Please visit our website if you wish to monitor progress. If the status appears as Pending, this means that your application was received by this office and it is pending or under review. Once reviewed and if everything about your application is complete and complies with requirements, the license will be issued and the status will show as ACTIVE.

Please refrain from calling our office to “check” on your application as these calls only serve to slow our ability to review and process applications. Information regarding the status of applications may be found at the Office of Professional and Occupational Regulation’s website www.maine.gov/professionallicensing. We appreciate your thoughtful attention to this request.

**IMPORTANT INFORMATION REGARDING YOUR LICENSE:** The Office no longer prints licenses. Upon issuance of your license, you will be notified by email using the email address you provide in this application from noreply@maine.gov that your license has been issued with your license attached to the email (a paper license will not be sent by regular mail). The email with your license will contain the access code that is required to renew your license online when the time comes. You may also update your contact information and email address using this access code, go online to www.maine.gov/professionallicensing.

Approximately sixty (60) days prior to the expiration of your license a courtesy renewal reminder will be sent to you by email. It is important that you maintain a current email on file or risk not receiving the renewal reminder. You do not need to wait for a renewal reminder to renew your license. The online renewal opens sixty (60) days prior to the license expiring and you may renew online anytime.
