The following is a guideline to assist in your application process. It does not, however, replace the requirements outlined in the Maine Board of Pharmacy Laws and Rules. Please review them carefully for more detailed and clarifying information.

The Board may waive the Naplex and the Multi-State Pharmacy Jurisprudence Exam. Below is the information in the event you are required to re-test for either examination.

- If you are **hold a current active licensed in another state** you are NOT required to re-take the examinations.
- If you are **NOT currently licensed in another state** you are required to re-take the MPJE. Effective May 1, 2017 the Maine Board will no longer be qualifying candidates for the MPJE. Prior to submitting this application you must have obtained a passing score on the Maine MPJE examination.

To be submitted with your application:

- You must demonstrate that you are at least 21 years of age. A photocopy of your official birth certificate or other official legal document is acceptable.
- Official transcripts of your pharmacy degree must accompany your application.
 - All Foreign pharmacy graduates must submit the FPGEC issued by NABP. You must submit the appropriate certification evidence issued by NABP with this application. Please visit the NABP website for information on the FPGEE process and to contact NABP www.nabp.pharmacy. We cannot assist you on this matter.
- You must provide evidence of having completed a minimum of 1,500 internship hours from a college or state licensing body. If a form is required, they accessible online at www.maine.gov/professionallicensing
- If you hold or have held a professional license in another state or jurisdiction, you must submit evidence from the State of licensure in the form of a License Verification.
- 15 Hours of Continuing Education completed during the calendar year preceding this application

For Specialty Authorization:

- In Maine, you must be authorized to Administer Drugs and Vaccines and/or Collaborative Drug Therapy Management by virtue of additional license(s). This office cannot provide you with a hard copy of laws and rules. However, all of these documents are available online at www.maine.gov/professionallicensing. Please visit the websites listed above to access these documents electronically. These documents may be subject to change without notice and it is strongly advised that you periodically revisit these sites for any updates.

Processing Time:

Your application has a greater chance of being processed expeditiously if it is complete and all supporting documents are attached. Please visit our website at www.maine.gov/professionallicensing to monitor your application's progress in real time. If the status appears as "PENDING", this means that your application was received by this office, and is pending or under review. Once reviewed, and if everything about your application is complete and complies with requirements, the permit will be issued. The status online will show as "ACTIVE". If your application is incomplete, a letter will be mailed to you.

Please refrain from calling our office to "check" on your application as these calls only serve to slow our ability to review and process applications.

IMPORTANT INFORMATION REGARDING YOUR LICENSE:

The Office no longer prints licenses. You will be notified by email from noreply@maine.gov using the email address you provide on this application. A copy of your license will be attached to that email. (a paper license will not be sent by regular mail). **The email with your license will contain the access code that is required to renew your license online when the time comes.** You may also update your contact information and email address on our website www.maine.gov/professionallicensing using your access code.

Approximately sixty (60) days prior to the expiration of your license a courtesy renewal reminder will be sent to you by email. It is important that you maintain a current email on file, or you risk not being able to receive the renewal reminder. You do not need to wait for a renewal reminder to renew your license. The online renewal opens sixty (60) days prior to the license expiring and you may renew online anytime. Failure to receive a courtesy renewal reminder notice does not waive your responsibility to renew your license in a timely manner.

VERIFICATION OF LICENSURE

**** A copy of your license is not considered a license verification ****

If you hold or have held a professional license in another state or jurisdiction, you must submit evidence from the State of licensure in the form of a License Verification.

You must contact the State Licensing Board or Jurisdiction that you currently hold a valid license to obtain a license verification. At a minimum, the license verification must include:

- Initial date of issuance
- Expiration date
- Current status, i.e. active, inactive, lapsed, probation, restricted, suspended, or revoked.
- Indication of discipline-yes/no, a checkbox, (no) files attached, etc.—if the State requires a separate search, such as New York State, submit the page where your name would be listed if you had discipline, but do not submit all the search results (could be 20-30 pages).

Please direct the licensing jurisdiction to send the License Verification report to you directly and in turn you must submit this verification with your completed Maine application.

A sample license verification is available on the Board's website in the applications and forms section.

IMPORTANT: Applications submitted without **all of the Verifications of Licensure** from the licensing jurisdiction(s) will not be accepted and your application returned as incomplete.

You may also obtain an electronically produced License Verification directly from the State Board website. For electronic License Verifications please be sure that it contains the State web-address and date the License Verification was printed, and any indication of disciplinary history.
