- ✓ Your application has greater chance of being processed expeditiously if it is complete and all supporting documents are attached. Action on this application is posted to the web in real time. Please visit our website if you wish to monitor progress. If the status appears as Pending, this means that your application was received by this office and it is pending or under review. Once reviewed and if everything about your application is complete and complies with requirements, the license will be issued and the status will show as ACTIVE. If incomplete and a letter is being sent to you, the letter will be available for you to see online.
- ✓ Please refrain from calling our office to “check” on your application as these calls only serve to slow our ability to review and process applications. We appreciate your thoughtful attention to this request.

## VERIFICATION OF LICENSURE

**\*\* A copy of your license is not considered a license verification \*\***

If you hold or have held a professional license in another state or jurisdiction, you must submit evidence from the State of licensure in the form of a License Verification.

You must contact the State Licensing Board or Jurisdiction that you currently hold a valid license to obtain a license verification. At a minimum, the license verification must include:

- Initial date of issuance
- Expiration date
- Current status, i.e. active, inactive, lapsed, probation, restricted, suspended, or revoked.
- Indication of discipline-yes/no, a checkbox, (no) files attached, etc.—if the State requires a separate search, such as New York State, submit the page where your name would be listed if you had discipline, but do not submit all the search results (could be 20-30 pages).

Please direct the licensing jurisdiction to send the License Verification report to you directly and in turn you must submit this verification with your completed Maine application.

A sample license verification is available on the Board's website in the applications and forms section.

**IMPORTANT:** Applications submitted without **all of the Verifications of Licensure** from the licensing jurisdiction(s) will not be accepted and your application returned as incomplete.

You may also obtain an electronically produced License Verification directly from the State Board website. For electronic License Verifications please be sure that it contains the State web-address and date the License Verification was printed, and any indication of disciplinary history.
