V. EXAMINATION APPLICATION REVIEW

- a. Michael R. Cicero – JY40093721 – A recommendation was made to issue a notice of an incomplete application to the MMA graduate to sit for the journeyman exam. The applicant has not provided evidence of licensed work*

experience under 'pathway I' of the board's statute.

- b. Nathan M. Bilodeau – MS60022076 – A recommendation was made to table action on the application and have a representative from CMCC (Travis Brown) present the college's master electrician program of study. Questioning motors and class hours.*
- c. Nolan Rioux – MS60022069 - A recommendation was made to approve him to sit for the exam based on completing the PI and PII program of study at PennFoster, which included an electronics course.*
- d. Matthew Digioia – LM50017826 - A recommendation was made to send a notice of an incomplete application to the applicant requesting evidence of education under the board's rule.*
- e. Rocky Gorbey – JY 40092978 - A recommendation was made to credit 4,000 hours of work experience toward the journeyman exam based on military training in the trade.*
- f. Jason Swazey – JY40093726 – A recommendation was made to credit 3,000 hours of work experience toward the journeyman exam based on military training in the trade.*
- g. Kevin Caverhill – A recommendation was made to allow the application to sit for the journeyman exam based on his education at NMCC upon completion of the 45 hour NEC course.*
- h. Frank Andrew Damon – JY40093732 - A recommendation was made to credit 4,000 hours as work experience based on the applicant's military experience. The applicant has hours of work experience for the house wiring exam. The applicant will need to complete a 45-hour course in the 2020 NEC before approving him to sit for either exam.*
