Instructions for completing the Retail Dealer's Gasoline Shrinkage Refund Application

Retail dealers are allowed a semi-annual refund to compensate the dealer for losses due to shrinkage or evaporation to a maximum of ½ of 1% of tax paid gasoline purchases. For purposes of this refund, a retail dealer is a business that sells gasoline at retail and delivers the fuel directly into the tanks of a motor vehicle or watercraft. A distributor or wholesaler is a retail dealer only with respect to gasoline delivered into a retail storage tank operated by that distributor or wholesaler or into a retail storage tank of a consignee or commission agent.

1. Enter the total tax paid gallons purchased from your supplier between the Period Begin and Period End dates pre-printed at the top of the form. If you have made purchases from more than one supplier, attach a detailed schedule to the form, showing only the totals on the refund application. Use the following format:

Supplier Name Type of Fuel Purchased Gallons Purchased Tax Rate Tax Paid

Contact Maine Revenue Services at 207-624-9609 or at fuel.tax@maine.gov if you have questions about the correct tax rate to use for gasoline blends. Your supplier should also know the appropriate tax rate.

- 2. An authorized representative for each supplier is required to sign the refund application verifying the number of gallons purchased and amount of tax paid is correct.
- 3. An authorized representative for the retail dealer is required to sign the refund application under the pains of perjury. Maine Revenue Services imposes penalties for intentionally overstating the amount of a refund due.

The due date is pre-printed in the upper right hand area of the refund application.

Late or incomplete returns will not be accepted.
