Maine Tax Portal Now Accepting Estimated Payments of Pass-through Entity Tax

The Maine Tax Portal (MTP) is now accepting estimated payments for the recently enacted pass-through entity tax (PTET) program. Estimated PTET payments may be made as either a logged in or non-logged in activity. Logged in accounts provide taxpayers and tax practitioners with expanded account options like viewing bills and notices and maintaining Maine tax accounts.

To make a payment, navigate to the MTP at revenue.maine.gov. Enter your username and password to make a logged in payment, or select the "Make a Payment" link to make a non-logged in payment. Select the appropriate tax type and payment type to make a PTET estimated payment. From the Period menu, select the last date of the tax year. This must be the last day of a month. Continue through the prompts until the Submission Confirmation screen is reached. For MTP assistance, call MRS at (207) 624-9784.

For tax years beginning in 2026, quarterly payments of estimated PTET are required only for payment due dates occurring on or after July 29, 2026, the effective date of the enactment of the PTET program. The underpayment of estimated tax penalty for PTET will not be applied for tax years beginning in 2026.
