CERTIFIED VISUAL MEDIA PRODUCTION WAGE REIMBURSEMENT

GENERAL INSTRUCTIONS

The visual media production tax incentive provides for a partial reimbursement of wages paid to employees working on a visual media production in Maine. Eligible companies are reimbursed 12% of certified production wages paid to residents of Maine and 10% of certified production wages paid to nonresidents. The process required to receive the reimbursement is outlined below.

Required Certificates. The visual media production company must obtain certification from the Department of Economic and Community Development (“DECD”). The certificate is applied for prior to the start of the production. A **visual media production certificate** is issued to the visual media production company meeting all initial program requirements. Once the media production certificate is obtained, the business may begin the qualified production. Within four weeks after completion of the qualified production, the business must submit a certified visual media production report to DECD.

Certified Visual Media Production Wage Reimbursement. In order to claim the wage reimbursement, the business must file a reimbursement application, Form 841ME, Schedule 2 and Schedule 3 (if required) with MRS within six weeks of filing the certified visual media production report with DECD. The application filed with MRS must contain a list of names, social security numbers and certified production wages or contractual payments paid for each certified production employee, leased employee, non-employee performing artist or other individual contracted to perform services in Maine. In addition, the business must indicate which individuals are not residents of Maine. Eligible reimbursements will be paid within 90 days after the assessor received a complete application. Only certified production wages up to \$50,000 for each individual may be used to calculate the wage reimbursement.

You must attach a copy of the certified visual media production report submitted to DECD.
