Towns with own Permitting

Below is a list of towns that do all or some of their own permitting. For all jobs except <u>single family dwellings</u>: if a town is not listed below a permit must be obtained from the state. There are some exceptions to this law: see http://www.mainelegislature.org/legis/statutes/32/title32sec1102-C.html

If you have any question regarding permits please call the inspector for your area or leave a message on the general voicemail box at 624-8519 and the appropriate inspector will call you back. No work can be started without a permit. <u>Permit fees are non-refundable.</u>

Definitions:
All: Town does all permitting
Commercial: Anything but SFD or Duplex
Duplex: 2 dwelling units in same structure
LE: fire alarms, building control systems, etc
No LE: Town does all permitting except low energy (LE)
SFD: single family dwelling
SFT: single family temporary
