INSTRUCTIONS TO LESSEE: This statement is your certification that you qualify for the exemption mentioned on page 1 of this form. Please read and understand the following requirements of this exemption. Your signature on this affidavit will acknowledge that you have read this form in its entirety.

1. The property must be used by the lessee in interstate or foreign commerce. **If the lessee is using the Federal Motor Carrier Safety Administration (FMCSA) Interstate Operating Authority of another person, this exemption does not apply. A lessor of property used by the lessee as an instrumentality of interstate or foreign commerce does not qualify for exemption.**
2. The property must be placed in use in interstate or foreign commerce within 30 days (90 days with good cause) from the lease commencement date. Good cause does not exist when the extension is required because of the taxpayer's negligence or failure to make a good faith effort to place the vehicle in interstate or foreign commerce within 30 days from the lease commencement date.
3. The property must be used not less than 80% of the days in use in interstate or foreign commerce for two years from the lease commencement date.
4. **If the property is withdrawn from interstate or foreign commerce within two years so that it will not be used 80% of the days in use in interstate or foreign commerce for the 2-year period, the lessee is required to report and pay the use tax to Maine Revenue Services, based on the original lease price.**
5. Failure to return this affidavit properly completed will subject the lessee to the Maine use tax. Lessees who avoid payment of tax through deliberate misuse of the exemption certificate may be subject to prosecution.
6. The use of this vehicle is subject to audit by Maine Revenue Services. The audit would be to review the records of the lessee with regard to the eligibility for exemption. The lessee must maintain adequate records so that an accurate review is possible. Unless the lessee is able to adequately document the claim for exemption, use tax along with appropriate interest and penalties will be assessed.
