APPLICATION GUIDELINE

Enclosed are all relevant materials for licensing a Manufactured Housing Community in the State of Maine. If you have any questions, you may contact the Manufactured Housing Board office at (207) 624-8612.

APPLICATION DEADLINE

All applications must be received by the Manufactured Housing Board office **20 days** prior to the scheduled Board meeting date.

LICENSING REQUIREMENTS

To apply for new ownership of a manufactured housing community, the following must be submitted

1. Application for a Manufactured Housing Community License;
2. If applicant is not an individual, certificate of good standing from the Secretary of State where the applicant is registered;
3. If the applicant is a foreign entity, documentation of registration with the Maine Secretary of State Corporation Division. You may contact the Corporation Division by telephone at (207) 624-7752 for existing entities, and at (207) 624-7740 for new entities; and
4. Appropriate license fee;
5. Drinking Water Approval. The application shall include **one** of the following relating to drinking water:
 - A. A letter from a public water utility that it will be supplying drinking water to the manufactured housing community. For the purpose of these rules, a manufactured housing community that sub meters water to residents shall not be deemed a public water utility;
 - B. Approval as a community water system by the Department of Human Services, Division of Health Engineering; or
 - C. A statement from the Division of Environmental Health within the Center of Disease Control and Prevention, Department of Health and Human Services that the Private Water System meets the requirements of the Manufactured Housing Board contained in Chapter 840 of the Board's rules.
6. Wastewater Disposal. The application shall include **one** of the following relating to wastewater disposal:
 - A. An approval letter from a public sewage utility that will be handling the wastewater disposal for the manufactured housing community; or
 - B. Approval of a subsurface wastewater disposal design for the manufactured housing community by the Division of Environmental Health within the Center of Disease Control and Prevention, Department of Health and Human Services.

To apply for an original license to operate a new manufactured housing community the following must be submitted

1. Application for a Manufactured Housing Community License;
2. If applicant is not an individual, certificate of good standing from the Secretary of State where the applicant is registered;
3. If the applicant is a foreign entity, documentation of registration with the Maine Secretary of State Corporation Division. You may contact the Corporation Division by telephone at (207) 624-7752 for existing entities, and at (207) 624-7740 for new entities.
4. Appropriate license fee;
5. Planning and Design documents. The application shall include the following planning & design documents:
 - A. A copy of the vesting deed, option or other document showing the applicant's right, title or interest in the tract of land proposed for construction and operation of a manufactured housing community;
 - B. A copy of the vesting deed option or other document showing the location and legal description of the tract of land proposed for construction and operation of a manufactured housing community; and
 - C. A site plan prepared by a registered engineer and/or professional land surveyor licensed to practice in the State of Maine, with the required seal affixed to the plan. The scale of the plan shall be no less detailed than 1" = 100', provided that the Board may in its discretion accept a less detailed plan if the less detailed plan allows the Board to determine whether the community meets the requirements of this chapter. The plan shall have a dimension tolerance of no more than 1% (i.e., 1' in 100' or 1° in 100°). The plan shall clearly show the dimensions and area of each site and the total area of the community, road locations and dimensions, sites, well and pump house locations, waste disposal systems, water and sewer lines, streams, culverts, and any additional detail required by the Board. The Board may waive the filing of a site plan as described in this paragraph in whole or in part, depending on the complexity of the application, if other submissions of the applicant demonstrate that the community meets the requirements of this chapter.
6. Drinking Water Approval. The application shall include one of the following relating to drinking water:
 - A. A letter from a public water utility that it will be supplying drinking water to the manufactured housing community. For the purpose of these rules, a manufactured housing community that sub meters water to residents shall not be deemed a public water utility;
 - B. Approval as a community water system by the Department of Human Services, Division of Health Engineering; or
 - C. A statement from the Division of Environmental Health within the Center of Disease Control and Prevention, Department of Health and Human Services that the Private Water System meets the requirements of the Manufactured Housing Board contained in Chapter 840 of the Board's rules.

7. Wastewater Disposal. The application shall include **one** of the following relating to wastewater disposal:
 - A. An approval letter from a public sewage utility that will be handling the wastewater disposal for the manufactured housing community; or
 - B. Approval of a subsurface wastewater disposal design for the manufactured housing community by the Division of Environmental Health within the Center of Disease Control and Prevention, Department of Health and Human Services.

To apply for an expansion of a manufactured housing community the following must be submitted:

1. Application for a Manufactured Housing Community License;
2. If applicant is not an individual, certificate of good standing from the Secretary of State where the applicant is registered;
3. If the applicant is a foreign entity, documentation of registration with the Maine Secretary of State Corporation Division. You may contact the Corporation Division by telephone at (207) 624-7752 for existing entities, and at (207) 624-7740 for new entities;
4. Appropriate license fee;
5. Planning and Design documents. The application shall include the following planning & design documents with respect to the proposed additional sites:
 - A. A copy of the vesting deed, option or other document showing the applicant's right, title or interest in the tract of land proposed for construction and operation of a manufactured housing community;
 - B. A copy of the vesting deed option or other document showing the location and legal description of the tract of land proposed for construction and operation of a manufactured housing community; and
 - C. A site plan prepared by a registered engineer and/or professional land surveyor licensed to practice in the State of Maine, with the required seal affixed to the plan. The scale of the plan shall be no less detailed than 1" = 100,' provided that the Board may in its discretion accept a less detailed plan if the less detailed plan allows the Board to determine whether the community meets the requirements of this chapter. The plan shall have a dimension tolerance of no more than 1% (i.e., 1' in 100' or 1° in 100°). The plan shall clearly show the dimensions and area of each site and the total area of the community, road locations and dimensions, sites, well and pump house locations, waste disposal systems, water and sewer lines, streams, culverts, and any additional detail required by the Board. The Board may waive the filing of a site plan as described in this paragraph in whole or in part, depending on the complexity of the application, if other submissions of the applicant demonstrate that the community meets the requirements of this chapter.

6. Drinking Water Approval. The application shall include **one** of the following relating to drinking water with respect to the proposed additional sites:
 - A. A letter from a public water utility that it will be supplying drinking water to the manufactured housing community. For the purpose of these rules, a manufactured housing community that submeters water to residents shall not be deemed a public water utility;
 - B. Approval as a community water system by the Department of Human Services, Division of Health Engineering; or
 - C. A statement from the Maine Department of Human Services, Division of Health Engineering that the private water system meets the requirements of the Manufactured Housing Board contained in Appendix A to Chapter 850 of the board's rules.
