Section 5

Section 5(8) (barbering and cosmetology), 5(27) (pharmacy), 5(34) (real estate appraisers) and 5(38) (speech, audiology and hearing) of this chapter are amended.

March 1, 2012 is the effective date of the amendment to Section 5(38) as it affects speech-language pathologists, audiologists and combined speech-language pathologists/audiologists. This effective date is contingent upon the timing of the Board of Speech, Audiology and Hearing's adoption of a rule change heard on September 19, 2011 that reduces the license term for these licensees from 2 years to 1 year with respect to license terms beginning on or after March 1, 2012. The contingency was satisfied by

NOTE: Chapter 11 of the Rules of the Office of Professional and Occupational Regulation establishes for all programs a uniform \$50 late fee for licenses renewed up to 90 days after expiration.

that board's adoption of such rule change on November 21, 2011, effective December 24, 2011.

The license term for temporary speech-language pathologists and audiologists is currently 1 year. The effective date of the amendment of Section 5(38) as it affects temporary speech-language pathologists and audiologists is **not** contingent upon rulemaking by the Board of Speech, Audiology and Hearing, and is therefore February 4, 2012.

All other provisions of this chapter remain unchanged.

Section 5(8) (barbering and cosmetology) of this chapter is amended.

All other provisions of the chapter remain unchanged.

Official, board-sealed verifications requested by private citizens for adoption purposes cost \$15 each, with no charge for the second original of each verification by making a written request to the Board.

Maine-licensed Physician and Physician Assistant requests for verifications to be mailed to other state medical boards are available from www.veridoc.org at a cost of \$37 each. This system is intended for use by physicians and physician assistants who practice in the United States and need to have verification of the status of their active and inactive medical licenses sent to another state medical board. The Board of Licensure in Medicine sends VeriDoc our database of licensees on a daily basis.

If a hospital, insurance company or other credentialer requests an official verification with the Board Seal, a written request must be made to the Board and a \$37 fee will be charged for each request.
