

**MAINE REAL ESTATE COMMISSION  
CONTINUING EDUCATION COURSE SCHEDULE**

Last Updated December 6, 2023

Maine licensees renewing an active real estate license are required to complete a total of 21 clock hours of approved continuing education prior to renewal of the license. The hours must include 3 hours for the core requirement. Please note that the date your license is due for renewal determines which core course you are required to complete. See the Core Course Provider list on the last page of this report for more information in that regard.

The Real Estate Commission has received notification that the following courses will be offered on the dates indicated. All courses on this list are approved by the Commission for the number of hours indicated and may be applied to the renewal or activation requirement for real estate licensees.

Other courses may be approved for which the Commission has not received scheduling information. You may contact the Commission at 624-8518 if you have questions about a course that does not appear on this list.

Contact the course provider for information about fees, registration procedure, time and location of a course.
