Chapter 1-A: LICENSURE BY ENDORSEMENT

---

**Summary:** This Chapter outlines the process to issue a license by endorsement pursuant to Title 10, Section 8003-H of the Maine Revised Statutes, to an applicant who presents proof of licensure by another jurisdictions of the United States as long as the other jurisdiction maintains substantially equivalent license requirements and no cause for denial of a license exists under 10 M.R.S. § 8003(5-A)(A) or under any other law.

---

1. LICENSURE BY ENDORSEMENT

An individual applying for a license by endorsement must meet the following requirements:

1. License from Another U.S. Jurisdiction

An applicant licensed under another jurisdiction who seeks licensure in Maine pursuant to 10 M.R.S. § 8003-H must:

- A. Hold a valid, active podiatrist license issued by another jurisdiction of the United States that maintains substantially equivalent license requirements for the type of license sought;
- B. Submit a completed application form; and
- C. Submit any fee as required by Chapter 10 of the rules of the Office of Professional and Occupational Regulation.

2. Substantially Equivalent License Requirements

“Substantially equivalent license requirements” means that the jurisdiction maintains a pathway for initial licensure that at a minimum requires the education, examination, and post-graduate experience in sections A, B, and C below:

- A. Graduation from an accredited college of podiatric medicine, recognized by the Council on Podiatric Medical Education or its successor;
- B. Passage of Parts 1 and 2 of the National Board of Podiatric Medical Examiners examinations; and
- C. Completion of postgraduate clinical training in a podiatric residency training program approved by the accrediting body of the American Podiatric Medical Association or its successor.

3. Proof of Good Standing in All Jurisdictions

---

An applicant must be in good standing in all jurisdictions in which the applicant holds or has held a license. For the purposes of this subsection, “good standing” means that the applicant does not have a complaint, allegation or investigation pending, does not have a license that is suspended or subject to practice restrictions and has never surrendered a license or had a license revoked.
