]

[ 1989, c. 173, (NEW) .]

**2-A. Certain client records confidential.** Notwithstanding subsections 1 and 2, a treatment record provided to a licensing board or commission within or affiliated with the department during investigation of a person licensed by the department in a medical, mental health, substance abuse, psychological or health field that contains information personally identifying a licensee's client or patient is confidential during the pendency of the investigation and remains confidential upon the conclusion of the investigation. A treatment record may be disclosed only if:

A. The client or patient executes a written release that states that:

(1) Unless the release provides for more limited disclosure, execution of the release may result in the record becoming a public record; or

(2) If the client or patient wishes, execution of the release allows disclosure to only the person or persons clearly identified in the release. The release must require the person or persons identified in the release not to make a disclosure to another person; [1993, c. 552, §1 (NEW).]

B. The disclosure is necessary under Title 22, chapter 857 concerning personnel and licensure actions; [1993, c. 552, §1 (NEW).]

C. The disclosure is necessary under Title 22, section 3474 concerning reports of suspected adult abuse or exploitation; [1993, c. 552, §1 (NEW).]

D. The disclosure is necessary under Title 22, section 4011-A concerning reports of suspected child abuse or neglect; or [2001, c. 345, §1 (AMD).]

E. The disclosure is necessary under Title 22, section 7703 concerning reports of suspected child or adult abuse or neglect. [1993, c. 552, §1 (NEW).]

A release executed by a client or patient does not operate to disclose a record otherwise made confidential by law.

This subsection does not prevent disclosure of records pursuant to an order of a court of competent jurisdiction upon good cause shown.

[ 2001, c. 345, §1 (AMD) .]

**3. Attorney General records.** The provision or disclosure of investigative records of the Department of the Attorney General to a departmental employee designated by the commissioner or to a complaint officer of a board or commission does not constitute a waiver of the confidentiality of those records for any other purposes. Further disclosure of those investigative records is subject to Title 16, section 614 and the discretion of the Attorney General.

[ 1993, c. 719, §4 (AMD); 1993, c. 719, §12 (AFF) .]

The board shall issue advisory rulings in writing. The advisory ruling must include a statement of facts or assumptions, or both, upon which the ruling is based. The statement, without reference to other documents, must be sufficiently detailed to apprise the reader of the basis of the opinion. The assent of three members of the board is required for the issuance of an advisory ruling. The ruling must be signed by the board chair, must be identified specifically as an advisory ruling, and must be numbered serially.

**D. Publication**

The department shall mail the advisory ruling to the requesting party and the Board Administrator shall retain a copy.
