EXEMPTION CERTIFICATE REQUIREMENTS

Applicant must be engaged in the operation of a windjammer, as defined in 36 MRSA §2020. A copy of the most recent applicable tax return and requested documents shall serve as the basis for evaluating if the purchaser is in fact engaged in this activity

The exemption certificate can only be issued when the above information is available, first year applicants shall not be issued an exemption certificate until such time that the appropriate schedules can be produced.

Those engaged in the operation of a windjammer but not qualifying for an exemption certificate, are eligible for a sales tax refund on the purchase of parts and supplies for use in the operation, repair or maintenance of a windjammer. The refund claim must be submitted on a form prescribed by the assessor and must be accompanied by a copy or copies of that portion of the purchaser's most recent filing under the Code indicating that the purchaser is engaged in the operation of a windjammer and such additional information as the assessor may require. An application for a refund under this subsection must be filed with the assessor within 36 months of the date of purchase.

A refund application is available by contacting Maine Revenue Services or can be obtained from our web site at: <http://www.maine.gov/revenue/forms/STForms.html>

RESTRICTIONS

The exemption certificate may be used only to purchase parts and supplies used directly and primarily for the operation, repair or maintenance of a windjammer, including, but not limited to, sails, rope, wood, rigging, masts, paints, varnishes, under sealers, engines and pumps, and lubricants and fuel exempt from sales tax.

The exemption certificate CAN NOT be used for the purchase of motor vehicles (including trailers, all terrain vehicles and snowmobiles) and attachments or accessories to motor vehicles, materials incorporated into real property such as lumber and building supplies, machinery and equipment, and for parts or supplies not commonly used in the operation, repair or maintenance of a windjammer.
