

02 **DEPARTMENT OF PROFESSIONAL AND FINANCIAL REGULATION**

392 **MAINE BOARD OF PHARMACY**

Chapter 41: **SALE OF NONPRESCRIPTION DRUGS THROUGH VENDING MACHINE
OUTLETS**

Summary: This chapter sets forth requirements for licensing, management and safe operation of vending machine outlets.

1. **DEFINITIONS.** As used in this chapter, the following terms are defined as follows:

- 1.** **Nonprescription drugs.** “Nonprescription drugs” has the same meaning as set forth in 32 M.R.S. § 13702-A(20).
- 2.** **Targeted methamphetamine precursor.** “Targeted methamphetamine precursor” has the same meaning as set forth in 32 M.R.S. § 13702-A(33).
- 2.3.** **Vending machine.** “Vending machine” means any automated mechanical device operated by a vending machine outlet licensee from which nonprescription drugs are dispensed to a consumer after ~~a form of payment is inserted or otherwise made into the~~ machine.
- 3.4.** **Vending machine outlet.** “Vending machine outlet” means any ~~pharmacy location~~ licensed by the Board pursuant to 32 M.R.S. § 13751(E) ~~to operate one or more vending machine(s) to sell non-prescription drugs.~~

2. **LICENSURE.**

- 1.** **License Required.** Only vending machine outlets may operate one or more vending machine(s) in accordance with the terms and conditions set forth in this chapter. A vending machine outlet is solely responsible for all vending machines the licensee operates.
- 2.** **Limited Authorization.** A vending machine outlet license only authorizes operation of vending machines for one (1) physical location where one or more vending machines are located. Any person desiring to operate a vending machine outlet shall obtain from the board a vending machine outlet license for each physical location where one or more vending machines outlets are located.
- 3.** **Non-transferrable.** A vending machine outlet license issued under this section is not transferable.
- 4.** **Application.**

DISCUSSION DRAFT ONLY – Does not represent the opinion of the Administration, the Department or the Board
9/1/2022 PHA Board Meeting

- A. A person seeking a vending machine outlet license shall submit an application on a form provided by the Board and pay any fees as set forth in Chapter 10 of the rules of the Office of Professional and Occupational Regulation.
- B. Any application shall include a detailed description, photograph(s) and drawing(s) of the intended location of each vending machine within the physical structure, as well as photograph(s) and drawings of the vending machine(s). Each vending machine shall be assigned a specific physical location, placement and orientation within a physical structure that is:
 - 1. weather-tight;
 - 2. well-ventilated;
 - 3. in a moisture-controlled environment;
 - 4. well-lighted; and
 - 5. protected from direct sunlight.

3. VENDING MACHINE REQUIREMENTS

1. Nonprescription Drugs Only; Limits. Only nonprescription drugs may be sold or dispensed from a vending machine. Any single vending machine may sell or dispense no more than twelve (12) different nonprescription drugs.

~~**1.2. No Targeted Methamphetamine Precursors.**~~ ~~Under no circumstance may targeted methamphetamine precursors be sold from any vending machine.~~

~~**1.3. Compliance with Manufacturer Recommendations.**~~ ~~Nonprescription drugs dispensed by a vending machine shall be:~~

- ~~A. Stored in accordance with manufacturer recommendations, including those that require a stable temperature;~~
- ~~B. Sold only in the manufacturer’s clearly labeled, original, unbroken, tamper-proof and expiration-dated packaging; and~~
- ~~C. No older than the manufacturer’s expiration date.~~

3.4. Machine Labeling.

- 1. Each vending machine outlet must have an obvious and legible statement or label on each machine that:
 - A. Identifies the owner of the machine, and, if different, the vending machine outlet licensee;
 - B. Identifies the vending machine’s serial number;
 - C. Lists the Vending Machine License number issued by the Maine Board of Pharmacy and the license expiration date;

DISCUSSION DRAFT ONLY – Does not represent the opinion of the Administration, the Department or the Board
9/1/2022 PHA Board Meeting

- D. Provides a toll-free telephone number at which the consumer may contact the owner of the machine, and, if different, the vending machine outlet licensee;
- E. Provides contact information for the Northern New England Poison Center; and
- E. Advises the consumer to check the expiration date of the product before using the product.

4. Expired Nonprescription Drugs

Under no circumstance may expired nonprescription drugs be sold or dispensed from a vending machine. It is the sole responsibility of each vending machine outlet licensee to ensure products are in date and that expired drugs are promptly removed upon expiration.

4. PROCEDURE FOR RELOCATING OR RETIRING A VENDING MACHINE

Before relocating or retiring any vending machine outlet previously covered by a vending machine outlet license, the vending machine outlet licensee shall notify the Board in writing of that relocation or retirement. The notice shall include the following: license number; vending machine's serial number; action planned (relocation or retirement); if relocating, ~~the intended new location~~ provide all information required above in subsection (2)(4)(B) for the new location; and if retiring a vending machine, the manner of disposition of the nonprescription drug contents of the vending machine.

5. INSPECTION

Each vending machine outlet is subject to inspection by a Board designee. The vending machine outlet licensee or its agent shall provide access to the contents of the vending machine immediately upon request from the Board's designee.
