The State of Maine welcomes active duty service members, and their spouses/domestic partners, and recent veterans, and their spouses/domestic partners, to apply for a Maine professional or occupational license. We thank you and your families for your service to our country.

Pursuant to [Public Law 2021, ch. 106](#) (“PL2021, c.106”) the Maine Office of Professional and Occupational Regulation (“OPOR”) will issue a temporary Maine license to active duty service members, recently separated military, and their spouses/domestic partners, if that person has a comparable and unrestricted license in another jurisdiction and completes the required application and affidavit. Once the completed application and notarized affidavit is mailed to the address below, and staff determines that the applicant meets the requirements of [PL2021, c.106](#) for a license issued by OPOR¹, the applicant will be issued a temporary license effective immediately². The temporary license is effective for 180 days, during which time the temporary license holder must apply for full licensure. OPOR staff will also send you information about how to apply for full license application when they issue the temporary license.

If you can affirm the two statements below, you may apply for a temporary license by completing both the Application and Affidavit.

I affirm I am:

- An active duty service member, or a spouse or domestic partner of an active duty service member.

OR

- A recently separated veteran, or a spouse or domestic partner of a recently separated veteran. A “recently separated veteran” means a veteran of the Armed Forces of the United States during the 3-year period beginning on the date of the veteran’s honorable discharge or release from active duty.

AND

- I have a comparable and unrestricted license in another state or territory of the United States. This license must be in good standing and may not be temporary, conditional, probationary, or otherwise restricted. In addition, all other comparable licenses that I held or formerly held in any other jurisdiction are, or have been, in good standing, not restricted and not the subject of any outstanding complaint or open investigation.

If you affirmed both statements, please complete and mail the following Application, Affidavit, and photocopy of your current comparable license to:

***Office of Professional and Occupational Regulation
35 State House Station
Augusta, ME 04333***

If you have questions, please contact Shawn.C.Brooks@maine.gov or 207-624-8511.

¹ A list of occupations and professions regulated by OPOR is available at [10 M.R.S. § 8001 \(38\)](#).

² Certain license types have requirements for active practice such as, for example, employment, bonding, or supervision. You will be contacted prior to the issuance of the temporary license if there are additional requirements.
