- An educational program or institution accredited by the midwifery education accreditation council;
- For an applicant certified as a certified professional midwife who is certified before January 1, 2020 and who has completed a midwifery education and training program from an educational program or institution that is not accredited by the midwifery education accreditation council, a midwifery bridge certificate; or

As applicable, submit documentation of a license in another state or a criminal conviction.

Other than Maine:

- 1) submit verification of licensure from each state you hold or held any type of professional license, including a license to practice as a certified midwife;
- 2) if you were convicted of a crime, submit a copy of the court judgment and a letter explaining the events of the crime.

VERIFICATION OF LICENSURE

**** A copy of your license is not considered a license verification ****

If you hold or have held a professional license in another state or jurisdiction, you must submit evidence from the State of licensure in the form of a License Verification.

You must contact the State Licensing Board or Jurisdiction that you currently hold a valid license to obtain a license verification. At a minimum, the license verification must include:

- Initial date of issuance
- Expiration date
- Current status, i.e. active, inactive, lapsed, probation, restricted, suspended, or revoked.
- Indication of discipline-yes/no, a checkbox, (no) files attached, etc.—if the State requires a separate search, such as New York State, submit the page where your name would be listed if you had discipline, but do not submit all the search results (could be 20-30 pages).

A sample license verification is available on the Board's website in the applications and forms section.
