GENERAL INSTRUCTIONS AND INFORMATION

10 DAY NOTIFICATION REQUIREMENTS:

Pursuant to 10 M.R.S §8003-G, any change in name, address, email address, criminal convictions, disciplinary actions, or any material change set forth in your original application for licensure must be reported to The Maine Fuel Board within 10 days.

IMPORTANT INFORMATION REGARDING LICENSE DELIVERY:

The Maine Fuel Board does not print licenses. Your license will be sent to you at the email address you provide to us on your application. The license will arrive from email sender address: noreply@maine.gov. The attachment with this email is your license where you may open it and print your license. If you do not locate your license in your inbox, please check your junk/spam folders for this email. Please either save our email address (noreply@maine.gov) in your contacts or as a safe sender to prevent your license from being directed to your junk/spam folders.

LICENSE RENEWAL INFORMATION:

Approximately sixty (60) days prior to the expiration of your license a courtesy renewal reminder will be sent to you by email. It is important that you maintain a current email on file, or you risk not being able to receive the renewal reminder. You do not need to wait for a renewal reminder to renew your license. The online renewal opens sixty days prior to the license expiring and you may renew online. Failure to receive a courtesy renewal reminder notice does not impact your responsibility to renew your license in a timely manner.

APPLICATION PROCESSING TIME:

Your application has a greater chance of being processed expeditiously if it is complete and all supporting documents are included. To ensure that The Maine Fuel Board received your application please visit our website at <https://www.pfr.maine.gov/almsonline/almquery/welcome.aspx?board=4320>. After your application has been received your name will appear when you complete a “licensee search” on your name as you entered it on your application. The status will appear as “Pending.” This is not an actual license approval at this point; it is simply a verification that an application has been received and is in the queue for review. When a license is issued the status will change from pending to active.

Please refrain from calling our office to “check” on your application as these calls only serve to slow our ability to review and process applications.
