RE: Correction to Bureau of Insurance 2022 Report on *The State of Competition in the Maine Workers' Competition Market*

Dear Senator Sanborn, Representative Tepler, and members of the Committee:

An error was recently noted in the Bureau's 2022 *State of Competition in the Maine Workers' Competition Market* report, dated December 30, 2021. This is a stand-alone report but is also part of the tri-agency *Annual Report on the Status of the Maine Workers' Compensation System*. The 2022 version of the tri-agency report, dated February 15, 2022, was corrected before it was finalized, but the error in the stand-alone report remains. The discrepancy between the two reports is shown below

Pg 2 of WC Competition Report (incorrect)

Pg B2 of Tri-Agency Report (correct)
