INFORMATIONAL

- ✓ Receipt of your application does not constitute entitlement to begin to ship contact lenses into Maine. While applications are logged in as 'pending' this does not mean a license has been issued. You must hold an active license in order to begin shipping into Maine. Processing time depends greatly on the completeness of your application.
- ✓ Your application has greater chance of being processed expeditiously if it is complete and all supporting documents are attached. Action on this application is posted to the web in real time. Please visit our website if you wish to monitor progress. If the status appears as Pending, this means that your application was received by this office and it is pending or under review. Once reviewed and if everything about your application is complete and complies with requirements, the license will be issued and the status will show as ACTIVE. If incomplete and a letter is being sent to you, the letter will be available for you to see online.
- ✓ Please refrain from calling our office to "check" on your application as these calls only serve to slow our ability to review and process applications. Information regarding the status of applications may be found at the Office of Professional and Occupational Regulation's website www.maine.gov/professionallicensing. We appreciate your thoughtful attention to this request.
- ✓ Once your license is issued it is immediately visible online with an "active" status. Licenses are printed off site and require at least 14 business days for delivery.
- ✓ If there is an urgent need to contact us, please be advised that we will only discuss your application with the contact person named in the application to avoid miscommunications. This is done not only for your protection, but to also avoid any complications with too many hands involved, which generally leads to miscommunication or misunderstandings. Our goal is to streamline your process, not complicate it.
- ✓ Once your license is issued it is immediately visible online with an "active" status and you may begin to operate. Please be advised that licenses are printed off site and require at least 14 business days for delivery.
- ✓ Incomplete applications or documents that have been modified or altered in any way, including use of a white out substance will not be accepted and will be returned.
