LICENSE RENEWAL

- ✓ The Pharmacy Technician License is subject to be renewed annually on or before the expiration date of December 31. You must certify your employment at time of renewal.

VERIFICATION OF LICENSURE

**** A copy of your license is not considered a license verification ****

If you hold or have held a professional license in another state or jurisdiction, you must submit evidence from the State of licensure in the form of a License Verification.

You must contact the State Licensing Board or Jurisdiction that you currently hold a valid license to obtain a license verification. At a minimum, the license verification must include:

- Initial date of issuance
- Expiration date
- Current status, i.e. active, inactive, lapsed, probation, restricted, suspended, or revoked.
- Indication of discipline-yes/no, a checkbox, (no) files attached, etc.—if the State requires a separate search, such as New York State, submit the page where your name would be listed if you had discipline, but do not submit all the search results (could be 20-30 pages).

Please direct the licensing jurisdiction to send the License Verification report to you directly and in turn you must submit this verification with your completed Maine application.

A sample license verification is available on the Board's website in the applications and forms section.

IMPORTANT: Applications submitted without **all of the Verifications of Licensure** from the licensing jurisdiction(s) will not be accepted and your application returned as incomplete.

You may also obtain an electronically produced License Verification directly from the State Board website. For electronic License Verifications please be sure that it contains the State web-address and date the License Verification was printed, and any indication of disciplinary history.
