## Introduction

This publication contains the specifications and instructions for electronically filing original wage and withholding information (Forms W-2) with Maine Revenue Services (MRS). These file specifications must be followed unless deviations have been specifically granted in writing by MRS. If additional information is needed or if there are any questions, please see the administrative contact list on page 8.

**MRS does not accept/process corrected wage and withholding information (Form W-2C).**

### Payers Required to Submit Forms W-2

An employer or payroll processor who files 250 or more Forms W-2 with the Social Security Administration must report W-2 information directly to MRS electronically for all employees who are Maine residents and for all employees who have Maine-source income. Employers issuing fewer than 250 Forms W-2 to employees who are Maine residents or have Maine-source income are not required to electronically file the forms; however, employers are encouraged to file directly with MRS to help combat identity theft and refund fraud. MRS does not process paper W-2 forms.

### Due Date:

- The filing due date for submitting Forms W-2 for tax year 2020 is **February 1, 2021**. **Earlier filing is encouraged to help combat identity theft and refund fraud.**

### Submitting W-2 Files

1. Maine Revenue Services (MRS) utilizes the same EFW2 file layout as the Social Security Administration (SSA) for electronic reporting of Forms W-2. **RS Record must be populated with State of Maine information as indicated in the RS Record specification section below.**
2. SSA Publication Number 42-007 is the record layout standard for submission of 2020 Maine Forms W-2 as modified below. The Social Security Internet site containing the EFW2 filing standards is <http://www.ssa.gov/employer/pub.htm>.
3. MRS will not accept SSNs that only show the last four digits (xxx-xxx-1234).
4. Data files must be in text format with .txt extension.
5. **SSA and the Internal Revenue Service do not forward RS-record information to MRS. If RS record, State of Maine Withholding information, is filed with SSA, a separate RS record must be submitted to MRS.**
6. EFW2 files must be submitted electronically via the Maine Employers Electronic Reporting System (MEETRS) on the MRS web site at: <https://portal.maine.gov/meetrs/>. If there are

data errors or problems, the file will be rejected with an error message providing you with the reason and location of the error. Electronic files may be tested with the MEETRS application by selecting the Validate button.

7. MRS requires completed RA, RE, RW, RS, RT and RF records.

**Note: You may leave RS records for other states in the file (they will be ignored), but the upload will be more efficient if you remove them from the file before uploading.**

## Electronic Filing Requirements

### Basic Requirements

- Data should be uploaded electronically using the MEETRS specifications format.
- Compressed files are not accepted.
- Data files must be in text format with .txt extension.
- Each record must end with a carriage return line feed (CRLF).
- Each record must be 512 bytes in length.
- Each file should contain data for only one year. Multiple years will be rejected.
- Only American Standard Code for Information Interchange(ASCII) will be accepted.

### ASCII Character Set

- American Standard Code for Information Interchange (ASCII) will be accepted. Appendix A contains a table of the ASCII Character Set.
- All character data will be treated as uppercase.

### Logical Record Length

- Each record must be a uniform length of 512 bytes. Logical records MUST NOT be prefixed by record descriptor words or block descriptor words.

### Delimiters
